Tuwe na chumba mbili cha bunge yani upper house na lower house lower house iwe ikiwa represented na representatives kutoka maregions na katika hali ya ardhi, ardhi iwe ikisimamiwa na maserikali ya wilaya. Hivi sasa hiyo jukumu ya ardhi imechukuliwa na wanainchi wamedhulumiwa. Tradition land wakati wa kwansa ilitengeneswa kulikuwa na ukinga fulani lakini nineteen sixty eight kulikuwa na legal notice ambaye ilifanya amendment commissioner of land akapatiwa jukumu hiyo na representing papers inapewanwa huko Nairobi wanainchi ambao wanahuusika hawana chochote.

Tunataka kumiliki ardhi yaani trusteeship ya land iwe should be alermed iwe kwa watu. Natural resources kama ni mafuta, kama ni maji, kama ni malisho iwe jukumu ya wanainchi pia. Ma game mashifter na nyuma ya shifter kuna watu ambao wameumia kuna mali ambayo imeangamiswa na hakuna uridhi yelete no compensation. Parliament ikapitisha sheria katika nineteen seventy inaitwa indemnity act yaani watu wa region hii siku moja pengine hata kama si wao watoto wao wanakuja kudai serikali ndio ikapelekwa bunge na kusema hakuna mtu anaweza ku uliza compensation. Sheria hii mpya tunataka itukubalie tuulise compensation kutoka serikali kwa mawaumivu na maovu ambayo imetendwa katika region hii na security forces na serikali ya Kenya. Thank you very much.

Com.Swazuri: Mwingine ni Mohammed Okash, Mohammed Okash.

Mohammed Okash: Commissioners wanainchi kwa jumla Asalaam aleikum. Aa kuanzisha maneno yangu kwanza

ningependa kuuliza ama kuomba commissioners ya kuwa katika inchi hii tumewahi kuona au kusikia kwamba kuna commission mingi imetolewa.

Speaker: Tusikisaneni sisi ni waislamu na waislamu wana heshima na order na utukufu. Kwa hivyo tuwapatie kila mtu nafasi ndio tutafanya haraka kila moja hapa tunataka atoe maoni hata kama ni saa moja ya usiku wale wataenda kuswali adhuhuri mchana tutawapatia nafasi warudi hapa sisi tuko hapa alasiri watu watakwenda kuswali sisi tuko hapa aya.

Mohammed Okash: Ningependa kuuliza commission hii ya kwamba katika inchi hii tumewahi kushuhudia ya kuwa kulikuwa na commission mingi imetolewa katika inchi hii kwa muda mrefu sana na kwa mara mingi sana na ya kwamba hizo zote ambae zimetolewa kwa muda mrefu tunajua mingi yake haikufaulu na kuwa imefail hata hatujui imekwishia wapi. Tunataka mutuhakikishie ya kwamba maoni ya wanainchi wa Kenya kwa jumla ambayo inagharimu pesa nyingi ya kuwa imefaulu na itakuwa kwa sababu kwa tiyari kwa magazeti tunaona maneno mingi inatokea kuhusiana na mpango yenu ya kazi so tafadhalii tungetaka isiwe kitu cha bure ambaye ya kuangalia tu ulimi yetu hiyo ni maombi yangu kwa jumla. Sawa

Translator: Waxan arkey bu daxay xatha kaxorey Commishna yak bathan ba lasameyey kina masahqeini marka waxan kabaqa in guthigan in ey shaqeini oo xathalka nalagaqatho ey waxba noqonin waxan rabna in xathalkena wax qeima leh lagadigo.

Mohammed Okash: Aa ile ingine ningependa ingaanzisha ya kwamba ningeunga mkono wenzangu ambae walikuwa hapa mbeleni ya kusema tunataka regional government. Tunasema hivo ya kuwa regional government, tunajua itatusaidia kwa njia mingi kwa vile hii inchi ni inchi kubwa na sasa siasa yake ama nidhamu yake ya desturi ambaye ilikuwa mbeleni haikuwa inaangalia kwa jumla. Sisi tukiwa watu wa North Eastern Province ama Eastern Province, Northern kwa jumla tunaona ya kwamba tunadhulumiwa kwa vile tunaweza kusema ya kwamba tumejua haki yetu kuanzikia kutoka ninty two wakati ya multiparty mpaka sasa hapo mbeleni hatukuwa tunajua maana ya serikali ama inchi ilikuwa kitu gani.

Hatukuwa tunafahamu haki zetu tumeanza kufahamu kutoka ninty two multiparty. Sasa tunauliza ya kwamba tunataka regional government kwa sababu uchumi ya inchi hii inaenda kwa provinces moja mbili tatu pekee yake ambayo yote inawakilishwa na Mawaziri, Vice President na President pekee yake. Sisi tunauliza?

Mohammed Okash: Basi tukaona hiyo itakuwa huko ile ya pili itakuwa ya kwamba ni vile mwenzangu alisema hii mipango ya unaona ya kwamba bunge inapitisha sheria fulani sijui wanasema amendment kwa muda fulani amendment na hii inchi ni inchi ambayo iko na population ya watu millioni thelathini. Watu mia mbili ishirini katika bunge ambaye wanajiongesea mishahara wanajiongesea kila kitu hawa tu pension mishahara yao sijui millioni moja na wanainchi wengine wanaumia hapa hiyo ni kusema ya kwamba wanajifanyia vile wanataka na wanalipwa rusha ili wapitishe hiyo amendment laws.

Mohammed Okash: Hiyo tunataka ya kwamba vile mwenzangu alisema tunauliza ya kwamba sheria kama kuna amendment

inafanywa lazima referendum iuliswe wanainchi kutoka sasa hiyo nitawachia hapa. Ile ingine ni ya kusema ya kwamba ni vile wenzamgu wingine walisema katika mandera hii niliona nilishuhudia ya kwamba ukienda polie station unakuta watu wanafungwa wamaume na wanawake wanachanganya pamoja hiyo kisheria sisi haikubaliki na hatutaki sababu unakuta wasichana wawili tatu nne wanalala katika police derpart office au small cell na kuwa police mwenyewe mwanaume ndiye anawachunga ambaye hiyo ni kusema they are not safe so tuna ruhusa tunataka katika police forces binti yote kwa jumla wasichana police force waletwe katika police forces hata kama ni mandera wasichana kumi tano kumi na tano kumi waletwe katika police na kisimamia cases za wasichana hata kama ni kuandikia statement kwa sababu tunaone police wanacorrupt wasichana wanauliza mambo machafu, wanaharibu na hata wanaharibu tabia yao kwa sababu hata wengine lazima walale na hawa.

Mohammed Okash: Sasa ningeomba tafadhali unipatie ruhusa I have two three points please mi naomba ni maombi tafadhali maombo ile ingine ni mambo ya wildlife conservartion. Aa sisi katika province hii wildlife conservation ukiangalia inchi hii wale wanaumia sana ni watu wa province hii na tukiangalia ile malipo tunalipwa siyo ya haki unakuta compensation unakuta mtoto wako anauwawa na fisi ama sjui simba ama kitu kama hii amaa mnyama katika mtoni unalipwa shillingi alfu thelathini. Tunauliza ya kwamba hiyo kitu irekebishwe kisheria iangaliwe kwa sababu sisi tunaumia sana katika province hii. Aa zaidi kama Waislamu kama mkitoka kijana amekufa ngamia mia moja shillingi millioni kumi millioni mbili millioni tatu kitu kama hiyo, hiyo tutakubaliana.

Mohammed Okash: Citizenship kwa hakika mimi kama sasa ni mtu ambaye nimezaliwa hapa umri yangu ni miaka arubini na mbili ama tatu kitu kama hizi. Leo hata ukiniliza wewe ni mwanainch wa Kenya, kidogo niko na shaka kwa sababu imekuwa ya kwamba sisi tukiwa Wasomali katika province hii hakuna wakati tunaweza kujivunia kwamba sisi ni wanainchi wa Kenya. Mara nyingi tunaimba sisi ni wanainchi ya Kenya kwa vile sababu yake mimi nasema huwezi kuona katika ulimwengu sheria ambaye inawasimamia wachache kama sasa tuseme screening card wakati ile ilikuwa inapitishwa ni wachache yaani katika constitution ya inchi hii hapana iko ndani.

Lakini sasa inacover sisi North Eastern Province pekee yetu so hiyo maneno tunasema kwamba mimi sasa ni mzee mtoto yangu sasa mtu ya miaka ishirini na kitu leo leo akienda kutafuta ID card hawezu kupata, hata mimi nikienda kulia kule hawezu kupata tunauliza ya kwamba tafadhali kama sheria inabadilishwa ya kwamba, we want every thing iangaliwe kwamba mambo ya sheria kama hizi za kusema inakimbiliwa tu hiyo screening card kitu kama hizi zikomeshwe na hiyo kitu tunasema kwamba ikome.

Aa jambo lile ingine moja I have also one point to say ya mwisho ile ingine ya mwisho ni kusema kwamba kama sasa ukiangalia kila province tangu tulipata uhuru mpaka wa saa hii we have provincial headquarters in each province. Kama sisi sasa tuko na Garissa ambaye ni provincial headquarters ukiangalia hawa wamefaidika sana kuliko sisi kutoka wilaya hii ama province hii kwa jumla kwa sababu wanakaribia serikali kama ni waziri hawa ndio wanapata kama ni nomination hawa ndio wanapata kila wakati kwa sababu hawa ndio wanakaribia province na hawa ndio wanakaribia serikali.

Mambo hii ya provincial headquarters kubaki miaka salasini mahali moja tunataka izungushwe. We want a central place sababu hata ukiangalia serikali maana rais akikumbuka kitu kidogo kama anataka kufanya anajua ile MP ama waziri ya Garissa hajui mp ya Wajir na Mandera kwa sababu that is the provincial headquarters anakaribia PC ile kitu anauliza, anauliza PC, PC anaambia waziri, fulani kwa sababu pengine ni jamaa yake. Hata kwa kazi ya serikali unaona population hawa ndio wanalinda. So the other point okey bado maliza ngoja anasema ngoja kidogo nirudie kwa sababu haja record. Okey basi kwa hivyo mimi nasema hiyo kwa sababu ukiangalia kama ni nomination ya MP after avery three years mara Mandera iwe Provincial headquarters Garissa iwe provisial kwa miaka kumi, kumi kumi kumi kwa sababu tumeumia ya kutosha hatuwesi zaidi ya hiyo.

Translator: Rer Garis wax kastawa ayaga ba qathanayin dhowlada ayey udowyixin mathax weyna ayey uudowxixin marka nomination xata markey imato ayaga ayaqathanayi lakin anaga mesha wan kubabacney marka waxan rawa towon sana kabacthi in ey waregto oo marna Wajer marna Mandera ey waregta nocoto ayan rabna oo anagan an qeib xelno ayan rabna.

Yangu ya kwansa ni wakaaji hii mkoa ya North Eastern province ninety eight percent ni wafungaji pastrolist. Lakini bahati mbaya hakuna policy nzuri ambaye inaongea juu ya pastrolism. Hhatuna market soko hatuna. Wakati ya mvua saa hizi huko Mandera West litre ya maziwa inauzwa shillingi tano baada ya miezi mbili ya ukame itaenda mia moja lakini hakuna pahali pa kuweka wale ambaa wanachunga hawafaidi so ile maziwa yao yote inakuwa waisted.

Mr Shali: Thirdly ee we would like (inaudible)----- laws that have been mentioned by every body here to be abolished I am very happy that although I am not an expert in that field some people were telling us that all this laws have been abolished. with an exception of the indemnity act. The indemnity act we are told the police the security forces can go to wherever they want do whatever they want to the people and there is no question about it so we would like the indemnity act. to be to be abolished and hence compensation to be given as any people who had severed as a result of the compensation act, I mean the indemnity act.

Translator: Dhadka in wixi sharcii thulmi geistei in lababiiyo ila sharciga shegayo, askarta markey wax thisho wax qawan karo mala waxan rabna sharcigas in lababiiyo.

Mr Shali: Fourthly people talk of marginalisation I would have said we can equate our situation with South Africa. I can say it is the Kenyan apartheid, why do I say the Kenyan apartheid we know in South Africa people are given different identity cards. Here in Kenya we have been given this the so called screening card we have got the Luos of Kenya the Luos of Uganda, we have got the Maasai of Kenya the Maasai of Tanzania why why whats so special with that (inaudible)----?

Translator: Meshan waxa kajira mithib takor maayeley xathath firsith dinacyatha kaley oo Kenya qoloin batha ba thaga xuthuth yatha sithi Masaitha lawatha dinacbo wey thagan marka maxa kar aqansi losini wayey o anaga naloziyey.

Mr Shali: We very well know that we are told, in Kenya we know there is a minister in the Kenyans Government. I do not need to name names and his brother contested for presidential election in Uganda. so it that was possible why what is special with that who is so peculiar with that so I would like I would like the government to abolish the screening card and we should not talk about it. It should be a history and even for the screening cards the damages and the pain it has caused we have also to be compensated.

Translator: Waxan rabna in screening lababiiyo diwatoinki unokenana in magdow nalagasiyo.

Mr Shali: Then there is this business of lack of quorumin parliament. You always hear oh minister in charge of that department is not there, for example I give my opinion to my area MP here he has a question the minister is not there. So who is addressing our problems? so we would like if the ministers are not able to answer those questions for three consecutive periods I don't know whether we call it session or what? That man whoever he is or woman should be dismissed with immediate effect it should be the constitution.

Translator: Barlamanka wixi kasoctho wadh maqashen mar mar waxjogo malaxa , Wazir ba sual lawarsani majogo aya laleyaxay aniga maonigega MP geyaga ayan udibtey qofki kajawawi laxana majogo, marka waxan rawa sharci oo xathi Wazirka xathi ukajawawi wayo sathax jer o iskuxigto wain lagaturo wazirnimatha.

Mr Shali: Then there should be, okay there should be a clear defined role of the Judiciary, executive powers and the Legislature, we do not want one to overpower the other one.

Translator: Waxan rabna Maxkamathaxa dhowlada iyo sathaxtha gacan wa in mit mit kaley u awoth der ukalaxanin.

Mr Shali: And there is land grabbing mania and it has become the culture in Kenya all over Kenya you would see an individual who owns tracks of lands when the citizens have got no where to put their heads under they don't have a place to create shelter. So we would like all land irrespective of who owns it starting with where I am now we have got people who got

tracks of land, we want the new constitution to investigate that and then if they see there is some sense in it, that land should be reposessed and redistributed to the people. And finally let me say North Eastern province has one of all one person has said here we need affirmative action because where we are now is where other Kenyans were nineteen seventies, therefore for example why did you come by helicopter why did you come on road it means we have no roads. When when the Head of State is going to other provinces what does he do? he goes by road. Hapa Mandera he comes by air, you people you are coming by air that is a testimony to how we are marginalized therefore we want we would like to have infrastructure our roads all the way from where Nairobi is up to here they should be tarmacked.

Translator: Marka lawa point ayu shaegey mit waxa wayey dhad ba dul bowith cathi unoqotey xalaqatho xalasiqiryo, mita kaley jit maqabno waxy maendeleo oo dhowlada eh wax fican namasogarin wa in nalaqarsiya.

