Com.Wanjiku: Maybe itanabariria ni kwamba kumuiria twina Mr.Wachira, Wachira ni Wakiri wabici-ini ya Ndung'u and Kwach na ni eku-assist kuheana report. Now he muiritu, mutumia ungi witagwo Josephine what are you doing so far? You are recording from there? OK. Josephine Ndung'u ucio uikarite hau, ni ku-record ara-record uria tukuga, kuoguo nitukuria mundu ambiriria gucokia ciuria, kana kuuria ciuria kana gu-comment actually akegweta ritwa nigetha tu-record. Na uguo mwerwo ni coo-rdinator uria twamwite riria twari guku niati wona twarikia kuona maoni nituguthii twandike report na nitukwandika report ya guku information iria twa collect kuma guku, na tucoke twandike the national report, national report ni iyo mwinayo ya report iyo Can I have a copy from any one? Chaguo la wananchi, ino ni summary ya report iria riu turarutire, uria andu maroigire Kenya I yothe no ndoiga ni summary na njira nguhi, ni report iria yandikitwo na njira nguhi, no report yo nyene ni ya page ta magana manana, niyo report ni ikurehwo, iiguu wabici ya District Coor-dinator nigetha andu mahote guthoma in details uria

andu maroigire bururi wi wothe. Kuuguo itanaba guthii he Katiba, ni nguheana are the pullouts finished Josephine? Tundu everybody should have a copy nigetha tuhote kumithie through, tondu nitukwenda kumithii through aria mekuo nimukuheo kaba aria meguka thutha macaririo ciao kuoguo riu niyo tukwambiriria wira nayo.

Kuoguo Katiba yothe niya ndikitwo haha in summary kuoguo nituku-refer kuri document ino iria tukwaria uhoro wa uria..... Tutanathoma uhoro wa Katiba, ni ngumuhe general information uria andu ma presentire views ciao, tondu riu tugukorwo ni muiguite ati twina..... Ni tu collectite views nyingi muno, cia andu ngiri na ngiri, report ya ngiri mirongo itatu na ithano, pages ngiri mirongo itatu na ithano, thank you, ngiri inyanya cia pages icio, ciomite kuri andu information iria iheanitwo ni andu kuma Rift Valley. No ningi Rift Valley ni the biggest Province kana tiguu? Yumite kuma haria muico igaikuruka nginya hakuhi Mombasa infact makarigania hakuhi na Mtito wa Ndei, ugithii mwena ucio wa Namanga, Kajiado those areas, kuoguo Rift Valley ni nene muno na ina Constituencies, ta mirongo ina na kenda na ngwicira Central ni kindu over 20 about 27, kuoguo the difference ya andu aria makoretwo na District na Constituencies ni ngwiciria nikiu kwina contributions nyingi muno kuma Rift Valley.

Thutha wa Rift Valley acio angi maheanite information nyingi muno ni North Eastern Province, North Eastern Province ni mui gutiri andu aingi muno, but gitumi kiria tukorwo na andu aingi muno ni tondu riu guthii gu collect views cia North Eastern, nitwathiaga hakuhi o gicagi o gicagi, kana tu-town tondu nao matingihota guthii niundu wa distances, riu ta riu guthii an maguru kuma haha, guthii Kijabe for instance tondu distances ni nene muno, tondu most of the land ni desert, kwoguo acio nao nimatuhete maoni makinyite page ngiri inya an magana mugwanja. Thutha ucio tugathii Western Province nao Western Province ni matuhete fewer ikinyite pages ngiri inyanya an magana matandatu, tugathii Nyanza ngiri inya an magana matano, halafu tugoka Central Province, tugakorwo an pages ngiri inya an magana meri, kwoguo Central Province kuringana an andu aria ma presentire views an much viewer gukira Rift Valley. Tuoma hau tugathii Eastern Province haria twina andu ngiri inya ugo aria ma-presentite views, kuuguo nigetha tu-appreciate ati riri turoiga ati Katiba ino yandikitwo ni andu a Kenya, ni kuga maundu maria mandikitwo haha, tu collectate kuma one Province to another. Na kundu kuingi ta riu North Eastern ni twathiaga onangorwo ni Constituencies, tugathii kundu kuna niundu wa distances, kana part of the Rift Valley tugathii kundu kwiri kana gutatu onagutuika Central turoka kundu kwiri, ni getha tugerie gukinyira andu.

Now nituhetwo ona views ni andu angi tariu magatuma an e-mail, moimite Kenyans area maikaraga nja ya bururi. Aingi kuma Australia, angi kuma America, Kenyans aingi kuma Britain, an mabururi maya mangi African countries, maya matuthiururikiirie, andu aingi Kenyans an matuhete presentations, ni matuhete views ciao, an twinahakuhi ngiri igiri an makiria, cia submissions iria irehetwo ni andu, Kenyans aria maikarite nja, nikuonania onao mena bata muno wa kuona ati bururi uyu ni wagia an Katiba njeru, na wina structures an systems njeru. Ni kuri andu angi riu submissions e-mails nikiu twina 182, direct submissions nicio cia ngiri igiri, direct submissions ni aria ta riu mokoga Nairobi magoka Board room ma present views, tariu Judges ma-presentire views riu kuo, kuri organizations nyingi ta Kenya Human Rights, Churches like Ufungamano groups and other churches aria mokire makiheana views, nao acio nimatuhete views nyingi an turi an views ingi iria tunganitie kuma kuri aria me

jera tondu twagithiaga kuo thiini gwika ati gu collect views ni getha nao aria me jera tondu onao mena right ya kuuga uria magariirwo ni gwathwo, kwoguo aingi ao nao nimatuhete views nyingi iroka kindu ta pages magana matatu ma ikumi na inya. Universities, nao nimatuhete views ciao. Kwogwo nikuonania ati nitugeretie muno ku make sure as many Kenyans as possible ni mahotete gutuhe views ciao. So what is reflected in this document, ni views cia very many Kenyans, ni andu aingi muno muno, riu aria ma presentite.