My opinion is such that I might be contrary to so many who have affect from me so and that is my opinion as such the question of majimboism is that it remains to our community and our culture as a whole.

One as far as mandera people are concerned the North eastern people are concern we have very close neighbours to a community who has been without a government for the last ten years. The consequence of that is that we are going to share the same same mentality or we are already sharing the same mentality the same perception, the same believes with them and accept the tribal conflict the tribal locality is all breading in our community. As such for the last thirty three years, Kenyan government has already incurred or implicated so many things to our community of North Eastern province.

We really want to have another one implicated by you people within the province. So that so also the first thing I would like to say are this. Personally I am (inaudible)----- I want a unitary government. Ali Abdi: Carurta iskulka kujirta,

Translator: Carurta iyo ispitil sharciga adunka aya qara in ey digtan.

Translator: Mimi nilikuwa na mjibu yeye upande ya education na upande ya hospitali ni iko ndani ya U.N charter ya kwamba inaruhusu hiyo ni sheria ya dunia.

Translator: Yaani Bwana Mayor alisema hii Commissioners ambaye amekuja leo hapa wanakuja kuchukua views ya Constitution. Itarekebiswa mahali gani ambaye sisi kama jamii ya North Eastern tunataka katiba irekebishwe. Lakini hawaja kuja juu ya shida ya watoto ya Somali ya kuwa hapa ndani ya skuli. Juu ya famine relief hawajakuja hii. Juu ya mambo ya ukosefu ya dawa hawajakuja juu, ya hiyo, so he is just trying to tell them tuongee in line with the constitution.

Translator: Pahali iko sheria iko shida ngoja ngoja ile iko shida elezeni hapana kusema mambo ya hii mambo ya hii, hiyo tu Mimi naeleza.

Ibrahim Tish: I think I will be addressing and therefore in my presentation I will more than not get dressing the chairman

of the commission as the absolute person who is in charge of the team. I am Ibrahim Tish Inspector of schools Mandera district.

Translator: Waxa laidaxa Ibrahim Xish, kormeraxa skulatha.

Ibrahim Tish: So I think every problem that is been pronounced by every body here revolves around the issue of education.

Translator: Iska fadi aniga ayan iskutafsira. Taclin umba lathawawaregaya.

Ibrahim Tish: Because if you look at our National development plan, if you look of our legal frame work, if you look at our all legal documents they all take education as a view of our economic growth and social and political development.

Translator: Markath firiso arimaxa xormarka lagugarilaxa kuli wexey citirafan taclinta.

Ibrahim Tish: And we say the three problems of ignorance disease and poverty education is the panetia.

Translator: Xaga teknikatha xathi gaja iyo cuthuratha lagabixi rawo waxa logabikaro tacllin.

Ibrahim Tish: Okey with that introductory thing I wish to give you some data on the current education scenario in this district.

Translator: Waxan rawa in an ithin shego xisabta xaga taclinta.

Ibrahim Tish: Today we have got out gross enrolment for boys in this district is twenty two point five percent.

Translator: Ilmaxa wilasha boqolkiwa lawatan iyo shan aya isku kujiran.

Ibrahim Tish: And we have got a projective population of boys of fifty nine thousand of primary age children.

Translator: Ilmaxa iskulka galliyaxayen waxa jogta konton iyo sagal kuni aya jogta.

Ibrahim Tish: That means we are only got twenty two point five percent for the girls and thus we have ten point zero five percent of our girls population are in school.

Translator: Gebdaxa iskulka garilaxayen ama umrigi iskulka lagugalilaxa garen waxa kujiran boqolkiwa towon.

Ibrahim Tish: Now if education is as it has been said and this is the situation in our district then don't you see there is a rhetoric or is a paradox. I am coming to that man I must give you some backing while you are coming to conclusion. Now if that be the case what I am suggesting is the current curriculum is irrelevant to the needs of the pastoral community.

Translator: Diwatatha xaga taclinta waxey naga xaista xaga rer guraga.

Ibrahim Tish: This must be given a pastoral differentiated curriculum for this district.

Translator: Waxan ubaxanexen wax yalaxa iskulka lagadigo waxa larawa mit wafaxsan.

Ibrahim Tish: And the current constitution must put in place how we can reach this population of children or especially girls who are not in school.

Translator: Waxa larawa sithi ilmaxa rer guraga taclin lagugarsi laxa.

Ibrahim Tish: Okay so I was in a position where I said we must have a curriculum that is going to handle or is going to consider the needs of the pastoral community.

Translator: Wax yalaxa iskula lagadigo.....(inaudible)

Ibrahim Tish: Okay know we have heard of the University for Agriculture, we have had university for so and so we wish to have a university for the pastoral a university that is called the university of the Pastoral.

Translator: Waxan rawa in jamacath rer guraga lagumagac awo in nulosameyo.

Ibrahim Tish: Okey a university that is for the pastoral students and a university that keeps the pastoral issues. Okey the next point is because I have given you the data for the number of girls especially in this district, the affirmative action issue is I see as

rhetoric the affirmative action is only used by the government to lure funds to generate funds and then its state is wrongly used if affirmative option is supposed to be used as it is stated in its policy frame work then the fermative option must help the people of this district with regardless to education for girls.

Translator: Xathi wax lagaqawanilaxa oo wixi lagac oo laxelo laguistacmalo gowolkan ama xormar mel fog balagari laxa.

Ibrahim Tish: The other point is poverty is an issue in this district and if poverty is to be allierated the current constitution must give our secondary schools especially grants and bursaries and not on the name currently bursaries is given to secondary schools on enrolment basis I think that is very wrong we must be given bursaries on the seriousness of the poverty level currently our poverty level is sixty four percent where as that of the national is fourty six percent.

Translator: Sithi lashegey xathey run taxay iskulatha wax xalagaqabto. Xusussan sekendariga. Lacagta labixiyo oo bursary loyaqano wa in ilmaxa masakinta lasiyo.

Ibrahim Tish: Finally I think the chairman seems to be pressurising me, I want to touch on the issue of alternative approach to education. Alternative approach to education because our illiteracy rate in this district is eighty five percent or there about, we require the current I mean the new constitution to consider how education can be taken to the old people to the people who have passed the age of school, to those who are perhaps handicapped.

Translator: Taclinta wa in an thib uegno oo rer guraga ey kafaitheistan.

Ibrahim Tish: Okey now there is a global commitment. Finally I thought the madam told me give me one point. Yes final point.

Ibrahim Tish: With the government commitment on global sorry the education for all which Kenya has is a signatory for. And therefore if then, education for all as the government has signed and committed itself education for all in North Eastern province which is targeted at the year two thousand and fifteen is not areality and therefore the new constitution must consider North Eastern province as a unique case and therefore we must be given resources that are also lumpsome and not compared to the other part of the country.

Translator: Tii uthambeysey waxa waxe eduation for all waxa waye mutha kathib in qof kasta uu taclin bilash xeli karo.

Speaker: Thank you very much mwalimu those are very bad figures ten percent and twenty two percent enrolment will make a very bad figures for North Eastern and can we listen to Abdi Shek Hassan?

Abdi Shek Hassan: (Somali dialect) Bismilahi Rahmani Rahim. Wuxa laidaxa Abdi Sheikh Hassahn waxana kaxathlaya thumasha. Daqanka somalitha waxa jirta in gawada xathi u ninka kadinto oo catha lais saro sas dhrateth citi kaxor imata wain magdaw lagasiya ama laxira. Tan lawadh dhowlada cathithis ayey kuxaisa musliminta tusala xadthan kasoqabto waxa kamit ah marki bisha Ramathanka lagaro nalka wala thamiya. Kanisathaxana lacag bey kabixiyan lagamanagoyo muslimintana walagagoya tas dinta nomacuntameyso wain dintena xornima xas lasiyo oo latex galiya.

Translator: Issue of wife inheritance he said that kind of customary law should be abolished the lady should be free to marry any body she wants.

Abdi shek Hassan: Dinta muslinka cathathis bey dhowlada Kenya kuxaisa tusala xadhthan kasoqabto marki pasbor ad gosaneysith odh Hajj ka ath ujethith suala an lobaxnen ayey CID ey kuweydineysa ayaga on isku din ana exen bey dintatha sofaragalinayan tas dhonimayno.

Translator: Muslima are given unnecessary problems for example when they want to go for pilgrimage to Mecca they cannot

access passports easily even during holy month of ramathan when they are in the mosques here in the local electricity supply they take off the lights and they don't have the lights during that holy month of Ramathan. So he would like the constitution to protect that.

Abdi Shek Hassan: Tan kaley wain MP ga iyo mathax weynaxawo ey nocthan dhad lacag leh marki lasothoranayo ey faqir noqonin. Intas ayan ogabaxay Assalamu aleykum.

Translator: So the other one he wants when you are elected a member of parliament he should be a very rich man even the president they should be very rich people.

Speaker: Thank you very much Abdi Hassan, do we have Binta Bulu Mohammad, okay

Binta Buru: (Somali dialect) Bismilahi Rahmani Rahim. Aniga waxa laida Binta Haji Buthul waxan axay xoyoyinka magalatha bula Hindi.

Translator: Binta Haji Buru one of the women leaders from Bula India village here in mandera.

Binta Buru: Anigon bathineynin waxanaxay dhad muslim eh maogalin sharciga labathalayo in dinta islamka lasofaragaliyo.

Translator: In the process reviewing the Constitution we need the Islamic religion to be given the protection it deserves.

Binta Buru: Mita kaley on kuxijinayo anaga waxan naxay xawen xaquqthena wey thugan taxay.

Translator: The women in the Muslim community currently we are deprived of our rights.

Binta Buru: Xaqqatha an lenaxay waxa waye anaga o towon ilmoth dalney aya guriga qanjaxa nalagabixini oo bananka taga nalaleye.

Translator: You have a tenth child your wife for so many years and somebody divorces you and he just kicks you out of the property of the house.

Binta Buru: Kol xorey abexey guri imudisin aniga o yar oo shan iyo towon jiro ayu nin isiyey.

Translator: He said if she did not get any inherit from her father she was given to somebody at the age of fifteen years and that is the place she has lived all her life

Binta Buru: Ninki an towan udaleyna bananka ayu ijojiyey, guri imudisin gari umugathin waxbana imusinin.

Translator: The man I have been with for so many years he just kicked me out he never give me an alternative out, no property no vehicle no what, just kicks you out.

Binti Buru: Waxan rawa sharciga labadalo xaquthena islamka in nalogudharo.

Translator: I need very strong in the new constitution to protect that right for women so that we can not be kicked out just like that if somebody has just finish his leisure with us.

Binti Buru: Geweda marki lafuro guriga walagaqathanaya mexerkethi lamasinayo ki ogubathan aya shan kun sini kikaleyna bananka ayu kuturi.

Translator: And when they divorce sometime they even take the cloth they take all the property every thing they don't give any dowry.

Translator: (Somali dialect) Marka dinta islamka maogalo waxas daqankina Somali waye.

Binti Boru: Marku col doco ilmaxa aniga ayey iguxarayin markey gaja imato aniga yey iguxarayin markey shaqa wayan oo abixi wax wayo aniga aya thusha oguxamala marka marabno sharciga labathalayo in nalogudharo xaqqatha bilcanta wixi sharcii

Translator: Any time there are difficulties circumstances. Say the parents the father has nothing you are left with the kids there is no employment there with you, there is war the father runs away there with you, we need the new constitution to protect and recognise that act.

Binti Boru: Mithetha kaley canugi an iskulka kabiyeey on qorya ogabiyeey on duxul ogabixiyey on saka sithan utago gurugeiga an arkeinin iskulka marku tago waxa losofijia bug xathana waxan irathiya shilimath ana bug ogugatho markas afar iyo lawatan sana markan bug iyo qalin iyo lac an sobixinayo aya xathan waxa laiteyaxay shaqa malaxa cunugi.

Translator: You go under so much stress educating a child chased for a shirt for a pencil you give five shillings ten shillings you take him up to university level with kuni unausa hii unausa hii alafu after twenty four years he has no employment anakuja kaa na wewe.

Binti Boru: Shargi labathayo waxan kaqotsanaya in ilmaxa iskulka sobogen oo tharbiyalka fadiyan in shaqa lasiyo ayan cotsanaya.

Translator: We need a constitution that can guarantee employment for our children after they finish the school.

Binti Boru: Mita lawadh dhadka rer gura oo thurga kogan aniga waxan axay xoya durka jogto oo afswhil an aqanin wilkeiga wa DC masa DO intas waxan ogabixinayey ariga iyo gelka an sogathey marka sogatho oo manta an xathan rawo wilkeiga in an arko waxa laileyaxay af mataqanithe bax cafiska xata magali kartith aya laileyaxay.

Translator: Basi the Constitution to protect our rights the women rights.

Speaker: Thank you very much Binti Mohammad. I wanted to explain something, I think what she was saying when she was explaining what she doesn't like within marriage whether it is Islam or whether it is Somali culture. I think the essence is that she is saying she wants to be protected from whatever it is and I think that is the essence of the message. Okay.

Translator: (Somali dialect).....(inaudible) barbarisas in ath shegto.

Speaker: Thank you very much. So Abdi Hassan Hassan did you speak?.

Translator: MP in usogaley o ujoga ogan teth laxatha.

Speaker: Asili Ibrahim hayuko? Muslima Isaak Yusuf.

Muslima Isaak Yusuf: Salam aleikhum mimi naitwa Muslim Isaak Yusuf. Mimi malimu ya youth polytechnic na hapo kuna watu wameongea mambo ya education nimeskia lakini sijaskia mambo ya technical skill iko ndani na hiyo ndiyo muhimu kuliko hiyo yote, sababu hii mambo ya skuli unamaliza secondary ama primary lakini unaongoja employment ya mtu. Lakini hii ukimaliza yako unajiandika mwenyewe na sijaskia mtu akiongea juu ya hiyo. Nikisema kama North Eastern ilikuwa na youth polytechnic kumi na ilikuwa inazaidiwa na serikali lakini miaka kumi na tano iliyopita serikali imesahau mambo yake na vile serikali imesahau hata wanainchi hawajui ni nini inaaendelea na hawajui protect ni nini ama self employment wanaweza pata kutoka wapi. Kwa hivo serikali iangalie mambo ya youth polytechnic ndio asaidie vijana ile hawajaenda secondary ama wajabahatika mahali zingine, sababu kuna mwininge hapa alikuwa anasema kuna street boys sijui nini hakuna street boys, ni kikosa tu mahali ya kwenda na mahali kama hapo angefaa waende kama youth polytechnic ile iko karibu na hawa wajizaidie haye.

Translator: (Somali dialect) Wexey tiri youth polytechnic dor melodth wey jiran dhakana kama war qawa ilmaxa xata mela iskajogan in ey athan oo wax ey kasobartan xata waxan rawa in laqojo oo dhowlada ey nagukalmeyso.