Now, riu ningumwira issues iria ciari concern cia Kenyans makiria ma iria ingi. One of the issues, iria Kenyans mariririe uhoro wayo muno, muno, ni Parliament, the Legislature. Ngwiciria Bunge ni tondu ni makoretwo, andu ni makoretwo muno magiciria uhoro wa members of Parliament, ni aingi manegenire muno uhoro wa micara ya andu a Parliament, na makiuga marena Parliament matikae gukorwo nio maheanaga marehe mucara all over the country, makoiga mucara wao uroragwo ni andu angi. Iyo yari issue twaiguaga everywhere in the country kana twathii ku kana Eastern Province, kana ni North Eastern kana ni Central kana ni Western kana ni Nyanza. Kenyans ni marakarite ni undu wa Parliamentarians kwi yongerera micara, na kwanza magakiuga riria kwanza kwina thina magacoka makeyongerera minene an makaugua matiagiriirwo ni kwiyongerera, micara yao yagiriirwo ni gutuagwo ni andu angi. Ngwiciria wona mwathoma Katiba ni mukuona ni tugite ati salaries and remuneration commission tuga create a salaries and remuneration Commission, aria marituaga micara, aria mariugaga Bunge mekuheo micara ona President mucara wake ni uriku, an Vice President, naPublic offices na Permanent Secretaries, ni getha tugatiga gukorwo an gap iyo nene, ya andu kwe decidera micara, magacoka makehitukiria.

Kindu kingi andu marakaritio nikiu kia Parliamentarians, ni gukorwo ati andu mathuraga mundu athii Parliament, agacoka kuonowo agiuka gwetha miti, kwoguo andu aingi ni marena what we call right of recall. Ati Parliamentarians, ta ucio angikorwo miaka iri igithira ndarahingia uria erite andu, kana no acokio guthurwo mundu ungi, an iyo right of recall ihau. Parliament andu ni mariririe muno makiuga uria itari an hinya, kuringana an relationship ya Parliament na Executive the President.

Makoiga ati maundu maingi mothe maingi magiriirwo ni kuhitukio ni Parliament, handu ha President. Kwogwo ni tweragwo tweherie powers nyingi cia President, tucicokie kuri Parliament, an uguo niguo ningi twikite. Andu ni moigaga ati Parliamentarians, magiriirwo ni gukorwo na Constitutency offices, ni getha andu makahota guthii kuri oo. Ni moigaga ati ningi andu magariirwo, MPs. nigukorwo me full time angi makoiga ati nimagiriirwo ni gukorwo mari people of integrity, nani twikirite Commission ya ku make sure ati andu nimari screenagwo ni getha magakorwo angorwo wi muici, ndugutuika MP, angorwo wi corrupt ndugutuika MP and so on. Tuga-create code of conduct I katiba ini na iyo ngwiciriagia ni tukumirora. Riu kwa uguo andu angi muno muno, ni maririe uhoro wa Bunge na makaigua matari happy nayo, and makaigua ni mekwenda I strengthenwo, an makauga people of integrity and we have taken some of those things into consideration.

Kindu kiria kingi ningi andu maririe muno uhoro wakio all over the country, ni uhoro wa President, the Executive. Aingi uria moigaga ni ati President must not be above the law, an ni twaritie uhoro ucio Katiba-ini an tukoiga, tukoiga niagiriirwo ni ku impeachwo, na ni agiriirwo ni gutwarwo igotini angikorwo nake ni ehitie. Ni moigite ati President ena powers, nyingi muno, ni ciagiirwo ni kweherio, I distributwo kana ni igotini kana ni Parliament, ni getha ndagakorwo ena a lot of powers. But Kenyans

acio makiugaga ati President atuike ceremonial, ni mendaga powers ciake ikorwo I very clear in the Constitution, na uguo niguo twikite. Ni moigaga ndagiriirwo ni gukorwo e President of all the Universities of which we have removed. Ni moigaga ndagiriirwo ni gukorwo aki interfere with everyday life cia Kenyans an makoiga powers nyingi itwarwo kwi Prime Minister ni getha aciirage an maundu ma thirikari. Makoiga President ni agairiirwo e symbol of national unity, na nitwikirite hau as one of the functions ya President, makoiga ni agiriirwo ni gukorwo atari an Constituency, agathuragwo directly ni andu, no ndagakorwo niara represent Constituency nigetha atuike constituency ni Kenya an uguo niguo tugite. Makoiga President ni agiriirwo an running mate wa Vice President nigetha tutigakoragwo an situation iria twinayo umuthi. Riu President ni eku fire Vice President na tugaikara tutari Vice President ta uria tuikarite riu kana ta uria twaikarite hakuhi mwaka mugima during this the decision of this term. Nitugikirite Vice President atuike running mate wa President an tondu niguthurwo nake egukorwo athuritwo ndangibutwo ni President, the Vice President.