Muslima Isaak Yusuf: Ikiwa hivo naona serikali yenyewe imesahao sababu zamani alikuwa anamlipa kama walimu mshahara na siku hizi hata hawalipi walimu na youth polytechnic yote imeanguka sababu ya kukosa walimu ama vifaa ya kutosha. Unaona hata hawa hawana interest sababu ijaelezwa chochote hata serikali mwenyewe amesahau iyo mali.

Translator: Meshas wa mel adh uxoseyso oo xata dhowlada war umaxisao marka waxan rawa in wax loqabto oo laogatho.

Muslima Isaak Yusuf: Afadhal iongeswe hii sheria ndio vijana wafaulu ile maisha yao ya kesho sababu naona kuna walekosa kazi wamemaliza primary pekee yake lakini hawana mahali ya kwenda. Kama hiyo mahali ingekuwa na hai ama nguvu ye yote kuna watu wengi tayari sa hii tumefanyisha watu wengi mtihani na tunaendelea tu yaani tunajiforokea tu hakuna mtu anatulipa.

Translator: Macaliminta xata mishar lamasiyo waxan rabna in nalaogatho.

Muslima Isaak Yusuf: Waxan rawa in Youth polytechnic laqojo o ilmaxa melaxa waregayan in xog waxbarasha ey xelan in sharciga lagutharo.

Translator: We need the constitution to recognise the existence of village polytechnic and try to give them strength in future.

Muslima Isaak Yusuf: Na nikiongesa ingine naongea mambo ya ardhi, kama mimi nimefanya kazi twenty three years na sahi sina plot moja hata na kuna watu wanaenda Nairobi wanakuja na barua kutoka Nairobi na wanafunga compound nzima karibu Mandera nzima na mi nimesaa karibu watoto saba hivi. Mi mwenyewe sina plot sasa mtoto wangu atapata wapi plot na hapa tunaambiwa iko town council iko county council na hakuna mtu anajiregister iyo mahali tunaenda Nairobi kujiregister na kuna wengine hatujui mambo ya Nairobi kwa hivo mambo ya ardhi iangaliwe.

Translator: Marka arinta dulka wa in adh lofiyo.

Muslima Isaak Yusuf: Na kwa hiyo sina ingine afadhali iongeswe youth polytechnic.

Speaker: We have Omar Bule hayuko na Ahamed Hussein? Oh ni wewe Gule ni nani?

Ahamed Hussein: (Somali dialect) Waxa laidaxa Ahmed Hussein. Waxan axay(inaudible) ogowolka ayana poemka antiri oo Commisionka an usoshaqeiney oo dulkan lawa jer ey imathem mel an latagina malaxa.

Translator: Is a poet for the region na the Commission has some of his points and has been to every location na kufanya civic education in poem.

Ahmed Hussein: Waxa jirta ules bathan ogowolka kajira sathax qewoth ayan kaxathli rawa o ah xaga xornimatha adh mothidh in an weli mathax banani anaxaisanin waxa kamit ah tharath wexey exeth Madaraka Day. Speaker: Thank you very much Ahamed I think it is true to say that the lack of access to KBC both television and radio can contribute to the failier of the students in schools because there are many programmes that go on KBC and radio like childrens debate topics different topics but then appear on the radio. So it is true that if you have no access to KBC and to radio it will impact on the perfomance of the children in school thank you. I thought he was saying that that can contribute to the low perfomance the Ds that we get so thank you very much for and I want to confirm we actually got the poem for ee from Ahmed Hussein and we have them as part of the views in the file.

Hon Shaban Isaac: We think that you will not have known actually the problems we are talking about.

Hon. Shaban Isaac: So also follow the examples of those people who said that the commissioners should come by road and not by air.

Translator: Waxan gacan sinaya dhadka dexein Commishanaska wa in ey jitka kuimathan ayan rabney.

Hon. Shaban Isaack: I would like the commissioners even if its another time let them have opportunity perhaps about five or three day to come by road I think when we say what we are talking about then you will be able to know what we are saying.

Translator: Waxanrabna markoa xanocote diwatatha lashegayo in ath ishina kuaragtin ayan rawa ayan rawa.

Hon Shaban Isaack: I will go straight to the point. Kenya has is made up of Parliament the Executive and the Judiciary the three arms of Government the Parliament the executive and the Judiciary.

Hon. Shaban Isaack: I will touch on a few items on each which I think you should consider during this hearing.

Translator: Aroma yar yar ayan tawanaya oo sharciga lagutharayo.

Hon. Shaban Isaack: We would like as the constitution is the twenty five percent rule for presidents to win from five provinces to stay.

Translator: Waxan rawa sharciga daxayo mathaxweyn wain kaxelo 25% gowolkasa sharcigas ayan rawa in usithisa axatho.

Hon. Shaban Isaack: I also proposed that the Kenya remains to have an execative president.

Translator: Mita kaley waxan rawa sitha xatha an kunaxay dhowlada in ey noqoto in mathax weynaxa uxayo awotha kulli ayan rabna.

Hon. Shaban Isaack: But his powers should be controlled.

Translator: Lakin sas ey taxay in awothisa la controlo.

Hon. Shaban Isaack: Because of the marginalisation of this province including this district, we require an afermative action for this province.

Translator: Diwatatha an somarney waxan rabna plan goni an kuxormarno.

Hon. Shaban Isaack: Because in this province is the basic of basic and social amenities are lacking.

Translator: Maxa yeley dulkan wax yala abthan oo muxim ax aya nagamaqan.

Hon. Shaban Isaack: Therefore we have eight provinces and I propose that ten percent of the Kenyan budget every year be allocated to this province.

Translator: Waxan rabna thaqliga Kenya sogalo in boqolkiwa towon nalasiyo.

Hon. Shaban Isaack: This is the only way we can be able to catch with the rest of the country and unless this is done then we will continue to remain behind.

Translator: Xathi sas layelin marka diwatathena sas umbey axanaeisana gathal umbanaxanena.

Hon. Shaban Isaack: Kenyas budget is two hundred and twenty million and I think about two hundred and fifty million per year.

Translator: Kenya budget ketha sanat kastawa waxa wayey lawaboqol iyo konton billion.

Hon. Shaban Isaack: You get ten percent that will be twenty two billion if you that then we are able to develop and reach the rest of the country.

Translator: Intasa xathan kaxelno weyey noqoneysa lawa iyo lawata million wana lacag bathan weyna nagufilnaneysa.

Hon. Shaban Isaack: I said ten percent of that is twenty two about twenty two billions.

Translator: Lawa iyo lawatan billion ayan xeleina marka wax kastawa weynagufilnani karta.

Hon. Shaban Isaack: The other think I would like to address is the environmental concerns for this of the whole country.

Kenyas environment has been destroyed and any country that cannot conserve its environment will not develop.

Translator: Xaga theganka Kenya adh aya lofarayumeyey dulka thegankisa athu xunyaxayna wax maendeleo ugaro malaxa.

Hon. Shaban Isaack: Rivers and streams which were permanent before are no longer permanent in Kenya.

Translator: Biya marenka iyo wowiyasha xathath firisitna kuli weywatha sullen.

Hon. Shaban Isaack: In the independence stages forest cover was ten percent and now we have less than two percent.

Translator: Marka xornimatha an xeleyno boqolkiwa towan wexey lexeth oo getha xatana wax ba malaxa.

Hon. Shaban Isaack: Environment is such a very important think that should be put in the constitution.

Translator: Marka theganka wa shey muxim ah waxan rabna insharcia lagutharo.

Hon. Shaban Isaack: Another point I would like to talk is about is land ownership.

Translator: Tan kaley waxa wayey laxashatha dulka.

Hon. Shaban Isaack: In North Eastern province including Mandera now what we have is grassland.

Translator: N orth Eastern Province waxan qabna Land ownership wax laadaxo.

Hon. Shaban Isaack: The development in this province is still very low.

Translator: Dhdkana kama warqawan.

Hon. Shaban Isaack: Therefore I would the trust land law be still in place but any alienation is supposed to be done by the government it must be with the coscent of the people.

Translator: Trust lana macnexetha waxa waye amanatha dulka, dulkena waxa county council aya amana axan nalogudiwey

dulkana nagaaxunaha dexeya, marka xathi dul labixinayo wain dhad weynaxa laogeisiya.

Hon. Shaban Isaack: Because the main stay of the economy in this province is livestock and products and since our lives to the livestock industry has been neglected since independence, I would like the ministry of pastrol affairs to be created and since eight percent of Kenyans land is from the arid and semi arid regions.

Translator: Mathama Kenya inti bathan ey dhadka rer gura ey yixin thib ayan udacney waxan rabna Wazir rer gura in naloyelo. (Gara dialect)

Hon. Shaban Isaack: So that we have a new livestock policy.

Translator: Xogan oo xaga xolaxa in laxelo.

Hon. Shaban Isaack: Our main source of (inaudible) ----- from this province is livestock and livestock products.

Translator: Meshan dhadka wexey kudacan yixin wixi xolaxa kasoboxo.

Hon. Shaban Isaack: Since independence the government has not addressed this matter.

Translator:(inaudible) Wax xolaxa iskumashquluyey malaxa.

Hon. Shaban Isaack: While the government has put a lot of effort by having votes and other important issues for the agricultural sector.

Translator: Inkasta ey dhowlada aadh iskkuguthey they dinaca beraxa(inaudible)

Hon. Shaban Isaack: Countries we know in Africa which is main economy is the livestock industry and they are having the highest as per capital income and include Botswana, even Somalia has market for its livestock they are the same they are able to sell the livestock in the European market even in the middle East and earn some foreign currency and also duty for the country.

Translator: Wadhma kaley aya kajira o xolaxa kudacman oo manta naga dacala fixin xilbi kothana mel kasta aya lageya.

Hon. Shaban Isaack: Even the Kenya meat commission usually factories and industries are build where there is raw material but it is very interesting that the KMC is based in Nairobi while the main livestock producers away from main livestock producers. That shows that those who are planning had no care for the people of this region.

Translator: Xata xalki shey ey kaxeli laxeyen faidatha waxa lagudisa Nairobi iyo melaxa kaley.

Hon. Shaban Isaack: If we had a proper livestock policy, proper marketing and we are able to sell our product from this province and you know meat is a very, nobody can stay without eating meat today we would not have been recipients of famine relief food but we would be contributing to the countries coffers.

Translator: Xathi laxormalin laxaya wax lagawan laaxa manta famine relief gacan umanaxorsan lexein.

Hon. Shaban Isaack: Therefore we would have we want the constitution to address this marginalisation.

Translator: Waxan rabna xaq thara nagudacthey Consituonka ucub in ney noxathlan.

Hon. Shaban Isaack: There is a lot of human rights violation in this province and this district.

Translator: Xaqq guthub iyo quq insane abthan aya gowolka kajiran.

Hon. Shaban Isaack: There have been past violation of human rights and the present continuous violation of human rights and because of our unit place unit problems because of our development and marginalisation nobody is aware what is happening in this province.

Translator: Wax yalabathan oo xaq thara ayakadecenn thalkan dhad athan kamawarqawan.

Hon.Shaban Isaack: Violation of human rights should be corrected.

Translator: Sharcia cusub wa in uaqonsatha xuquqtha laguso xath gutbey oo wax ukaqabta.

Hon.Shaban Isaack: Because there are laws particularly after independence the laws particularly legislated for this province which were discriminatory and we want all those laws be removed that violate human rights and we enjoy equal opportunity for the rest of Kenyans.

Translator: Sharciyal bathan aya jiran oo Dhaka kuxathguthbayan oo madow lasameyey sharciyasha wa in lababiiyo in an kenyatha kaley lamit noqono.

Hon. Shaban Isaack: So Kenyans must have one country and one Constitution.

Translator: Rer Kenya wa in ey laxathan xal wadhan xal sharci.

Hon.shaban Isaack: One other importance I like to also address is food security.

Translator: Mita kaley waxa wayey securitka xaga cuntatha.

Hon.shaban Isaack: Every Kenyan has a right to have food and the government insure every Kenyan has food.

Translator: Dhowlada aya uxilsaran in ninkasta u shaqa xelo.

Hon. Shaban Isaack: You know I have many points, okay let me address parliament. We need more constituencies in Mandera district and Mandera East constituency want it to be divided for effective representation.

Translator: Waxan rawa kuris yasha barlamanka in labathiyo.

Hon.shaban Isaack: Kenya is not about people only it also includes land is the most important one.

Translator: Kenya dulka in laguxistabtamo maxa dulka wubathan yaxay wuna balaranyaxay kurastana xalanokalaqaibyo.

Hon.Shaban Isaack: In North Eastern we require more than twenty we are right now twelve we require another eleven making to the two members of parliament at the minimum.

Translator: Waxan ubaxanaya in kow iyo towan kursi nalogutharo oo lawatan iyo kow an laxano.

Hon.Shaban Isaack: Government must have vetting powers during appointments for major jobs done by the president we say the paresident has taken powers. Parliament must voting powers so that the right Kenyans are given the job.

Translator: Mag cawitha lamagcawo mathax weynaxa aya magac xathi u magac awo wain baramanka ry iskiracan.

Hon.shaban Isaack: Traditionally we want the highest court respected up to high court and up to now there should not be any appealable for muslims in Kenya.

Translator: Khadiga xafiskisa ila High court lageya xathi High cort lagarsiiyana wain wax lagaqawan Karin.

Hon. Shaban Isaack: There should be a constitutional court.

Com. Swazuri: Abdulahid Abdulla yule kule.

Abduwahid Abdulla: Asante salam aleikhum. Mimi kwa majina naitwa Abduwahi Alan Abdulla yangu siyo mengi ni machache tu, Ya kwanza nitaongea juu ya nidhamu ya serikali yaani formation of the government vile system ambayo tunaitaka ile system ambayo tunaitaka serikali ichaguliwe nadhamu ya kwanza ambayo ilikuwa mbeleni ilikuwa raia inakubaliwa tu wachague bunge other formation hatuna habari sasa tunataka hivi constitution ikuwe ipate nadhamu ya kuwa ipatika nadhamu yetu ya kuwa raisi asichague head of civil servant pekee yake yaani ipatikane wapunge kati ya wapunge ipatikane a special commission ambaye watachagua Head of Civil Servant Head of Judiciary hata kama ni port authority kwa vile resource muhimu hi political position. mtu ambaye anashikilia mahali nzuri ndio anatuangamiza tunaisha sas lazima ipatikane katika bunge special commission ambayo wanachagua head of civil servants hata kama labda mimi ni -(inaudible)---- ya port authority judiciary all those things (inaudible)-----

Ya pili under education katika Kenya kuna three types of education sisi ambaye tunajua mambo ya Waislamu upande ya Waislamu kuna system moja ya madarasa ambayo serikali ya Kenya hafahamu ama they don't recognise tunataka Constitution ipatie fursa ya kwamba hio kama wanainchi wa Kenya pia wa to be recognized tutampulishwe teachers to be paid and special service commission to be formed under Ministry of Education ambayo inahudumia both certificate and paying are also included in the pay role yaani pande ya elimu ya madarasa.

Ya tatu Kadhi is going to be strengthen in powered kwa vile sisi sasa tunajua ya kwamba Kadhis Court wana the only rule three cases ambayo ni divorce, engagement and adultery mambo ya inheritance tunataka other immoralities like abuses drugness adultery yote iongezwe ili apate fursa na apate jukumu kubwa katika Islamic community. Ile ingine ya secular education pande ya Ministry of Education tunataka pia hii system ya 8-4-4 ibadilishwe ikuwe continuous way of education yaani hakuna mambo ya form four O level yaani continuos mpaka university yaani mambo ya to make people fail katikati unafika standard eight people have become failier someboduy might lose hope sasa instead of giving them, demorolise them we make a system continuous system standard one to eight form one to form four university yaani hakuna mambo ya failier continuous work tutupe mambo ya 8-4-4 system asanteni sana

Translator: Na ningependa kuongea juu ya body Government. Nasema serikali tunaitaka ni serikali ambayo inaweza tumikia wanainchi wa Kenya mahali pote wako na nadhamu hiyo kuweza kupatikanwa ni kuweza kupatia ofisi wa sheria independence bila kuingiliwa na mtu ye yeyote na power ye yeyote kutoka rais ama pande yote. Ya pili ningependa kusema police ndio weny wachunga sheria ya hiyo inchi na wanachukua mshahara chini sana kama hatutaangalia masilaha yao corruption katika inchi hii haitamalizika na ningependa katika mkoa hii ya Kazkasini Mashariki hakuna mission school hata moja kwa hivyo serikali tunaweza kushare nation cake together tuwe tunapata mission school moja katika hii hii North Easten province. Ya mwisho tunaweza kusukuma mafuta kutoka Mombasa mbaka Eldoret na watu wetu wanakufa na (inaudible)----- maji kwa hivyo hiyo inaonekana kidogo tumelaliwa zaidi kwahivyo maji iwezwe sukumwa mbaka hapa watu wasipigane na nyani.

Com.Swazuri: Haya, asante sana swali umeshindwa kujibu muko wangapi kabilal yenu hiyo kabilal yenu unasema lakicha hiyo kabilal yenu mko wangapi hapa Kenya?

Ishamel Ahmed: Tuko nafikiri hapa labda kama watu elfu tatu hivi

Com. Swazuri: Elfu tatu?

Ishmael Ahmed: Hakuna hata chief moja

Com. Swazuri: Haya, asante haya Abdi kathir Yusuf hoo ile mzee haya Ibrahim Hassan?

Ibrahim Hassan: Asante sana kwa kunipatia nafasi ingine. Jina langu mimi naitwa Ibrahim Hassan Hussein. Ya kwanza mi nataka kuongea nataka kusema kitu chache tu siyo mingi. Ya kwanza mi nataka kusema na utakuwa ushahidi kwangu kama sisi katika mkoa hii haswa hapa Mandera tuko nyuma kabisa na serikali inajua lakini hawezhi kuangalia sisi kwa sababu ya nini? Ninyi tangu jana usiku mlikuwa hapa mchana uliskia mtangazo ya Nairobi hapa hakuna KBC inafika hapa na tunahesabiwa katika Kenya. Kwanini sisi hatupati hiyo matangazo hiyo ni kitu moja nataka hiyo matangazo afike hapa.

Ya pili hata ingawa watu wameongea juu yake zaidi hii mambo ya screen hii screen ametufungia vitu nyingi sana ukienda banki ukienda mahali fulani ukienda Nairobi unaambiwa wapi hii screen yako? kwa heshima yenu nataka hii kitu msuluhishe haraka na tusikie hii matangazo yenu hii kitu kama ametupwa kabisa.

Ya tatu ni mambo ya ukabila tuko na shida sana tukitoka hapa pamoja na wewe hapa na gari kufika Narok mimi naulizwa kipande na wewe huulizwi kipande. Katika Kenya mko na majirani makabila ingine kuna Uganda, Tanzania, Rwanda makabila nyingi lakini kwa nini Wasomali pekee yao naulizwa kipande na wale ingine ambaye yule mtu ambaye unatembea nae haulizwi na wewe unaulizwa. Hii ni shida moja sasa.

Ya pili ya tatu police anafanya mzako yao kitu ya kawaida chief awe na hawa watu wakati anaingia nyumba ya mtu vile mama mwingine aliongea hapa sa hii usubuhi alisema we unaambiwa utoke nje ya nyumba yako hata askari wanaingia unaambiwa wanakagua kila kitu yote na haujui kitu gani wamechukua na kitu gani wamekuwekea hapo ndani. hiyo kitu ya kwanza wakati wanaingia askari wanaingia nyumba yako lazima iwe na chief ama mtu ambaye amejulikana na hawa ili wasipeleke juu sababu ni hiyo sherehe mi nimesha ingia hiyo kazi ya sherehe hiyo na ninajua maoni yake sasa unaona nyumba yako imekaguliwa hata unawekewa kitu silaha na baadaye unaambiwa hii kitu ni yako na wewe hata hujawahi kukaribia hiyo kitu.

Mimi naendelea mimi nimefanya kazi ya ukoloni zamani nikiwa askari. Tangu ukoloni ameenda sisi hatujapatiwa ukoloni hatupatiwi sisi ninyi haki yetu. Mzungu amehama na haki yetu lakini nanyamaza kuna wengi ambaye amefanya kazi ya serikali pension na ingine hizo walienda nayo waliuza kazi kidogo sana (inaudible)----- tunataka hiyo walipe hiyo pesa yetu serikali aulize hiyo Uingereza pesa yetu maana tuko na haki. Inginge sisi tuko na sheria yetu kitabu ya Islamu kitabu ya Koran ametungwa zamani za kale sinaanzisha sisi hapana tunga ama hakuna mtu ya hapa ya dunia hii ametunga. Wale manabii ambaye amesema neema ya mungu ameteremsha hiyo Korani ameweka sheria yote ya Islamu sa hii ikitajwa tajwa nasema badilisha hivi badilisha hivi abadiliki. sheria ya serikali ni sawa tuko pamoja na wengine lakini sheria yetu ya Islamu sisi tuko nafasi yetu kabisa hakuna mtu anaweza kuingilia sheria yetu hii sheria yetu inaendelea lakini Kadhi apatiwe uwezo zaidi kuliko sasa.

Com. Swazuri: Yaani sheria itambue sheria ya kislamu?

Ibrahim Hassan: Ndio ngoja kidogo ngoja nimalize. Tena kila nasikia kila wakati mabunge yetu natete katika parliament wanazungumza hoja ya inchi yetu ama kila mtu mahali amechaguliwa. Lakini kile kitu wanauliza inasemwa hapo hapo na hakuna kitu inafanyika hapa kwetu unawenza ona mbunge ameteta ameteta inchi yangu asaidiwe hivi asaidiwe hivi amechukuliwa hapo hapo na (inaudible)----- hakuna kitu imekuja naona kuna ubaguzi hapo. Nataka wabunge waheshimiwa kama wale wengine na hawa wapate haki yao.

Inginge nataka kusema ya mwisho ndio ingine nataka kusema ubaguzi ile tuko nayo nataka kuonyesha wewe kutoka hapa kufika

isiolo kuna barriers zaidi ya hamsini ifungwe hapa ifungwe hapa unaulizwa kila (inaudible) ----- hata shida ambaye ile wewe hauna unawekewa juu na kupita isio lo kupa t Nairobi katikati hakuna labda upate barrier ya police usiku hiyo hakuna shida lakini hii ingine ya hii mambo ya kusumbuliwa watu nasema barrier hakuna maana hakuna maana ni ajabu sana. Nataka kuongeza kitu kimoja ingine. Waheshimiwa hapa watoto wakisoma wakisha maliza shule hakuna kazi wanapata, hata yule amefaulu na yule ajafaulu kama hawa watoto ambaye amemaliza secondaries hawapati kazi watakuwa nini watakuwa shifta? uhalifu natokea hapo wanaenda inchi ingine wanakuja (inaudible)-----kila wakati (inaudible)----- wanazunguka mahali ingine. Kwa hivyo wale watoto ambaye wamemaliza shule wapatiwe kazi fulani hata ingawa National Youth Service naona National Youth Service amesa dia watu wengi sana area hii wale watu wanafanya kazi ten percent ni wale watu wamepitia katika National Youth Service maneno yangu nisha malisa asante sana.

Com. Swazuri: Mohamed Mahamud Mahalim hayuko? Mohamed Ali Isaack, Abdi Osman?

Abdi Osman: Hapana hapana sauti yangu inatosha. Okay mara kwanza nasalamia ninyi sababu tangu subui niko hapo bado ongea bado pata nafasi lakini ni Mungu napelekeea mimi na narudisha shukrani kwa wanainchi wageni yetu ni asante sana kupewa hii nafasi asalam aleikhum. Basi kidogo mimi nikisema ni jina yangu ni Abdi Osman na mimi ni mzee ya peace and development chairman, hapana vice chirman.

Lakini kwa wakati huu ni chairman, chairman yangu iko inje kwa hivyo nawakilisha yeye sababu mwenyekiti iko safari na kitu ya kwanza watu walipiga kidogo ugali na mahindi pamoja kwa hizo hali ya leo naangalia hapo lakini ni sawa kila mtu aliongea kiwango yeye ambayo naelewa ni namna iko ni hii. Namna iko kwanza ni kitu moja zaidi wanainchi na pia hasaidii serikali kitu naitwa chuki ni mimi binafsi nilifanya my service year yangu ya kazi ya serikali thirty three year nilifanya kazi ya serikali na ambayo unaelewa kama haina tube naweka kazi hiyo ya serikali na niliwacha nikiwa warrant officer ya serikali ambayo nandaika ni kitu gani naendelea kwa serikali ya Kenya.

Lakini kisimama hapa sitaki kuingilia sana serikali lazima nikule mfupa moja niache moja na ikiwa namna hiyo lazima niseme kitu nahusu sisi wanainchi wa North Eastern or wananchi wa Kenya kitu alihudhi sisi roho. Na kitu moja mi nasema ni namna nyi nakuja ni asante sana karibuni ni kwa inchi yenu ambayo hata kama tunakaa hapa sisi Wasomali na ninyi yote ni wananchi wa Kenya na sisi pia ni wananchi karibuni ni kwa inchi yenu tu. Basi sasa kitu mimi nasema ni hii ni kama watu walisema kidogo kidogo hapa ni iko msumbuko ni hapa Mandera uki angalia njia moja naweza kusaidia wananchi hata kwa mtu namaliza shule hata kwa kiwete hata kwa kipovu sababu ni mpaka zaidi mpaka analete pesa sana.

Serikali akitengeneza hapa air strip unaona ndege hata 707 inland hapa lakini serikali inajifanya kipovu shauri hataki wanainchi ya North Eastern na wajui kama hawa wenyewe najiharibu sababu asitoshe ndege hawesi enda Nairobi. Nachukua hapa kombi wanahama nyama frish hata Warabu kila kitu. Wakichukua nyama hapa sababu Somali hawana shamba pia iko na shamba ya kujisaidia ni wakupe mali yao sisi pia na Ethiopia na kweli kwa Kenya iko mpaka kama hiyo bila hata Mandera na kwanini serikali nafunika macho serikali afungue macho aangalie hiyo tunaomba government yetu. (Inaudible)----- hiyo ingine ile mimi nitafuatisha ni ukitembea ni population ya kama Turkana na hapa sisi wasomali sisi ndio mara kumi mingi kwa nini barabara kutoka Nairobi mbaka lodwar ni lami hapa kwetu hatuna kwa nini serikali najifanya kipofu na amba na kama hataki sisi apee sisi permit ya kuhama inchi ingine na pia aonyeshe sisi mahali ya kuhama kama ataona ngoja tafadhali ugonjwa itabaki kwa macho hapana angalia.

Wacha we msichana akuwe poleni wacha mama moja akuwe huko mgonjwa kwani tunaona daktari pekee yake na ukweli pia namna hiyo kwanini lodwar kutoka huko barabara ni lami na hapa kwetu hakuna je magari ngapi nabeba ngombe na gari ngapi ngapi nabeba ngamia mbusi kwa nini serikali angalie hapa. Hapana mwisho tena kitu moja ngoja wewe ulisema subuhi muonge dakika tano na mtu ya kuongea na mtu ya kutranslate ndugu yangu ni two minutes na thirty seconds uligawa na dakika hiyo ni ya mtu moja unaona subuhi nafinya sisi. Ngoja sasa okay sasa,

Inging ni mambo ya siasa kama Narok hii kweli nafika watu au population ya Mandera iko na minister sisi napewa MP kwa nini serikali nafinya sisi tunakosa minister moja tafadhali serikali afunguwe macho hatutaki mambo ya dim aone sisi na full lights. Waziri tunataka na peana (inaudible)----- mwenyewe Garissa pekee yake hii MP yangu hawezu kumalisia mimi problem moja aende office ya raisi mbaka ainamie minister ingine what for kwa nini tulichagua tunataka minister yetu nafikiri ile kitu nalete shida ni kila mwaka tunachagua KANU KANU ndio nalete shida. Basi kwahivyo nyingine police ngoja mimi nilifanya miaka thelathini na tatu kazi ya serikali hapana kazi ya army na ninalewa kila corner askari natakikana hata kama namna gani aweke namba ya police na AP pia iko namba aweke namba yao. Wakifanya maovu askari tu kicomplain hakuna namba nguo ni ya operation area ngoja kubali tunawajua operation area tukuwe level na wananchi wa Kenya.

Tunastajabika kitu ajabu askari akifanya maovu hana namba tukienda kucomplain ofisi namuambiwa huyu naanza kufanyiwa parade tafadhli fanya parade namuambiwa huyu alikuwa nakisha pitwa sasa kwa cabin ya magari na muambiwa lala nyuma ya pasia. Namuambiwa okey huyu alikuwa leave nyumbani na nakisha fanya maovu tunataka askari akuwe na namba. Haya ngoja mbili tu nabaki ingine ni hii hapa kwetu iko watoto nakisha soma one million najazwa hapa watu ya down country. Mimi mtoto yangu karibu sita namaliza form four iko C+ iko C- nakosa kazi najaa ofisi.

Hata kama hatutaki mambo ya majimbo serikali nanyima sisi previlage yetu atolee sisi mguu tafadhali awachie sisi chance tukae na kitako tuvune mvuno ya watoto yetu tuone kwa nini mtoto yangu hapana enda fanya Nyeri office hapa najaa watu ya nyeri hiyo ni kukanyanga sisi ingine ni mambo ya land tunachagua ma concillor angalia haki ya maskini tunachagua watu iko na njaa tunaomba mambo ya land maploti arudi kwa committee ya wanainchi hatuwezi kaa sababu macouncillor nanyanyasa sisi mbaya tunachagua maskini ya kusumbua sisi nauza maardhi na mama naka na watoto kumi pahali kwa hivyo asante sana kama mimi nakosa watu wasamehe mimi

Com. Swazuri: Haya huyo ni warrant officer. Aya maalim Mohamed hayuko Hussein Isaack hayuko Ahmed Bilo hayuko, Ali Mohamed hayuko, concillor Hussein ilo hayuko, Councilor Ali Maalim hayuko, Mohamed Ali hayuko, Shek Eunice hayuko, Bari Elmi hayuko, Concillor Alio Hussein, hayuko, Abdi Rashid Isa ndiyo yule pale huyo hapo ni wawili wewe naitwa nani? wewe ni Abdi Rashid Isa?.