Ni twehererie powers ta uria tariu twoigaga ta riu akorwo ni power ya ku dissolve Parliament, ndiri ho, and powers ta riu President ina yo in the old Constitution, tondu ta riu uguo tutiramenya kana although we could have no tukorwo na elections February kana March uria Professor Ghai aroiga, no Katiba ya riu ni ihete President hinya wa kudissolve Parliament riria ekwenda, kuoguo riu enda kumi dissolve next week kana this week no eke uguo. No in the new Katiba, ndangihota gwika uguo tondu power iyo ndari nayo. Kwoguo ni to make ete changes nyingi muno uhoro wa President an uhoro wa Parliament.

Iria ingi yari, andu mariitie riu uhoro wayo, ni uhoro wa elections system, uhoro wa githurano, an uhoro wa gukorwo ati andu matiraigua me represented wega amwe magakorwo mena 250,000 voters ni 250,000 an mara-representatwo ta Kamukunji kwa Mwenje Embakasi no mara representwo ni mundu umwe, na kundu kungi mena ngiri ithano kana ngiri muganjwa ta kundu kwa Godana, mararepresentwo ni mundu umwe. So what we have done, ni sub-divide the current Constituency, with proportional representation, na no gukorwo ni muiguite uhoro wa iti icio iretwe mirongo kenda, an iti icio cirerwo mirongo kenda. Iti icio irerwo mirongo kenda ti nominations, uria toroiga ni ati tariu ungitara, 1997 utukanie votes cia the various opposition political parties, ni igukorwo inyingi gukiria cia Kanu ona 1997. Uguo ni kuonania ati there are many people who are not represented. Riu kuguo kugeria ku deal an balance yori, iti ici mirongo kenda ni kuuga ati, kiama kiria kina iti nyingi ni gigukorwo kina list ya andu, ni megukorwo mena list ya andu so that, uki vote riu MP wa guku ni uku vote riu ningi kiama kia your choice, an nigetha ahote guthura kiama kiria urenda, gigukorwo kina list ya andu aria maroiga wona mwatuthura andu aya nio tukurehere thirikari-ini nigetha matuike members of Parliament matuteithie ku-implement policies cia thirikari. Kuoguo riu uria mundu e ku-vote candadite ucio ucoke u vote kiama kiria urenda, an kiama kiu urathuraga ukuringana an list ya andu aria mekirirwo on that list. Kwoguo riu tariu tungitara 1997 iti ici mirongo kenda, kuringana na votes we were just counting the other day, kuringana na votes cia andu, iti mirongo itadatu ciangaithe opposition, an iti mirongo itatu ingiathire Kanu kwoguo niukugeria ku-balance representation. Uguo niguo tugeretie gwika an electoral system. Of course nitukiugite ati no muhaka votes itaragwo kuria miti iraikirio, na ikanaoucwo o hindi iyo, handu ha gukiagwo riu ni andu, andu makarara ma ci guardete ringi utuku mugima, ma cikariire nigetha itakiaywo, na no irioywo etc. Igararagirwo hau an information ika riricwo hindi iyo, na agents maga confirm ati uguo niguo gwathii.

Ni turakiuga registration of voters, ikorwo I communal na nituroiga ati political parties, ni getha gwika ati ku popularize politics ciao, ni getha elections nacio igakoragwo ijega, ibandagwo ni political parties. Tukoiga national budget ya 0.3 icio ni kindu ta million magana matandatu, igairwo political parties. Political parties nacio iriheagwo kuringana an uria wina, urarehe andu either local councils kana parliament, nokio ndoiga ringi akorwo ni ciama icio, tondu andu aingi ni maririe uhoro wa ciama angi matwiraga turenda ciama ithatu icio ingi ciothe cithurwo. So uria twekire ati riu ndui ndungira mundu because we have a bill of right, ya kuuga ati andu me free, kwambiriria political parties, what we have done, ni kuuga ati ndungithie ubunje ciama, tondu ningi ndungikira watho ugocoka utume unguhuthirwo ni dictator uria woka, gucokia andu to one party system, kwoguo uria tugite ni ati ciama icio iriheagwo mbeba kuringana an uria cira manage mbeba icio, an kuringana an andu aria marahota gutwara parliament, local councils kana local authorities. Tondu mekuheo mbeba in that manner, mariroragwo ni Electoral Commission ti registrar of societies. Kwoguo registrar of societies, no a di-register kiana angikorwo handu ha miaka ikumi, through elections matiri ona mahota gutwara councilor into the council angikorwo matihotaga, matiri mahota gutwara ona councillor umwe into the council then they have no business being a political party. Riu kwa uguo acio noma dek-recitwo, no mena opportunity ya gucoka guthii gwi Supreme Court or High Court sorry, maka-appeal. Ningi angikorwo tariu ciama nacio they are not promoting democracy, kana matirathurana, uria magiriirwo ni guthurana grassroot elections and so on, angikorow matira promote democracy ciamaini ciao, ona iyo no itume ma de-recitwo, no ni tuindicatite maundu maria mangika nigetha ma registwo ni Electoral Commission.