Abdi Rashid Isa: Kwanza mi naitwa Abdi Rashid Isa nashukuru sana kwa kuwatemeblea kwanza sisi hapa Mandera na pia naunga mkono vile watu wengi hapa wandugu walisema. Naunga mkono vile sasa wenzangu walisema, kwa vile ambaye waliongea kwa upande wa (inaudible)----- na upande pia kipande. Ya pili tena ni ile ya land ambaye watu waliongea pia wenzangu hapo kuna watu ambaye wanakuza maardhi ya wazee ambaye amaka mia moja na mbili ambaye ni clerk council kwa hivo kitu kama hiyo kwa katika hii katiba sisi hatutaki na ingine tunataka Kadhi yetu ya hapa Mandera apewe vifaa ambaye inayetosha ambaye anaweza kuhukumu naye na tunataka Kadhi awe na (inaudible)----- si ati ni Kadhi tu ambaye anajua Kiarabu peke yake lazima awe amesoma na sheria kwa hivyo ni hayo sina mengi ingine ya kusema ni hayo tu.

Com.Swazuri: Abdile Alafa, hayuko? Ali Abdi Maalim huyo mzee hapo.

Ali Abdi Maalim: My name is Ali Abdi Maalim I am from Mandera township and I would like to give two questions across. The first one is the Constitution allows freedom of worship of any religion of your choice if that is the case. We the Muslim community of Kenya we like to practice that religion and the Constitution of Kenya to allow us to have Islamic bank for the Islamic bank because there are very many investors who would like to come to Kenya and invest in Kenya and give the service.

I mean loans to muslims or non muslims of Kenya origin so we want to we would like you to right that programme so that in future we have some facilities that is one.

Two is we have been told that ninety five or ninety eight percent of the community North Eastern are pastoralists maybe five or three percent are farmers. Farms along the Dawa river from Bipo one up to down though the river is a seasonal river this water plays to eight or nine months of the year so we use irrigation. We would like the government to recognise us so that NGOs come and assist us in technical and other facilities. And also to market our produce I remember some time back I harvest the maize from my farm and I took them to the cereal board they told me that I told them to buy and they told me no such constitution that will allow them to process my maize I had to dispose them just in the market because I had it for almost six months or over.

So please this maize coming from may be some times they come from abroad we would like some something to be done about it the other one is about presidential actions. The president should be below the law should not be above the law. His elections should be separate from other elections I mean MPs and the local council and I think any president any person who gets more than fifty percent fifty point five percent should be declared the president of Kenya and not subject to seven I mean (inaudible)----- of province then this there is somebody from a form four or a graduate so that we don't have hiyo lack behind in economical you know (inaudible) ----- finally also the local government the local members local councillors should be a person of form four and not below because they will also be lagged behind thank you very much.

Com. Swazuri: Bima Hassan hayuko. Kuso Abdulahi Abdi Rahiman hayuko, Mohamed Ali Adam hayuko? Adan Haji Bonja business man hayuko? Abdilahi Yusuf Ali hayuko? Abdi Adan Abdi hayuko Abdi Salat hayuko Ismael Mohamed elder haya huyo Ismail Mohamed Omar Mohamed chief hayuko? Ali Ibrahim Isaack hayuko? The kadhi this one you tick he has already spoken Hussein dis hayuko ametoa Ishmael a Ali hayuko Ahmed a Ahmed hayuko Amin Sheik Adam haya huyo mpatie.

Amin sheik adam: Mimi taongea kwa lugha ya Kiswahili mimi naitwa Amin Sheik Adam na ni mwenyeji wa hapa Mandera township kwa vile ningependa kupeana barua na nitasoma tu chache kuhusu yale niliandika.

Cha kwanza ni kuhusu Judiciary kufuatana na ile kitabu tulipewa Judiciary hasa nitaongea juu ya kidogo Chief Kadhi ama kadhi nikisema chief kadhi itahusu pia Kadhi wetu hapa kwa vile tunajua sisi wenyiji wa hapa North Eastern ni Waislamu na inafaa iheshimiwe na watumie sheria yao. Basi tunaomba serikali isiangalie mtu ukisema ati anataka kutumia mila yake kwa jicho mbaya bali nchi kama Nigeria ambaye ni Common Wealth wamekubalia maprovinces ama majimbo zake zitumike zitumie sheria ya kislamu kwa sasa tunaona childrens home itaondoa uwezo ya kadhi tunaomba serikali isifanye hivyo mbali ifanye nguvu uwezo ya Kadhi, Kadhi pia awe mtu amekwami mtu ameilewa ako na elimu na mtu anafaa ipasavyo cha pili basic rights mimi taongea kitu ambayo haijaongewa na watu wengi lakini naona ni muhimu hiyo ni information I mean basic rights kwa wakati wa sasa sisi tukiwa watu wa North Eastern hatuna fursa ya magazeti umeshuhudia ukusikia KBC sasa badhi yetu

wakijaribu kufanya hii kazi ya kuelimisha watu.

Kwanza magazeti inafaa wazaidiwe sana kwasababu watu wa sasa serikali imesema cost sharing hapa hakuna Information Officer na offisi yao kuna secretary moja sisemi hiyo kukashifu lakini ni ukweli na ni cost cutting ya serikali kwa hivyo inafaa serikali isaidie wale watu wataanza NGOs ya kuelimsha watu kwa vile wakati wa sasa serikali imeenda kinyume nikisema hivyo ni ile sheria imeweka kwa bunge kikinyume bila kujulisha hawa yaani tuseme mtu akitaka kuanza magazeti yake kidogo lazima aweke pesa hundi nono na shida zingine ya journalist kwahivyo tunataka serikali izaidie watu sana kwanza library ipanue mobile library na isifanye hiyo sheria irudi kutoka kwake ibadilishe and that was just in short the other one is kuhusu education yetu hiyo ni mwisho.

Education yetu naoni si is not friendly where by even in the school there are 4Kclub wanafundishwa mambo ya ushambani je? Kwanini hawafundishwi mambo ya ukulima kwanini hapana ita mtu kama Daktari Korar ambaye anajua kutibu hizi mifupa kwanini hawaleti mzee naitwa mi naita yeeye Daktari Shabeno ambaye wanaweza kufundisha hao mambo ya mamiti na kujitafutia kazi ni mzuri serikali imeona sasa uzuri ya daktari ya miti shamba kwa hivyo naonelea vijana wetu kuanzia utotoni kufundishwa mambo ya pastrolism na elimu ya kikwao hapo nashukuru wanainchi na wale macommissioners ambaye natembelea sisi karibuni asante.

Com.Swazuri: Sasa tunaenda kwa Abdi Asisi hayuko, we unawajua wote I don't need it any way thank you. Mohamed librahim hayuko? Abdi Baraka osman hayuko Suleiman Mohamed. Haya ni wewe haya haya we ni mtu wa mpira? KFF haya.

Suleiman Mohamed: Thank you commissioners mimi kwa jina naitwa Suleiman Mohamed Isaack. Ningependa kutoa maoni. Haya kwanza ni swali kabla sijatoa maoni yangu na nafikiri I am not mimi siyo professional lakini kwa Katiba nafikiri Kenya imeandikwa it's a Christian state imeandikwa dini gani kwa hivyo kama kulikuwako Kenya imeandikwa Christian state ndio ningepinga kwa maana tuko na thirty percent of muslim population (inaudible) ----- wale hawana dini ni (inaudible)---- Wakristo ni hamsini kwahivo hatuwezi kusema Kenya ni Christian state.

Ya pili ya kwanza president must be executive kwa maoni yangu and he should be not above the law. Na mimi nasema hivi mtu yeoyote ambaye anachaguliwa awe rais awe bunge awe concillor ama anashika mamlaka kubwa kubwa katika serikali ile mtu hakuna dini asipewe cheo yoyote hata kama ako na masomo ya aina gani kwamaana mtu akiwa na dini ako na imani Fulani, awe ni Mkristu awe ni Muislamu iko mpaka fulani itamkatazia azifanye maovu ile angetaka kufanya. Kwa hivo mtu kama (inaudible)----- kama Richard leakey no.

Mambo ngine mimi nataka powers for minister of local government iwe reduced kwa maana tunachagua madiwani tunakuwa na county council tunakuwa na town council kwa sababu fulani ambaye isiyojulikana minister amaamuka ako na uwezo anasema hiyo cuncil nimefanya commission kwa hivyo those powers tunataka iwe reduced kwa maana wale nafanya commission ni wale wamechaguliwa kama yeeye. Ya tatu tunataka parastatols head kama ambassadors wakiteuliwa waletwe kwa bunge bunge ipitishe sindio sa hii mtu akuwe ambassador ama akuwe managing director ya parastatols.

Ya tano Kadhi alikuwa amesema hiyo maneno our environment imekuwa distabed early nineteen eighty kuna exploration company imetumwa hapa hafikiri hii hall ni zaidi kuna zehemu katika wajia district inaitwa hadado na harjida mtoto amezaliwa tangu hiyo company ilikuja yaani wanachimba ardhi ikifika kiwando fulani Wafrika wote wanasywa kwa gari wanajaa msito hiyo mahali leo mahajabu kwa maana sisi we are marginalized area hakuna press wana tu cover utakuta mtoto hana hii mguu

hana mkono uso moja hakuna anaye zaliwa na ile mahali hiyo kitu imewekwa hata nyasi ilikuwa samani inatoka hakuna kwahivyo kuna toxic gass kwa hivyo tunataka Office of the President and Minister for Energy to compensate for those damage ambayo wamecause. Ile mambo ya Masakas ya Wagala Malgamari naungana na wale waliongea mbele yangu tunataka compensation.

Mimi nikiwa hapa mkaoa hii mimi ndio senior vice chairman KFF branch kuhusu kitu ingine Kenya imetudhulumu yaani the smallest thing kama sports mtu anakimbia mguu yake ndio inaletea kitu mpira mtu nacheza mguu yake ndio naletea kitu Kenya imetufinya imefika kiwango ya kutufanya we don't have even one permanent stadium in North Eastern province. Na utakuta Onyango Wafula hata siku hizi iko Karanja anacheza mpira why not Abdi Mohamed Suleiman international sport, Harambe stars.

Hii yote ni njia ya kufinya sisi chini kwa hivyo Ministry of Sports pia imetuneglect kwa hivyo hiyo huduma ambaye imekuwa facilities kama (inaudible)---- imefanyiwa down Kenya tufanyiwe mpaka hapa. Okay nataka local authorities iwe empowered vile walisema asubuhi tunataka hii kadhi akiamua kesi mbaya tunataka at a national level kama tuko na Kenya Court of Appeal tuwe na Kadhis Court of Appeal huko Nairobi ambayo inauwezo sawa na ile Kenya Court of Appeal. Na mambo ingine hii mambo ya polling station, mimi kwa maoni yangu tuseme kama Mandera DD ni polling station, moja hapa nataka kama wanainchi wakipiga kura asubuhi jioni ikifika hiiyo saa kumi na mbili ikifungwa hiyo masanduku sisafirishwe. To avoid corruption hizo kura zihesabiwe hapo hapo kwenye each polling station to avoid riging hiyo ni maoni. Yangu. tafadhalii ngoja mimi nasema qualification MP to be from form four and above qualification ya kwanza Kenya timesumbuliwa kielimu zamani tulianza na Cambridge tulifuatanisha E A C E tena sijui G G E sasa K C S E 8-4-4 system kwa hivo a councilor wa stardndard seven up to form four graduate hawezi kucontest. Hiyo ni maoni yangu na jambo ingine North Eastern should have equal constituency ambaye Central province iko nayo kama Central province tatu constituency sisi North Eastern tupewe tatu because we are twenty five this province is bigger than Central Province jambo ya mwisho ambayo siyo ya mwisho kabisa mimi naomba hii wabunge wamejitetea kama (inaudible)----- na wenzake wengine wako elwak na huko tatara salary yao wameongesa three hundred sijui something percent wanachukua pamoja na allowance sijui wanagonga million moja na kitu kwa mwezi why not (inaudible)----- ambaye huwa always next to your people mama mtoto wake akigonga mwingine anakimbia kuomba msaada police anataka shauri ile (inaudible)----- wanataka kitu kidogo tunasumbuliwa kila wakati kwa hivyo tunataka mshahara ya madiwani pia watolewe kwa consolidated fund.kwa hayo machache nasema asante.

Com.Swazuri: Asante sana Bwana Suleiman kwa hayo mengi sana Birie N Hassan, Abdi Boru Guyo, Abdi Osman S amesema concillor Abdi Abdilahi Noor hayuko? Bishar abdilahi.

Bishar Abdilahi: Mimi pia ningetaka kutoa maoni mi naitwa Bishar M Abdilahi. Ya kwanza sisi katika inchi huu ya Kenya tuko na uhuru ya kuabudu na vile mwingine alisema we are not allowed fully to practise so we want a full profession that first of all the muslim to practise its religion to hundred percent kwa sababu nikiwa nasema hivo tuna Islamic sheria ambayo inaitwa inatuamuru. So mtu yejote ambaye anavunja sheria ya Islamu kuna forbidden act katika sheria sisi tunataka kuchunga hiyo sheria zaidi kuliko macho yetu.

So ya kwanza ni ku tunarecommend Islamic Sheria Court iundwe katika constituency ya Kenya which shall be maintained by professionally learned Muslim scholars ambaye may be ni Kadhi na mpaka Chief Kadhi which has the same powers like the

Chief Kadhi in Kenya. Kuna sheria ambaye katika Islamu ambaye ina iko na kuuwa ni tatu may be mtu aki commite adultery, zinaa na mtu akiuwa mwingine na mtu akirudi kwa dini. Hiyo watu tunaamuriwa kuuwawa katika public forum, so hii ikitimiswa katika sheria ya Kislamu I think the whole muslim environment ama community ama kwa kilugha ya kislamu tunasema lebusha it should be cleaned so tuwezi pata kitu ambaye inalete madhara katika jamii kwa hiyo dini ni uhai ikitimiswa hayo tunasema tutakuwa na uhai nzuri na maisha nzuri.

Ile ingine ni kushapa viboko watu ambaye hawajaowa wakizini hiyo ni viboko themanini ama mia moja. Mtu akiiba anakatwa mkono, hiyo sheria ikitimiswa katika jamii hiyo environment na jamii yote inakuwa safi unaweza weka duka yako ikiwa imefunguliwa unaweza tupa kitu Fulani haiwezi bebwu na utapata uzalama ya kulala na kuamuka hiyo nafirkiri ni maombi katika jamii yote ya waislamu katika hiyo. So tunaomba katika Commission Review Ya Kenya kama hiyo sheria ya islamu haijapatiwa hata katika province moja kama Nigeria tutawadhulumu kama tumedhulumiwa miaka thelathini na tisa so hiyo ni maombo kwanza kulikwa mkumpa maji ama dawa ama kitu ingine tunaomba hiyo implementation ya Islamic sheria court number one.