Andu aingi muno ni maririe uhoro wa thirikari gukurwo ira control maundu mothe, na ikoraga local authority. Kwanza aria mari kuo maybe the early 60s ni moigaga ati local authorities ciari very powerful na andu political leaders at the local authorities were also makoragwo mari andu a bata an andu mekumenya uria kurathii, no niundu wagokorwo local authorities ona mbeba iti collect aga ni ikuite an gu controllow ni Ministry of Local Government. Kuuguo ni mendaga power yeherio from the center, andu aingi nginyagia icagiine makoigaga ati turenda gukorwo tukiyatha ithui ene. Makoigaga angarwo ni chief ni meherio, an DO meherio, an DC, PC, the whole of the Provincial Admininstration, andu marekwo ma decide maundu mao. Uhoro wa wazee wa vijiji athuri aria makoragwo metagwo atia? Village elders andu aingi ni moigaga ati acio village elders kana atongoria a vijiji, then acio nio makoragwo makiruta wira gukira sub-chief kana chief and so on. Angi makoiga ta riu akorwo ni gugukorwo kuri chief nake no atuikire ni guthurwo ari thuragwo, no matikwenda chief wa kurehwo kinya riria aka-retire as a civil servant. Kwa uguo uria twikite ni kweheria raini iyo yothe ya Provincial village council, riu athuri na atumia na youth aria megokorwo meguthondeka village government riu na sub-location riu niyo igutuika village that village council niyo irimenyaga uhoro kuria thirikari nayo niyo tura ikurukia to the District, akorwo ni uhoro wa mai ma gicagi kiu, akorwo ni uhoro wa nathari I sub-location iyo, akorwo ni uhoro wa arimu aria maradikwo kuu, akorwo ni uhoro wa maretwo community policing uria andu mari maintainaga security tondu security nayo, ikoretwo I a very major problem. Iyo village council niyo igukorwo I thirikari ya sub-location, an nimekuhota gwithondekera policies, an maka-determine priorities cia sub-locations, an maka-make those recommendations to locational government.

Kwa uguo riu twoima village an every village ni irithuraga andu eri mathii to the locational government. Nayo locational government, niyo irihotaga gukorwo riu ina program ya location iyo, nao maka-representwo in the council, the District council, riu district council niyo turoiga ati District council powers cia thirikari, na twandikite uria District council irikaga ikorwo cikurukite, to the powers cia Central government cikuruke to the District yakorwo nita ino ni Maragua, akorwo riu nita Maragaua headquarters ya Maragua ni igukorwo an thirikari yayo nigetha riu, nao councillors, megukorwo me the councils ta Parliament. Parliament yaragiriria mawatho mabururi, nayo thirikari ika-implement maundu mariku? Githi tiguu? Ika-implement maundu macio, nikio itagwo Executive, riu District Council niyo toroiga igokorwo an councillors aria meguthurwo acio nio policy makers, nio mariki discussga mawatho, nani megokorwo na Cabinet ya Country council iyo riu mariaragiriria mawatho ma District iyo, kana ni marena githomo githii in which direction kana, ni marena thukuru ingi ciambiririo in the District, kana ni marona ati health centers itiraruta wira wega, kana ni marona borithi matiraruta wira wega and so on. Acio riu nio megukorwo me policy makers.

Then tugukorwo an District Administrator, District Administrator eguthurwo direct ni andu, kuogwo mundu like the President of the District, riu ucio District Administrator ni egukorwo an Cabinet yake riu na committee ta iria committee iria ikoragwo in Parliament nigetha mahote ku-discuss wona council ya discuss policies, District Administrator na andu aria mandikitwo ni thirikari ya District nio mari-implementaga maundu. Ni nitumahete by the way, powers nyingi muno or rather unagutuika wira uyu biu ti muriku, I want you to look at page 46 tondu ino ni very important for gwiciria uhoro wayo. Ni murona page 46 ungiama na muico ni easier, urutie an kiria an muici, page ya muico the second from the last page. Ndui kana nimuramiiona? Ngwiciria no o share an mundu ungi uria utari nayo a share an mundu ungi. So from page 46, githi mutirona hau handikitwo powers of national and district government ungiroha hau kiana biu, list 2, the district government list, na hau ni turona handikitwo ati implementation of development plan that means National government ya come up with the National Development andu area mari-implementaga ni the district government, ndiu kana ni murahona? Ok. Nituroiga ati nio megukorwo me responsible kungania igoti ria District megokorwo me responsible for education services and education services, iciori, nio maririhaga arimu a nursery, marige arimu a Primary, marihe arimu a secondary schools, and B, nimurona nio megukorwo mena medical and health services, nio mariroraga health centers, dispensaries, and then promotion of primary health care, an nio mariroga barabara, no riu ti highway local roads within the Districts, nio mariroraga markets and trading centers. Nituroiga ati nio mariroga provision of other services, ta riu District planning magathenda plan iria irithondekagwo by both the council and the Administration namariroga statistics cia Districts nigetha ta riu andu makamenyaga uhoro wa population ya Murang'a uria kuhana, you know and so on, maka decide riu at the District level ni project iriku marena gwika, kana marena local project, kana marena education project kana uria marena gwika. Ni mariroga uhoro wa migunda, na uhoro wa Administration ya migunda ugukorwo at the District level, ni mariroga uhoro wa Physical planning ya District, ni mariroga uhoro wa trade(inaudible) ta riu akorwo ni uria indo cirendio kana andu ni mara benefit kuma gwi sale ya goods, na kana no mahote kwendia indo across the District or even to the other Provinces. Ni marirogaga uhoro trade licences, nio mariheanaga licences cia trade biashara. Nimekorora uhoro wa co-operative development, ni mariroga social rehabilitation tariu akorwo ni street children, kana andu aria makoragwo na problems within the District nio mariroga, uhoro wa employment, labour nio mekuurora.