Ya pili ni ile kidogo kidogo ambaye tuna that was our private number one secret ile ingine ni ya kwamba tuwe na university moja katika mkoa ya Kaskazini Mashariki. Wacha tuwe na university moja because university hata imekataswa ile Mombasa. Tunajua kama unajua historia ya education hata kupata university moja ya Coast province imekuwa matanga so tunaomba university moja katika North Eastern province. Ya pili tunataka security Committee members wa elders waongezwe District Security Committee Provincia Security CommIttee na national Security Committee elders wazee ya usalama waongeswe katika hiyo kamati. Katika sheria ambayo inaendelea yaani katika utetesi yaani kwa upande ya akina mama iko watu wameanza kusema ati mwanamume na mwanamke iko sawa katika sheria ya Waislamu.

Siyo sawa hiyo lazima pia itengwe kando katika hii wakati ya rekebisho ya sheria iko watu natetea ziyo hapa lakini iko wengine inchi wanatetea hiyo wakina mama yetu hapana tetea lakini kuna sehemu zingine inchi wana anza kutetea hiyo that men and women are equal we are really objecting at the results. Sisi pia tunaomba passport itolewe katika wilaya kama inatolewa kama kipande ya tatu ya inne ya tano. We want a remand home ama approved school established in any district in Kenya, kwa sababu other (inaudible)----- made for female wako na prison lakini fifty percent of the population are children which are young offenders sasa hatuwesi kuwa na cell ya watoto wamekuwa wakorofsi wamevfunja amri na (inaudible)----- inakuwa ngumu so we want approved school and a home for each district because in the intireprovince ya North Eastern province hakuna approved school mahali ya watoto kuwekwa so tunaomba hiyo.

Niko na mbili ya mwisho tafadhalii. In order to start a Local Government tuko na Central Government na Local Government mi ningi propose wizara ama Ministry kama ambaye ina provide social amenities like survey public works, water, provision of water, health service, education na social services yote ikuje chini ya Ministry of Local Government ili funds ikuwe centralized katika local government if it is taken to the centre ya local government I think ya those departments kama ingekuja chini ya local government tunge prioritise know all our needs na hiyo kama zamani ndio tunapata education ilikuwa chini ya Mandera County Concil na hizo tulikuwa provide desks walimu ama nini, support nursery teachers, a lot of things. We wanted all these ministries ambaye inasupply social amenities ikuje chini ya local government.

Ya mwisho ningesema ofisi ya CKRC katika district isiwe temporary kwa sababu kama mtu anataka amendment fulani katika sheria, sasa tunasema commission inaangalia review ya sheria katika mda huu ya miaka mbili, does it mean that commission ama

ammend ya sheria itakaa bila? So tunaomba kama wanainchi wanataka amendment fulani katika class fulani ama section fulani ya sheria tunaweza pitisha memorundum yetu ama malalamishi yetu katika CKRC office district co-ordinator. So tunaomba sheria ya Kadhi itengwe yaani kuestablish that office ya CKRC katika district permanently. So I think ile ingine ni moja ya defection ile party tunaomba kuna wakati election ya parties, kama KANU election inakuja, members ya Ford Kenya what do you call it Ford Asili all those things and people are trying to involve in that election. ikikuja ile ya Ford Kenya pia kuna ile watu wa kanu tena wanapiga kura. So we are really there is no boundary between who is in which political party and which so we wanted vegetation ya political party iundwe katika inchi ili ile mtu akitaka kudefect ni may be kuna outlined ama terms of a you know conditions and penalties maybe ingepatiwa mtu kama hiyo so may be that is the last part of it. Thank you very much.

Com.Swazuri: Abdilahi Dis hayuko? A. R. A Abdula.

A R A Abdula: Sasa mimi yangu ni chache kwasababu wakati imeanza kuingia usiku sasa. Mimi ya kwanza nataka kuzungumza juu ya local government mambo ambayo inanihusu na pengine inahu wengine. Mara mingi mnaskia kwa gazeti ama radio kuna tofauti ya uwezo kati ya maofisas ya local authority na madiwani. Hiyo shida imeletwa na katiba kwa sababu katiba inasema the (inaudible) ----as chief executive officer at the same time anatuambia chairman na ma mayor ni ceremonial. Kama kuna ile ingine anaambia mayor wewe ndiye mkubwa sasa naona watu napigana hapa.

Tunataka sheria ambaye inadumu katika bunge wakati huu si tuko na speaker ya bunge na tuko clerk ya national assembly wanaishi pamoja na wanafanya kazi pamoja kwa sababu kila mtu kazi yake imekuwa defined tunataka sheria ambaye ina define kazi ya clerk na kazi ya chairman ama mayor. Kupata kwa hiyo defination I am proposing sheria itengenese what we normally call Local Government Service Commission. Badala ya public service commission ama Judicial commission ama National Assembly sijui something commission service commission we want Local Government service commission ambaye kazi yao ni kuajiri officers wa local authorities kuangalia mambo ya mishahara ya madiwani na other functions within the Local Government. Pia tunataka minister wa Local Government asiwe na uwezo ambayo wako nayo wakati huu ya kuvunja local authority ama kubuni local authority ambaye faida ambayo pengine hakuna feasibility study ambazo ni muhimu ambayo amefanywa ama kuongesa ward kama walifanya nineteen ninety seven ile ile (inaudible)----- inalete shida nydingi kwasababu local authority

initially the purpose is to render service, lakini sasa wacha mambo ya service hata wameshindwa kupata mshahara ya staff na allowance ya madiwani.

The next point wa bunge ni watu muhimu sana ambaye ni watu wanachagua ili wawakilishe hawa katika hii sheria ambaye mnatengeneza sasa. We want MPs to be in ama apatiwe immunity we don't want Mps to be harass by police wakati wanatetenia haki za watu ambayo wamechagua na tunataka sheria itengeneze ya kwamba station ya bunge iwe televised ili wanainchi wajue ni bunge gani analala katika chamber na gani anafanya kazi it should be televised ama iachwe kwa radio mbunge ulani ameshindwa ili tujue bunge yetu bado enda kulala.

Ya tatu polling stations ama polling day mambo ya uchaguzi hii mambo ya kusema uchaguzi ni siku moja inalet shida nyingi sana kulingana na umbali ya sehemu ambayo tunakaa tuseme mtu ambaye iko karibu (inaudible)----- alafu we unachunga mali iko mztuni hawezi kutembea the whole day alafu pengine afike kuja kupiga kura naona watu wetu wengi wamepotesa kupiga kura sababu kusiku ya kupiga kuraani si wao tunataka at least watu wapatiwe wiki moja kupiga kura one week. Mimi nikipata nafasi leo niende nipige kura huyu akiwa na shughuli ingine afanye shughuli yake leo alafu kesho aende apige kura. At least watu wapatiwe nafasi ya kwenda kupiga kura si ati muambiwe kwani powers bado fuatwa mnafungua mlango.

The third one nakubaliana na wale wanasema election ya president awe kando na ile ya bunge na madiwani kwasababu at one time we don't want I mean power vacuum alafu election president iko kwa uchaguzi na kwa hivyo huko kwa uchaguzi naletet vacuum lakini infact question is still siendelee tunataka chief justice awe incharge at that particular station when the people are doing election for the president.

Jambo lingine mi nataka madiwani ipatiwe pesa kutoka Consolidated funds local authority cannot pay Concillors anymore. Hiyo pesa hakuna wanainchi ni maskini wanapata relief alafu anamuambiwa lete mshahara ya staff mia moja na madiwani mia moja hatuwezi patiana because kwa nini hii hata wewe unajua Mandera we cannot raise ten million per month Mandera district sa hii Mandera County council cannot raise ten million to pay concillors plus the staff so if it is realy the government mindfull of our civic leaders let them pay from consolidated fund. Finally I want Constitution Review Commission to be as parmanent as the Electrol Commission or African Commission or this funny commission in the country. Thank you.

Com.Swazuri: Asante sana boss maneno yako ilikuwa precise kabisa. Ali A Simale, Hussein Adam Noor tumesema hayuko. Noor abdul Ahmed, Mohamed A Sheik councilor, Mohamed M Ali Youth for Peace Ishmael Gumo Gumoe. Mohamed Maalim, okay Mohamed Maalim, Adam Hussein Malo si umesha zungumza wewe? Bado haya patia huyo.

Adan Hussein Malo: Okey mi naitwa Adan Hussein Malo (Gara dialect)

Translator: Anasema mambo mengi imezungumzwa hapa leo.

Adan Hussein Malo: (Gara dialect)

Translator: Hana mengi kuongeza kwa yale alizungumza asubuhi.

Adan Hussein Malo: (Gara dialect)

Translator: Anasema watu ambaye wanajiita viongozi wako wengi sana katika wilaya hii kushinda hata mamiti.

Adan Hussein Malo: (Gara dialect)

Translator: Anasema yule mtu amekonda sauti yake hasikiki.

Adan Hussein Malo: (Gara dialect)

Translator: Ye nasema police nasumbua watu sana.

Adan Hussein Malo: (Gara dialect)

Translator: Anasema machiefs wakati wa kutoa kipande wakati watoto wetu wanapiga line hawaangalii wanaangalia watoto wa inchi jirani.

Adan Hussein Malo: (Gara dialect)

Translator: Anataka uwezo ya machief ipunguswe. Chief aje chini ya wananchi.

Adan Hussein Malo: (Gara dialect)

Translator: Anasema akiwa nachunga ngamia askari walizingira hiyo ngamia yote na kufiatua risasi. Mbaka sa hii kuna msichana dada yake mbaka saa hii hajui ako wapi pamoja na iyo ngamia mbaka wa leo.

Adan Hussein Malo: (Gara dialect)

Translator: Baba yake huu nasema baba yake wakati alipoona muschana amechukuliwa na ngamia imemalizwa alipata wasimu akatoroka akaingia Somali akaanguka ndani ya mto akafufa huko.

Adan Hussein Malo: (Gara dialect)

Translator: Anataka sheria ipatikane ya ku compansate hiyo shida iliyo pita.

Com. Swazuri: Haya mwingine ni Abdile Abdilel Bilow hayuko? Mohamed Noor Kenya National chamber of Commerce. Adan Hassan hayuko? Hussein Gabu hayuko? Galma happi ameenda Abdi Nasir Halif, Fara Dahir haya huyo.

Fara Dahir: Asante sana kwa kunipa nafasi hii mimi ni Fara Dahir Arab hapana ile arap ya Kikalenjin lakini lakini p ningependa kuongesa kidogo ambao wanainchi wamesema ndani mengi ya kuwa mambo ya screening card itupiliwe mbali. Lakini kabla hajatupiliwa mbali ningeomba sheria mpya iweke maanani waliolete hiyo screening card kwetu waletwe mahakamani kama rais na ile PC Yussuf Hajji alilet hiyo swali waletwe mahakamani kwa kuwa wametusi haki yetu kwa kuwa sisi hata sasa hii ni commission na where by sisi hapana wanainchi kama nyinyi sisi ni third class citizens hata ile MP inakaa hapa saa hii ye iko kipande mbili na Nicholas Biwott (inaudible)---- nabeba kipande moja ye ni MP gani. Sasa kwahivyo hiyo rais aletwe mahakamani hata kama ni years wakati itakwisha kwa kujibu hiyo swali.

Ya pili Masaka ya Magala Malkamari mimi hasa natoka Malgamari na wakati mahali watu walikufa ile watu yote wangu walikufa huko na mali ilikwisha na ilifanywa na jeshi la Kenya na hakuna malipo ye yeyote juzi hata Wakalenjin na Wakisii wana manamalisana millions millions inalipwa kwa nini sisi hapana lipwa. Kwa nini sisi hapana lipwa tunataka rais alete total authority serikali hii. Kwa nini sisi hatulipwi hii ni njia moja ya kufunya sisi na hata sasa tunaamini hii commission ya tena inaendelea bado tutafinywa zaidi tu hata hii Commission hii, hii unaona tutafinywa hivyo hivyo tu. Ni maoni yangu Bwana Commissioner na vile ninaamini kama ni gurantee ya kuwa tunataka ile (inaudible)---- Malkamarey Wajia na Garissa zaidi ya watu elfu kumi wamekufa na wameuwawa na bunduki na jeshi. Ngamia karibu elfu sitini hiyo ni million kadha hata naweza lipa askari ya Kenya jeshi yote mwaka nzima.

Tunataka hiyo malipo kama ukweli serikali iko na itatuweka maanani ya kuwa sisi ni wananchi. ambayo inakodisha denge ngoja bwana unapoteza saa yangu. Umesikia asante. Ya tatu geresa nataka geresa ya wanawake iwe kando kuliko ya wanaume na wachungwe na wanawake hapana askari ile wanaume wananyanganya wanawake ile bidha yao kwa nguvu au

kunyanya. Ya inne university sisi anaambiwa tunasoma tunalipa pesa hakuna mahali tunaenda. Hatupewi hiyo chance hata ya university na watoto wamepita. Tunataka sheria mpya university tupewe kiwango kama watu wengine university kama apana, tutupilie mbali hii maana ya elimu yote katika hii province.

Ya inne hakuna kusema ati ile kiwango inagawa kila kitu inaenda kwa katika hii province tuko na MP kama kumi na moja na nne ile iko maana yote natoka garissa kila kitu natoka garissa ambayo ni province tunataka hata kama ni office of the president hata kama ni minister nominated MP lazima tupewe tuketi kitu moja. Mandera ipate moja Wajia ipate moja Garissa ipate moja. Hapana kusema kila kitu naweka we, hii watu naharibu wakati yangu. Kila kitu nawekwa Garissa yakuwa resorce man ni yeze waziri ni yeze DC ni yeze. Sasa tutaongea sisi watu wa Mandera nini hata hawa wengi yako utalaumu bure hawesi jua swali yote hata DC ni hawa.

Moja nabaki tafadhali baado ingine DC sheria mpya hii tuwekewe maanani ya kuwa hatutaki mtu yeoyote ambaye hatatoka kuja mahali ingine kufanya. Watoto wetu wamesema wapewe mamlaka ya DCs and PCs ikiwa anatoka murang'a ana kuja anakuja hapa (inaudible)----- anapora pesa inaenda DC anaenda kujenga Kisii na tunagojea ati million kumi tumepewa na serikali naanbiwa fanyeni kazi millioni kumi yenu na million kumi DC amechukua. Wewe ukienda dc permanent secretary tena ni Mkisii utaenda wapi ukistaki hiyo DC.

Com.Swazuri: Imeisha dakika tano yako imeisha Mimi nahesabu hapa usione nasema tu. Tafadhali sawa haya asante. Hiyo tumeschia tumeschia hiyo haya asante andika majina yake huyo mzee haya ngoja Ali Osman Omar Ahmed S Hussein dakika tano tafadhali ee.

Ahamed S Hussein: Assalamu aleikum, Mara ya kwanza ya kuomba tunataka kitambulisho tupate na kazi. Ya pili tunataka ile mtu ambaye amechaguliwa mara ya kwanza ya pili asirudi kama ni bunge kama ni president kwa sababu wenzake wakule maanake sisi wote tunataka kula, hata sisi tuko na njaa. Mara ya tatu kitambulisho tufanyiwe kama passport ya kwenda kila mahali. Akubaliwe kupanda hata kama ni ndege na kwenda kama Ulaya. Kama unataka kwenda tubadilishiwe ya kufanya ya kwenda.