Maundu macio mangi mothe, orona on that list, kuuguo ungiro uria powers cia District ihana, ni kuonania ati we are saying powers ni ikwehera kuma the center, handu ha Province gukoragwo ati ira determinwo ni Central government, we are saying that the power should come to the District, ni getha andu mahote ku-participate mahote ku- make decision nanigetha ona District cio nyene ikahota ku decide akorwo nimekwenda gu-cooperate. Maybe ni ta uria tariu uguo some of the reasons toria kwahanaga tenr, but nitui ati tariu uguo akorwo those local authorities, power ya takirwo away you know from them along time ago. So we are saying that District niciagiriirwo ni gukorwo na that power tondu nio maramenya uria kurathie thibatari, handu ha gutumagirwo mundu kuma Nairobi, kana handu ha gutumagirwo mundu kuma the Central government oke arore health services, kana agoka kurora education, kana agoka kurora unemployment and so on. Ona gutuika mbeba imwe ni iriumaga kuma center igoka to the District in the same way ati mbeba tondu no maragicollect at the District level

Kwoguo uhoro wa Central government gukorwo ina a lot of power, ni wathinitie andu aingi an makonaga, ta riu akorwo ni magoti andu aingi makoiga ati angorwo ni magoti angorwo ni macira ma tekaga for ever, cira ugakorwo high court uthiaga kuo, u post ponagwo and so on, makoiga angorwo ni magoti ni moke gukuhi an andu nigetha gutige gutuika ati hindi ciothe ugutura uthiaga. The other thing ni ati andu aingi mi manegenaga makoiga ati tariu angorwo ni borithi aria mandikitwo ringi marutitwo kundu kungi na matiri an interest kuma kuria mararuta wira. Makoiga angikorwo ni maramenya ni ithui turamandika wira at the District then matingi commit the crimes that they commit because they know that they are going to be transferred. The same with the teachers and so on, ati mundu niegutuka accountable tondu uria umwandikite ni ara muona an niara monitor uria kuhana.

Undu ungi woiguitwo muno ni andu ni uhoro wa basic rights. Andu makanegenaga muno ta riu uhoro wa githomo gutuika ati githomo ni kirerwo ati ni free an actually githomo ti free. Aingi makanegenaga uhoro wa health facilities, gugatuika dawa itionekaga and in some parts of this country gugakorwo dispensaries yakirwo igicoka ikihingwo tondu dawa ni ciagire, an riu ndaiga a nurse kuo aikara mieri itandatu ona gutari dawa ndangihota gu-treat andu nao magathii kuoguo no building itigitwo.

Andu aingi nimanegenaga uhoro wa poverty ati bururi ni wathinire muno and something needs to be done, and many people also complained about the security, tariu security ya guthii utuku, ndungithii utuku ni takundu guturaga curfew, niundu wa thugs and so on. What we have done ni ku-recommend ati under the bill of rights, twina, tuka-propose uhoro wa basic needs page 9 Page 9 ni murona hau ni twaritie uhoro column ya keru social security ikorwo, I responsibility ya thirikari ikorwo nira make sure ati ici ni rights cia individual, na rights icio cia individual no muhaka I full firwo ni thirikari, health is another one, na turoiga ati every person has a right to health, which includes which include the rights to health care services, including reproductive health care. An tukoiga ati no person may be refused emergency medical treatment, in other words ta riu uguo ungiro ni ura need emergency ona uthii Nairobi Hospital which is a private hospital, matiagirirwo no ku deny they can be sued, angikorwo ni marega kuhe andu emergency treatment. Although you may not go there for the regular treatment angikorwo, the Nairobi Hospital will be forced to take care of you.

May be I will(inaudible) on education again andu aingi ni manegenaga uhoro wa kuga, although turerwo education ni free it is not actually free, andu ni maranegenaga ni undu wa harambee ciana ni ira ingatwo ni undu harambee, kana ikaingatwo ni undu wa mabuku and so on, but we are saying that basic education must be free, and then andu aingi gukorwo ta riu uguo matiri nyumba nitui tariu Nairobi ni andu aingi maturaga nyumba cia maratathi, mamwe tari ma carton maturaga in the slums then if you may save the situation, kuuguo tukoiga housing is also a basic need, na ni andu moigire ti ithui tugite, uhoro, wa food uhoro wa gukoragwo ati andu nimarathii, nimaraga irio turoiga 60% of Kenyans live below poverty line, tukoiga nayo food water, sanitation and so on all these ones are basic needs and they are also basic rights. Kuuguo ni tu-establishate, several basic the right to live bill of rights, uria twikite ni ku make sure the bill of right guciria basics need nigetha thirikari ituike committed. Tukoiga ati and I want you to look at another page to look around tondu mundu no orie twerwo twina right so how do we implement? Right iria tuhetwo, so I want you to at page 35, page 35 there is something iretwe the Commission of Human Rights and Administration of Justice column ya keru, page 35. Ni mukuona handikitwo the Commission and Human Rights and Administrative Justice and that commission ira include human rights tondu nitui uhoro wa human right a lot of what has been done in human right and we know that you can go to this Commission to complain if your right has been violated but, then ungirora section B on the next page, ni ukuona handu handikitwo, in relation to the Jurisdiction of the people's protector ni wona hau B? People's protector in ombudsman na mwa twirite tu establish ombudsman. Ni column three hakuhi gatagati uguo handikitwo B, and then in relation to the jurisdiction of the people's protector. People's protector niwe ombudsman, ucio ni mundu uria turoiga ati the ombudsman niwe turoiga ati ungukorwo wina complains ciothe ona complains related to this three, no uthii kuri ombudsman. Nake ombudsman ucio niagiriirwo ni gukwira exactly where you go, aga ku-direct kuria wagariirwo ni guthii nawe mwene ageka investigation. Angikorwo ti undu angika directly niagiriirwo nigukuhe direction but also the investigation and also take responsibility of ensuring that you do not have to loose.

Mungirora, go back to the human rights and administrative justice nimurona nituroiga ati kwina the Human Rights Commission the people's protector which I have just talked about and Gender Commissions which we have talked about, and any such other Commission, and among this Commissions ni turoiga ni hagiriirwo ni gukorwo na basic needs Commission, and basic Commission andu matarihotaga thirikari niya allocate mbeba cia ku make sure ati gutiri mwana wi thukuru uriingatwo tondu ndarihite kina, kana gutiri mundu uraaga medical facility naniara-denial, kana gutiri mundu ura-need food, irio na ndanona kuria ingiuma. So uria twikite ni gwikira Commission iria ingihota gututeithia ku-implement the rights iria iheanitwo within the Constitution. Ta riu uguo ungirora human rights again ni tu wikirite provision nyingi muno kuringana an uria andu moigaga, ta riu uhoro wa ku make sure ati ndwagiriirwo ni ku arrestwo ouguo, na andu aingi ni makoretwo maki arrestwo kana ukaiguwo rumade thiku cigana una, an nduhetwo opportunity ta hearing kana ringi ku arrestagwo over the weekend nigetha andu magakuiga jera and so on. Kwoguo riu maundu macio mothe ma human Rights ni meko monitwo ni Human Right Commission.

Ni tweretweo uhoro wa vulnerable groups and I want to go back to the bill of rights again section was it page 9 where we were? It was page 9 now I want to go to page 7, sorry 26 first where we had the bill of rights. Nitweritwo uhoro wa women's

rights Administration of women rights, women rights ngwiciria nimuramiona page 6 from recommendations, and then nitweritwo uhoro wa old members of the society. Andu aingi nimoigaga ati andu ma-retire kana ona andu matuika older beyond 60 and so on, ni maraga andu akumarora and yet ukoretwo uki build bururi miaka miingi no riria waga hinya gugatuika nduri an bata andu magatuika neglected and we have put there all the members of the society, tukoiga ati people the right to participate fully in the affairs of the society andu magatigaga kwirwo ati ni akuru kuuguo matige kuruta wira. They have a right also to pursue their personal development akorowo mundu ni arenda gu-continue na githomo, tondu ni wa-retire kana ni urenda to do further trainings ni magiriirwo ni gukorwo na those rights they also should be free from all sorts of discrimination exploitation or abuse. Now abuse ta riu inyui mukoragwo an athuri akuru na atumia aria ringi ni mara neglectwo ni family ciao now you will think that no muhaka protectwo ni family namaprotectwo ni thirikari. Kuoguo muthuri angithii a report kwi the village committee ati ndaraheywo irio ndoiga muthuri tondu athuri kaingi matirugaga kwoguo mutumia ni ekwirugira ona akorwo akiri mukuru, no muthuri no aimwo irio kana tigwo? Tondu aingi matirugaga, niegu suffer more gukira mutumia in that respect. Kana mutumia akorwo ni aratunywo mugunda onangorwo ni ciana ciake, mathii ma report to the village government, uhoro ucio nimagirirwo ni kuu take up commission iyo turaria uhoro wayo human rights, nigutake uhoro ucio na ona family nayo hwo niundu wa ku-neglect the older people, but also angikorwo nayo family ndira hota kurora muthuri ta ucio thirikari niyagariirwo ni gu take responsibility. Tiundu muritu muno tondu South Africa, mutumia na muthuri othe over 60 years all those who are over 60 years nimahegwo pension, kana ni warutaga wira kana dwarutaga, wi murimi kana wi indigenous makinyia that age, makaheo pension like everybody else. Kuoguo ti undu muritu ati ndungikinga in terms of elderly people in society. We are saying that for older members of society have a duty to plan for their retirement to send their normal, so we are saying that the older people have a right in the society matiagiriirwo ni gutuika discriminated against.

Now the next page nimurona twina rights nyingi muno cia ciana, there are many rights of the children, na nitwaritie uhoro wa family and somewhere else we have talked about the people with the disability I think it should be in the next page. Persons with disability page 7, hau kianda nitwaheirwo submissions nyingi muno ni andu we have made the recommendations in this document. So this document nira take care of the various categories of people who are generally marginalized by the society.