Ya tano tunapenda ile wakubwa yote ile imeandikwa na serikali asikae, baada ya miaka kumi. Atolewe awekwe mwingine nafasi ten years retire apewe ingine, awache mwengine haya. Ya inne tunaomba ambaye sisi ambaye hatuna kazi ile serikali hata kama amekosa hafasi ya kupatia sisi apatie sisi pocket money kidogo andikie sisi yaani welfare kidogo ya kulisha watoto.

Ya sita ya mwisho tunaomba ambaye ile ambaye kina mama ile wako na yatima yote ili wazaidiwe waandikiwe kitu ambaye ya kuelimisha watoto yake. Kitu kama fifty bob. Ya mwisho naomba ile wazee wajiwezi ambaye wako nyumbani yote ama wale ambaye hawaijivezi yote ili wapatiwe mzaada kwa pande ya serikali.

Com. Swazuri: Baya Hassan Ibrahim Hassan. Okay patia huyo mzee.

Hassan Ibrahim Hassan: Ah mimi naitwa Hassan Ibrahim Hassan. Kutoka mji hii ya Mandera Central location in Central division in Mandera district of North Eastern province na mimi ningetaka kutoa maoni zangu ifuatavyo. Kitu ya kwanza mimi nataka naomba sheria yetu mpya itunze ardhi yetu ambayo imetengwa bila kazi, kama vile ardhi kubwa ambaye inakaa kati ya Wajia na Madokashi kama ambayo inaitwa Wazo Irrigation ifunguliye Wazo Irrigation Scheme, katika hiyo area, ili tupate kazi katika hiyo area na wanainchi waweze kujizaidia kutokana na mapato kutoka hiyo area.

Ya pili mimi ningetaka Serikali yetu tukufu katika hii sheria mpya itie maanani kabisa haki ya vijana haswa youth groups na

wafanye wahusike na kazi ya Jua Kali na serikali isaidie ili vijana waweze kujizaidia bila badala ya kungojea kazi kutoka mkono ya serikali pekee, na kwa kufanya hivyo, mimi ni maoni yangu ya kwamba watu wengi watawenza kujizaidia na wasaidie wengine wenza. Mimi naomba serikali yetu tukufu katika katiba hii mpya waelimishe watu wawe watu ambaye hawajasoma kwa vile ile kitu inatusumbua sana hapa hata vile unaona leo hapo tulikuwa tunazunguma mambo nyingi sana na ile mambo tunazungumza hapa tunasema tunafanya constitution review na constitution review kulingana na vile mimi nafahamu, constitution ni ile sheria ama kitu ambaye tumetunga hii na kuweka ili tuongoze na wanainchi.

Lakini tunazungumza mambo ya human rights, watu wengi wanacomplain juu ya haki ambaye siyo kitu ambaye imekuja kutoka naomba katika katiba yetu mpya iangalie kardhi na wakaaji wa Kaskazini Mashariki kwa makini ili watu wasisime tena tumesahauliwa ama tumewachwa nyuma na Kenya zingine. Asante.

Com.Swazuri: Adan Galie hayuko? Ibrahim Mohamed Abdi KANU youth winger hayuko? Sangas Ahmed Lakicha amezungumza, okay Suleiman Halif Osman, Adam Abdile mzee haya.

Halif Osman Adan: Ninaongea kidogo tu si wengi na ninaongea kitu wawili pekee yake siyo mingi. Jina ninaitwa Osman Adan. Wanainchi wanaongea mingi sana upande ya kila mahali lakini iko kitu kidogo ambaye amesahau lakini yangu ni upande ya watumishi wa serikali katika North Eastern ile taabu ambayo tuko nayo. Hii watu wako na shida kubwa sana. Kitu ya kwanza ni kuwa inatoka kazi inatafuta haki wanahangaika sana katika ofisi kuu ya Nairobi ikiwa napata jeraha iko gari ilifunika au napata jeraha ya risasi wanapata taabu kubwa sana. Hakuna mtu yote ambaye naangalia shida ya hawa au anashughulika naye shida yao. Mtu ye yeyote au gari ye yeyote ambaye wanafanya kazi katika North Eastern province wako na shida kubwa sana, ambaye kuangalia yao ni ngumu mtu navunjika napeleka gari napelekwa hospitali imetupa watu wanaenda naenda zao wanawacha huyu mtu, hakuna pesa, hakuna jamaa ambayo wanawachiwa hapo, inawacha kama iko hospitali sasa huyu mtu wako na shida kama hii.

Wale watumishi wa serikali katika North Eastern. Hasaa wale wanataka kazi kupata haki ni ngumu. Unaona mtu miezi sita nakaa kwa ofisi.

Okay ya pili tafanya mfupi saa nakwisha ardhi yetu hasa upande ya Western wako na taabu ya energy watu maji hakuna (inaudible)-----, hakuna dam ambayo inachimbwa. Watu wako kutoka hapa mahali naitwa Rapito mbaka Sirkafa, iki kosa kunyesha mvua wako na matatizo sana ya hii maji kubwa sana. kwa hivyo saa nakwisha nitafanya mfupi. Good bye good night.

Com.Swazuri: Na hapa town hakuna shida ya maji hapa Mandera iko? Mbona hamusemi mnasema Takaba tu na hapa mnanyamaza? Okay Yusuf Adam alizungumza huyo? Lakicha alizungumza? Okay moha. Wengine bado Bwana Mohamed Madei Ibrahim. Haya tunaenda kwa nafikiri huyu pia alizungumza Adan Abdi Isaack, Abdurahim M Hassan ndiyo huyo hapo ee mna mkatia na yeye mwenyewe yuko? haya.

Abdurahim M Hassan: I am called Abdurahim I will be short and brief to the point naitwa Abdurahim M Hassan nafanya na Idara ya Judiciary, So ningependa kutoa maoni yangu ifuatayo: First that Kenya should retain the military system as we are currently we should retain that. Secondly and the executive. The president should be declared the winner on gaining sixty one percent majority votes percent. Secondly on the president appointment to commission offices that is parastatal heads and all this high appointment, application should be advertised, jobs should be advertised then application received by members of parliament (inaudible)----- and the president.

Appointing on the ministerial ministry, ministerial post should be sticked to not exceeding sixteen member and minister who are appointed in the post should be people who are learned for the fact to be appointed. For parliament sorry and president before he is elected after election he should declare his right, he should declare his action and should not should be a form four leaver. And finally that is on the Legislature. Members of Parliament should declare their assets immediately after elections they are declared the winners. You know before election how do you know who he is. We don't know who he is. He should declare his assets after the election. Member of parliament who misses eight consecutive sitting, should be, his seat should be declared vacant and election held.

On judiciary the Chief Justice post should be advertised that is, sorry I am repeating myself it should be retracted to two years. After two terms five year. Yes the Chief Justice judges should be appointed on the same procedure that is Members of Parliament appoint. what the president appoints has been effected by the five panel judges who came to propose an issue of the Judiciary. They suggested that a Ministry of Judiciary should be created. I totally oppose that why because if we created the Minister for Justice? the executive will have no more power to influence the Judiciary, through the minister that not arise.

On local authority mayors and chairman elected directly and to declare their wealth immediately on election same applies to clerk county council he should declare also his wealth on land distribution it should be distributed free and fairly by the committee which will be formed by the elders in conjunction to the county council. On profession administration they should be restructured and the appointment to be appointed by special bodies formed within the parliament because we see an issue of the DC being appointed by the president then he just becomes the tool of the president it should not arise. Then on counting of election I propose it should be counted at the polling station it should be no transfer of votes or the ballot voting.

Com. Swazuri: Mohamed Somo nominated concillor haya dakika tano mzee haya.

Mohamed Somo: Sasa yangu ya kwanza mi naongea juu ya ofisi ya rais ambaye iko na uweso mingi saana hizo uwezo, Mohamed N Soma, hiyo mawezo zipunguzwe kabisa iwe kidogo. Kama mfano demolishing dissolving parliament si mzuri iwe ingekuwa muzuri iwe kazi ya ECK electoral commission of Kenya. Hiyo kazi yake ndiyo imenyanganya imewekwa wapi? ECK ndio ingekuwa nadissolve parliament hapana Mkapa akikalia hapa akikata kutana ku dissolve parliament sasa hata (inaudible)-----hivi hapa juu akikatalia juu hata ni sawa kwake katiba inaruhusu yeye. Kwa hivyo mambo kama hii irekebishwe kama ninyi ni watu wa kurekebisha.

Ya pili hii pahali inaitwa hii watu hii uwezo hii ya chief act ambaye wazungu walikuwa wanatumia kunyanya watu hata hiyo iondolewe badala yake iangaliwe muzuri iwekwe kitu ingine muzuri ya tatu hii mambo ya corruption ndiyo nabomoa inchi yote ya Africa na watu naye yote anakaa hapa hapana ongea juu yake wale wanatoa na wale wanachukua. Yote irekebishwe hata kama ni kunyonga, kunyonga ndiyo mzuri hata kunyonga ndiyo muzuri kwa hii watu halafu ile iwe muzuri kwa maana hii pesa hata wafadhili imesimamisha. Akili ya hiyo watu corruptors wale wananyanganya watu ili pesa ingetosha sisi lami kutoka Nairobi mbaka hapa Mandera. Watu watatu wanachukua huko Nairobi wanagawa wanakaa hiyo hata watu ndiyo hakuna hatia hakuna hatia mbaya kushinda hawa watu, na Kenya watu naangalia tu sasa katika population ya Kenya karibu forty something million. Millioni tano ndio wako na pesa ni serikali na serikali napenda wale wako na pesa wale hawana pesa hakuna msaada hata hawapati ploti hawapati chochote hata ukiwa na ploti wakubwa wananyanganya pahali sehemu yao. Wale wana wale iko na pesa wale mfuko nono wanakuja kusema hii sehemu ni yangu, hii mtu aondoke hapa. Na ndiyo DC na PC naonda hiyo mtu

mara moja. Ya mwisho, ile watu naitwa wale wasichana naitwa womens corps isemekane sheria hapana ruhusu hawa waaowe na wale wanaume wako wenzao wanaowa kwanza hii watu wasichana hawa wamenyimwa haki yao kabisa hawa wakubaliwe waolewe wakae kama watu wengine. Sheria ihusu hawa wapatie maternity leave kama wengine tu mimi nafikiri ni hayo tu. Asanteni sana.

Com. Swazuri: Asante sana Abdirashid A Isaack, okay halafu Abdi Rashid akimaliza mtu w-

wisho ni huyu mzee wangu hapa. Haya mimi ninaenda na malist hii ndiyo list ya mwisho niko nayo na mtu wa mwisho hapa ni huyu mzee wangu hapa. Okay Ibrahim Nuru ni nani huyo? Haya sawa sawa haya dakika zako tano.

Abdirashid A Isaack: My names are Abdirashid Abdul Isaack I am a teacher and I am one of the disabled people in this district and I fully represent them and the problems that we have here the disabled is alarming. We are forgotten community even (inaudible)---- do not cater the needs of this disabled people they are not taken to school. So we have got a lot of problems because the children of the disabled are not even allowed to go and get education. We have no access to education. The other problem we have here is that, there is no facility that could help the disabled. Even when walking there is no wheel chair, there is no crutches for the disabled. Even our local leaders even do not assist us in providing these facilities. leave even the government I could stress on here again that we could have had a national census for the disabled that to we know the number of the disabled in the whole country and I hope this. The problems of the disabled will be increasing as even the population will be increasing because we can be having no disabled people every day because of accidents and many other things. Also we could have (inaudible)----- for this disabled the few who are learned even could not get employment. We could have some centers here in this province for vocational training for this disabled.

The fourth one we could request that the disabled at least to be given some share in the national budget so that at least those facilities that we are required at least we can have. Lastly there is this issue that of the an issue that we the next of keen that get us a lot of problem when becoming inherited. We the Somali we are polygamous we marry over twenty to ten wifes sometime we divorce and get another one so we marry a lot of wives so when it comes to no to the inheritance the next of keen if they had four wives or five the only wives that is (inaudible)---- is the person that has passed away right only has the right to get this properties. Not because she is the last wife, any wife like this has a right, gave the right one to inherit. So we want atleast a change even to the Kadhis office to deal with this matters, so that happens and he can be the person who can atleast assist us in getting. You know the properties are shared by the children the parents and also the wife, so it happens that if one wife now gets the money or any thing that comes out then the other wifes and their children will be eating nothing so atleast we want now to have a change. Thank you very much.

Mahalim Ismael: Asante sana.

Audience: (inaudible)

Ibrahim Adan Noor: I am Ibrahim Adan Noor I come from Mandera. My biggest problem with this constitution is that ignorance of the law has no defence and the first question to ask is who is supposed to educate this people on the law of the constitution of this country. We have a state that says if it is duties (inaudible)---- and on its own failiers. So I propose I would propose that ignorance of the law should be a defence in any cose.

The other one is that in this country and in this part of the country we have got adequate natural resources that are unexploited we have the man power and the capacity to exploit few resources but because of beauracy because the government want us to leave as poor as we are we are not allowed to exploit our own resources because of (inaudible)--- we are told you must have a licence. If you are seen with only carrying a small stone of limestone around which you might have collected it from this forest you will go to jail for that, so that is a way of discouraging us from exploiting our own resources.

The next thing is this government, the constitution must create adequate employment opportunities for its youth because human resource is the most important resource of a country and if this resources are not adequately exploited or are not utilized then we remain in that abject poverty. The other one is I wish to recommend that we should remove this imaginary boundaries in the continent of Africa. This issues of divisions, this issues of location, this issue of province, this issue of nations, this boundaries that were created by those colonial powers should be removed and we have a family that is called the African family. That is as far as this is concern. The next thing is the constitution we said is we are told that the constitution is supreme to every other act but in this constitution we have an constitutional act that are within this constitution and for the problems that have been created

by those unconstitutional acts within the constitution we must be compensated. Not compensation by wealth or property but we must be compensated through affirmative action because North Eastern has been suppressed and oppressed because of this laws that were created in parliament by a few hand picked individuals most of them who are victims. Last but not least I wish to state here that the East African community should be strengthened. This constitution must strengthen the East African Community. Thank you.

Com. Swazuri: Na wewe uje karibu tumalize na wewe.

Speaker: Much has been said (inaudible)---I would like to any member of may be any leader whether a minister or a president before he is elected if he have been prior involved in any act scandal, he should be automatically removed should not be allowed to go to hold any public office. Secondly we have been hearing a lot of word may be this province has been marginalized it has been neglected so I would like the commission to give us a special attention percentage to uplift this province at large because much from the almost thirty, since independence much has not been done in this province it has been lagging behind. So we need special attention from the government.