Now there was another major issue andu mariririe uhoro wayo, nayo iyo ni uhoro wa migunda, uhoro wa land na andu aingi makoiga ati migunda ni ikoretwo na problem I want to see the page where it is towards the end page 28, hau turaria uhoro wa land and property andu aingi ni maririe uhoro wa migunda maririe uhoro ta riu central ni tweragwo ni twagirirwo ni ku have ceiling andu amwe matigakorwo na migunda minene some people moigaga andu maheo 200 acres and not more, angi makoiga 500 acres. Kundu kuingi ni tweragwo uhoro wa ceiling ya migunda, and of course kundu kuingi andu ni moigaga ati, ta riu what we call ancestral land migunda iria yari yao tene, ni magiriirwo ni gucokerio ningi tondu abedares matunyirwo 100 years ago, kuuguo riu ona aria mekuo migunda iyo tio marikuo, a 100 years ago, hindi iria migunda iyo yatunyanirwo. Ta riu ni tweragwo ni andu aingi uria riu Uasin Gishu andu a Trans nzoia nimoete migunda yao, akorwo ni communities ta riu ara metagwo Okiek in the Rift Valley makoiga nao tondu first of all riu tondo maikaraga mititu-ini, mititu ni ya temangirwo kuuguo micii yao ni ya

destroirwo, na makoiga no mohaka macokerio their original land. Kuri andu aingi ma-claimaga tariu Coast Provice ngwiciria nimui ati andu aingi maikaraga me squatters, na migunda iyo yakuirwo tene, muno by some Arabs who settled as the landless. In Taita Taveta District, nakuo kuu those areas, andu aingi ta riu kwi kundu ugukora District ngima iunitwo ni andu eri. Kuuguo andu acio angi othe mekuo ni squatters migundaini yao. Riu tondo uhoro wa migunda ni uhoro muritu, what we did ni kuuga ati nitugu-re-establish Commission ya land, with this Commission ya land is not in those Commission as the Njonjo Commission. Now the reason for establishing that, ni ati kwi maundu matangiaririo, without consultation at the community level. Maundu mangi ma gu take a much longer time, gu sort out, now on uhoro wa trust land, Migunda iria itunyanitwo, riu ningi aria matunyanite, matunyanite magacoka makendia, nake uria wenderio nake akenderia mundu ungi, kuogua riu uria, urathiii gwitia title, ni wa gatano, an ndoi nuu wa grabbire mugunda ucio. Riu kugeria gu sort out riu andu aya na gukinyira uria wa grabble mugunda ucio-ri, no coke uria wathii gwa thirikari –ini agicoka akiuma naniwe waheanire mugunda ucio-ri, ni nditi nene muno riu mundu e ku-need ku-follow in order to solve that particular probem. So what we have done is to say that we establish a commission nigetha uhor

Tondu ta riu ndungithii neyo tariu andu a Kipsigis moigaga ni marena ku own kuria gwitagwo kwao, gutigagikorwo Kericho District I think or Bomet District iretwo tondu makoiga every tribe niyagiriirwo ni gukorwo an kwao kuria moigaga riu guku nikuo, nikuo gwitu, no nigetha gutuika kwao no muhaka weherie aria angi, macoke kwao, kwa uguo iyo ni iria, very very peaceful an basically uria twekire ni kuga ati gwakorwo land and property maybe you look at page 28 again tokoiga that land being Kenyan primary resource, and the basic of livelihood for the people can be bought used and managed in a manner which equitable, efficient, productive and sustainable. Now every equitable without iyo..... (inaudible) ni getha watho uria uguthondekwo ukorwo u ki-deal an maudu ta macio, Equitable nigetha gutigage gukoragwo kwi an mundu wina acre ngiri kumi an uria ungi ndari an kindu, so we want to deal with the equitable distribution riu wathoini, tokoiga ati niyagiriirwo ni gukorwo I efficient, tondu ningi wagona kugayania tomegunda tuothe, mundu arime hake na no ukigairwo nginya mititui, uria mugaite mititu, riu wona kwagaywo mituti, nayo mbura ikaga, naguo tiri ukaga gutuhe anything. Kuuguo riu no mohaka tu-balance between equitable distribution na efficient management ya mugunda ucio an umithio, wa migunda iyo an sustainability, gukorwo ati migunda iyo ni igutura I produceaga. Kuuguo riu laws iria turoiga ciandikwo, they need to take that into consideration.

Ningi ni turoiga hau ati, the same shall design and keep.....(inaudible) a national land policy directed and ensuring among the others the following: Equitable access to land, uguo ni twaria, security of land rights, from all land holders users and occupiers including (inaudible) an tukoiga sustainability that is also an explanation of what I said those other provisions, riu kuogu put together a provision ya(inaudible) ni getha mahote ku-implement uria tura-recommend in the Constitution. Ni turoiga ati, on the same page ina nituroiga ati all land in Kenya belongs to the people of Kenya collectively as communities as individuals ati bururi wi wothe tiri ni witu turi ithuothe. Guku gwi gwitu as a community ta riu haha turi niha community kanitha-ini ino, as an individual ati mugunda uria wina mwene, nitwagiriirwo ni ku-respect maundu macio mothe. Kwoguo ucio nitwaritie maundu maingi uhoro wa tiri, an uhoro wa property nanitugite ati Kenyans nimagiriirwo ni ku own property anywhere in this country an gutiagiriirwo ni gukorwo kwina any sort of discrimination.