In the other area on education side the syllabuses that is which is meant for the whole country does not cater for the whole needy eight provinces or some areas are quite calamitically they usually differ from one another. So certain parts of the syllabus or curriculum cannot apply in this areas because the facilities and the requirements are not found here. So theoretically the teachers who are now handling part of the syllabuse are not able to deliver the lesson the lessons properly. So when trying to right down the syllabuse people should consider may be provinces, the area every area should be considered. The other point is about compensation all those people who have been involved may be who have been killed should be compensated by the government. Also there are some thing we are involving we are also part of the globe and there some time threat can come from a foreign government demanding may be the government to do something and the government is usually pushed. So any thing that is a threat to the citizen of this country the government should not act on such issues because a foreign country can have a demand and that demand can be a threat to your own maybe the Kenyan society or it can cause civil strike within the country.

We should call a referendum asking people what should be done instead of the president acting on his own or the parliament acting on their own. Finally on land ownership it is usually the powers the local government has got the powers to handle anything to do with the land. They issue land without the local authority, somebody goes to Nairobi he processed a title deed for a certain land and he just claims that land, it can be a school it can be a government land. Much has been grabbed so we would like those people who have grabbed land before, the idea should be revisited and those properties should be repossessed back and the idea of handling the land should be handled by the local government and any individual who is being given a large land a portion of land should be advertised to the public so that they are aware.

If that person is not using that land for a proper use it will come to the attention of the people should give that land. Much of the people are living in squatters while one person is trying to have a large number of land which is trying to deny may be the squatters the people who are fiscally less who have no funds to own a land so we would like the land to be maybe if the local government is supposed to issue a land to the people they should advertise that area is suppose to be given to that person so that people should be aware.

Com. Swazuri: Okay, thank you very much can I have this young man okay young man.

Said Ali Isaack: Langu jina ni Said Ali Isaack nina furaha sana ya kwamba ninge kutana na nyinyi leo hapa. Alafu hata nilikutana na nyinyi ningependa Sana kuwauliza maswali yafuatayo. Ya kwanza tumesikia haki ya watoto, tulisikia haki ya wanawake na je ningependa sana kuwauliza haki za vijana ziko wapi?

Ya pili basi ningependa sana haki za wavijana ziongeswe kwenye katiba mpya ya pili I always heard that president is above the law and (inaudible)---- presidents should be equal to the others should be equal like others when I say this I mean he should be above the law. Thirdly when I came to land grabbing here in North Eastern kusema ukweli watu wengi sana huwa wanachukuwa ardhi ambaye si yao. Wanachukua barua kutoka Nairobi wanakuja hapa na ukiangalia hiyo kiwanja ama hiyo mali hakuna vitu vyote viko pale. Hiyo ndiyo ningependa sana pia iongeswe kwa katiba.

Lastly but not the least here in North Eastern province we have we are very much backward in sports simply because of lack of facilities and also land grabbing when I say land grabbing I mean here in the field the only field we are having here in Mandera people have fenced it. Which we don't know we don't know whether if is an individual or but people are settled there.

Audience: (inaudible)

Said Ali Isaack: Waagalie, not only that one we may say when I say that I don't mean that the field is small the stadium should be but we only have one football stadium here.

Audience (inaudible)

Said Ali Isaack: But that one also it had settled by other people of which we don't know them. Inaingia kwa plots za watu na kiwanja kama hiyo hatujawahi kuona. Finally kwenye mahakama saa ile watu wanaingia huwe watu wanabow down wanaenda chini kwa magistrate. Kwa dini yetu hapa Waislamu hataukubali mtu aende chini kwa jili ya binadamu mwingine. Ningemalizia hiyo na nawaambia asanteni.

Ismael Mohamed: Mimi naitwa Ismael Mohamed mbeleni nafanya kazi miaka ishirini na tisa alafu naenda tetea napata naenda retire napata tu haki mara moja tu na NSSF kidogo hata miaka ishirini nafanya kazi hapo ndani. What muaka moja nafanya council muaka moja muaka ishirini na tano alafu bado faa alafu yote (Somali dialect) shaqatha xathi(inaudible) marka NSSF umba(inaudible) waxan rawa in an shegto dib keiga marka xorey wanba iskasamar sanaye. In laiqoro.....

Translator: Mzee anasema ye alikuwa amefanya kazi serikali kwa muda murefu na alipotesha NSSF tu pekee yake kwa hivyo hana pension hana chochote na hiyo labda anataka.

Translator: Sharci aya labadhalaya wixi dhad weynaxa ukuxathlayey kuxathal.

Translator: Kwa hivyo taabu kama hiyo watu ambaye kamSa ambaye amefanya kazi kwa muda murefu napatiwa hiyo siku peke yake napatiwa hakuna na lazima wafanye kazi serikali kama yeeye wapatiwe pension.

Ismael Mohamed:(inaudible) dhowlada merkey lethaxa wax ban libeynayo, aniga xata sethax looa aya libax igaqathey report ayan geyey gamemka waxba majiran ayey idexen, xaqena ama xolaxqna xanasiyo.

Translator: Kwa hivyo anasema ile wildlife compensation ambayo mali nauwawa na simba nini inasemekana ilipwe lakini sanasana hailipwi hiyo pia iwekwe vikwazo kabisa.

Ismael Mohamed: spitalka marka yagno lacagta bensionka wanalaga goini jirey maallin doweto markan tagey thawatha walaiso qorey lacag bathan aya laidaxey mana gathan karto marka waxan rabna thawa.

Translator: Kwa hivyo sipitali pia imesemekana siku hizi iko cost sharing na hiyo cost sharing imekuwa kali muno wengine

hatuwesi kulipa sasa juzi nimeandikwa shillingi mia tatu hospitali dawa hiyo siwezi nunua kwa hivyo serikali iweke mkazo watu maskini wapate dawa vivilyvo.

Ismael Mohamed: Mita kaley polista anaga o intan laeg xathi iskoris wax xaley. Polis aya naqaracthey anaga oo shan iyo kabathan eh markey nagathalena wey iskatagen, qof ankuthacweynana malaxa. Tukale aya jirta dinta islamka xos maxa logudigey, maaxa yeley macalin iskulka mishar aya lasiya laikin macalin quran mishar malaxa.....(inaudible).

Translator: Okay anasema pia baada ya police harassment pia iko hiyo pia haijaliwi na ya mwisho mwalimu ya Koran ambaye nafundisha watoto Koran katika Duksi naonekana imewekwa chini hawalipwi na hiyo pia nataka serikali pia iangalie.

Translator: Inaonekana tumemaliza lakini naomba radhi niongese point moja tu nimesahau very important moja tu naomba radhi mambo ya ardhi inaonekana tunesema nyngi sana lakini especially communal land nafikiri problem yake imekuwa commercial kwa hivyo tuweke katika katiba land ambaye haikuwa developed haiwezi kuuzwa ama iwe transferred. Empty land communal land area yetu hii trust lands ambayo unapatiwa mtu akupatie plot kama hakuna physical facilities ambaye amejenga haiwezi kuuzwa ardhi hiyo haiuziki hiyo iwekwe hiyo itasuia corruption.

Com: Swazuri: Sasa tunataka kuwashukuru sana imekuwa siku ndefu tunesema tulikuja hapa kusikisa maoni yenu na nyi mmekuwa mkilalamika siku nyngi kwamba serikali watu wa down Kenya wanawadharau wanawaonea wanawa marginalize. Sasa leo tumekaa hapa mbaka saa moja kuproof kwenu kwamba sisi watu wa Kenya wote tunawaheshimu nyinyi kama ni sehemu ya Kenya ingekuwa ni kwa athifa ingine saa tisa sisi tungefunga, saa kumi tukaenda lakini kwasababu tunataka kuwaonyesha ya kwamba nyinyi tuna waconsider kwamba ni wanainchi wa Kenya tunesema tukae hapa mbaka ile list iishe naona list imeisha na pia tumeongesa watu amba walikuwa wamekuja kuchelewa.

Hiyo inadhibitisha ya kwamba sisi tunawaheshimu na hii siyo mwisho tukisha andika hii draft yetu report tatarudi tena sheria imesema turudi hapa tena ikiwa programme yetu haitabadilika sababu wanasiwa wanaingilia saa yote ikiwa haitabadilika sheria imesema tuje tukae na nyinyi kwa miezi miwili. Ile report tuwaletee msome tuje tuwaulize tena je mliyo sema tameteklezwa au la, mnataka tufanye nini? Kwa hivyo sheria inasema tatarudi tena hapa tuje tuzungumze nanyi. Haya mzee atupatie dua tuisahau mungu na tena tunawashukuru wale ma co-ordinator na wale walio fanikisha hii hadhara matranslator, wale walikuwa wanakuwa nachukua microphone hawa matechnician na staff wetu kwa subira inavuta heri, kwa kusubiri kwa muda wote huu lakini tuisahau Mungu kwa mambo yote kwa hivyo sijui mzee utatupatia dua? nani ata tu.....

Speaker. (Somali prayer)

Speaker: Shout your names there.

Paul Chemutut: My name is Paul Chemutut. I am a district Officer. Mine is touching on the powers of the president, the executive powers of the president, the executive and excessive powers. That was that time of independence and it was created for a purpose. So but after thirty nine years after independence I think those powers should be reduced dramatically. Where we have the Judiciary Arm of the Government the Legislative and the Executive. So the two arms of Judiciary and Legislature are still very wide compared to the Executive.

So I would suggest that the office of the Chief Justice should be same and added more powers and more independence particularly from the interference of the president I am saying this because this complains of Masaka. I come from an area where what happened was tribal clashes between Marakwet and Pokot. The Marakwet were very much affected by those

clashes from the people from Baringo side and and they have all the evidence. They appealed to the president four times nothing was done so they should have results ya the Pokot Masaka and the Marakwet. Now people were asking if the office of the Chief Justice was so much strong people could channel there complaints the chief justice could be independent set up a commission even without telling the president what is happening if he was strong enough. He could set up a commission enquire about it and set it. But now because interfearance we know the Chief Justice will have to fear he will not be independent so this should be strengthen at least to a level, if not that level of the president is just below.

Aya two the legislature is still also very weak. The speakers office is not enough constitutional office. I suggest that they should create another very powerfull constitutional office above that of the speaker to deal with all legislative matters, to run and manage all the legislative matters. This man should be very very powerfull even if his powers does not reach with that of the president it should be just that slightly below so that in case of any chaos in the country he can take over for some time or something like that. Not like this system where we have the vice. The vice is from the Executive so he can take over when the president happens to be away and we should make attraction where the Legislature should also do or the office of the chief justice.

Now in order to strengthen this the Office of the Judiciary the Judicial Arm like the provincion Administration you know why we are very effective, its because we have our own department of police the Administrative police. Where we have all their files and the arms and everything. When we want to effect some changes within a short time we only pick them and take them but if we had the general police you know the police men will be relactant they will say no we will go tomorrow but since we have our own police things become very effective.

Now the judiciary should be given security of their department of their own I suggest that instead of recruiting more police, the department of prisons department should be transferred from the executive to the Judiciary should be transferred. So if prison department should be streamlined and strengthened and restructured so that they can one they can give guard and escort services for judicial officers at any time if they require, they can also guard the some court premises and other facilities of the judiciary installation of the judiciary. Like now the Magistrates make some decisions here and because of the security area he requires security from the police from the APs it takes a lot of time and even our police men will not obey him because they know is somebody of different department so if he had his own them it would be very secure and some times he dosn't make decisions because he fears some his life can be threatened. That is why I say should have that kind of line.

Now on the legislature it is too weak because the parliament is only a single entity I suggest that the legislative arm of the government should be extended to district level where we have Districts Assembly instead of National Assembly alone. So we should have District Assembly comprising of nominated and elected councilor for that of municipality, cities and town councils so we have those people and this are people who should be of intergrity. They should be learned above form four so that

Speaker: So this are the like the concillors at the district level?

Paul Chemutut: They form a kind of a District Assembly like the parliament they should have their own speaker they should have their own mayors and district and they should be paid from the consolidated fund. This people should be full time like the MPs and because they are people of intergrity they should play the role of a watchdog in the district level. You know like now they are very ignorant when the Government allocates finance to departments like the DC police you know the O.C.P.D is just

consume because nobody is watching on him. Yes he misuses the DC will misuse the DO will misuse. Why? Because this people are ignorant they don't have their level of education is very low, they have not given that constitutional right to form a forum they only of so they should be put in a constitution where they become watchdogs on budgetary allocation like those the MPs and them.

In addition with to that: We create administrative offices for legislature like departmental, if we have a District Legislative Officer who co-ordinates the activities of the legislature like when they come here they just relay on the DC they relay on the police and so they should strengthen that kind of office so that is the suggestion.

And finally, the national security if we know we have this thing you from divisional level will have the sub-divisional security committee chairman OCs the DO and somebody else from Intelligence. DC we have DAC what were talking about district security then provincial we have PAC and then in the national level is not well defined. The permanent secretary for internal security some times acts as is the chairman of that kind of committee some times the vice president acts some thing like that. So it should be defined in the constitution that the national security committee should entail constitutional offices and (inaudible)--- that is like the secretary of this committee is the Commissioner of Police it should be made a constitutional office. Haya the chairman is not very clear the president is supposed to be the chairman but he is so busy they should appoint a constitutional office. A person of integrity who has experience in this security matter particularly from the Provincial Administration. If it's a vice by the way not the permanent secretary for internal security because that one is so busy on other issues. And then...

Speaker: Let me ask you what is he (inaudible)—internal security.

Paul Chemutut: What of course the PS the role of a PS of course to dispense some money to look at the budget to see that money is spent in anywhere so that most of his time is normally done administrative.

Speaker: (inaudible)

Paul Chemutut: Yaa it is than security he cannot be very (inaudible)----- every day for national alertness you know even if there is nothing, they meet for two hours, one minute to say there is nothing nothing and that is one of the member is C.G.S (inaudible)----- each year another one is Director of National Intelligence is also a member another one is the director of SID and Director of National Tourism of Kenya army so those ones. It is only because of the peace that we enjoy otherwise this are people who should be having a lot of work every morning to disseminating information on security matters.

Speaker: Are you saying this office should be constitutionolized?

Paul Chemutut: I have always said it should be in the constitution yes so that is what I ...

Speaker: (inaudible)----- are you saying that this you know this office should be constitutionalised or it should have a national a constitution office on security

Paul Chemutut: I was saying the Commissioner of the Police is constitutional office. The more so I was saying it should be a constitutional office but there is a National Intelligence Security

Paul Chemutut: So national intelligence committee it is a constitutional office, okay comprised of the following membership that is what we are saying.

Speaker: And is not a National Committee a national Security Committee?

Paul Chemutut: No national security committee there should be a national security committee as a constitutional comprising of

the following members

Speaker: So any member of any constitutional office be it Chief Justice be it AG it should be maximum of ten years.

Speaker: (inaudible)-----

Speaker: Two terms ya Chief Justice. Ten years not to be more than that Commander Chief of General Staff only ten years and not more than that. All those constitutional offices should be not more than ten years thank you

Speaker: And pole we kept you for the whole day

Paul Chemutut: No, no I was even supposed to be with you

Speaker: (Inaudible)-----

Meeting ended at 5.30 p.m.