Riu ngwiciria nigetha tuhote gucokanaria tondu maundu ni maingi, andu nimaririe uhoro wa policies ta uria riu agriculture yagiriirwo nigutuika handled uhoro wa 8-4-4 tume 8-4-4, tucoke 7-4-2-3, namaritie uhoro wa policies cia health, namaritie uhoro twagiriirwo ni ku-manage national resources and so on, no maundu macio twaria onagutuika matira-appear in the Consitution, twina document iria ingi riu ira refer to policies ici cia thirikari uria ciagiriirwo ni gukorwo iri and it will be part of our report and the big report iyo turaria uhoro wayo.

Ni turaria uhoro wa Preamble, andu nimaheanire uhoro wa preamble nitwaririea uhoro wa goals ithatu na kenda nani tugite hau ati maundu mamwe matiagiriirwo cia bururi. Nani twaritie uhoro wa Supremacy ya Constitution, andu aingi makoiga ati Constitution ndiagiriirwo ni undu weno iracenjirio within 30 years igacenjia maita mirongo ni gucujia without a referudum, an maundu macio nita bill of rights, ndungienda kuigua uhoro wa irio an mai an health weherie Constitutioni-ni Kenyans matetikirite. Bill of rights itagiriirwo ni kuhutio without a referudum from the Kenyans.

Uhoro wa devolving power uguo turoiga turaruta power from the centre ugoka to the District, to the locational councils and then to the village councils, ndingicenjio without a referudum and so on. Kuuguo nitu omitite maundu maria makonie referudum.

Nitwahutia uhoro wa citizenship, an andu amwe ni moigaga ati Kenyans ni magiriirwo na dual citizenship, tondu tariu uguo unghithii some Kenyans when you get married to tariu akorwo ni atumia when they get married to a Mzungu or a Ugandan for that matter, as Kenyan you are supposed to denounce your citizenship no nginya (inaudible) within and you have to say tariu okorwo mwana waku anghithii America aheo citizenship ndagiriirwo ni gutunywo Kenyan citizenship, agiriirwo ni ku-retain cieri nigetha agokaga mucii an agathii an mbere an maundu make ma guteithia andu ao mucii.

Ni twaritie uhoro wa Judiciary na andu aingi ni maheanire uhoro wa judges and the judicial system about 107 pages, page I ngiri imwe an magana mugwanja cia report iraria uhoro wa Judiciary, andu makoiga ati Judges ni corrupt makoiga Law, bill of law I protectaga itonga, makoiga ona mundu oragitwo Judge ni eguthii akaheo ngiri ikumi, ciira ucio ugateo makoiga Judges ni andu very arrogant ona unghithii igoti-ini wathii ciira ura discaswo na githungu kana an lugha utaraigua an gutiri mundu ura care kana ni uraigua, kana nduraigua gugatuika angorwo macira I gotini, angorwo ni ciira wa mugunda mundu aciraga, agakua muriu agathii an mbere gucia agakua, muriu agathii an mbere gucira agakua agatigira riu the grandson niwe urarumirira cira ucio utathiraga, and there is no good reason ya macira guthira, gu-continue for so long, kuuguo andu maga-suggest ati Judiciary it is corrupt, ti competent na niyagiriirwo ni gwikwio overhaul an ngwiciria nimukiiguite nikio judges, manegenete muno tondu recommendations ici cii haha no uria andu ma-recommend na ni undu wa inegene ria andu, ria uria me unhappy with the Judges, and not only inegene ria andu, Constitution njeru tongikorwo tutari an Judiciary njega, ndingi-implementatwo tondu, nimwaigua ndamwira haha tariu angorwo ni Commission, mundu no athii igotini gohitanga angikorwo ni watunywo mugunda ni President because now is not above the law, he is below the law. Angikorwo no othii igotini, an igoti riu rituika nirikuhakwo na ithuothe nitui what has been happening in this country, the new Constitution ndingi take effect angikorwo uguo niguo guguthii, kuuguo

uria tura suggest under transitional mechanism towards the end of the page, nituroigite ati, uhoro wa judges uria turoigaga niati Judiciary, ndie kana nimurona page 47, toroigite page 47 column ya mbere at the bottom hena number 3, haria toroiga ati the judge who on the coming into force of the new Constitution, wona Katiba ino yoka angikorwo niakinyitie miaka 55 years, a retire niniegutuika entitled to benefits iria agirirwo nigukorwo nacio niniekuongererwo miaka ingi itano, nigetha atuike retired. Tukoiga angikorwo ndekwenda ku retire at the age of 55, tondu toroiga judiciary niyagiriirwo nigutuika cleaned up, niundu wa the new Constitution, angikorwo ndukwenda ku retire tokioga ati judge ucio no mohaka athii through code I haha, look at the previous page, page 44, he kindu kiretwo hau 5th schedule, leadership and integrity code. Riu no a subjectwo to this code haha toroiga ati nieku-declare wealth yake, niegwikwo investigation na akorwo akiri corrupt, niekubutwo nake a loose benefit icio ekuheagwo angikorwo an hetwo voluntary retirement. Now go back to the same page, page 47 no wone number 5, nituroiga ati there is going to be a Judicial Service Commission which will receive and consider all formal complains those pending before the anti-corruption police unit, the Advocate Complain Commission, the disciplinary Committee of the Law Society of Kenya, or the Attorney General against the person refered to, in clause two that means that Commision is going to listen to the judges you know to the complain sometimes the judges, and then they will make a decision upto what you know is supposed to happen.

Riu mungirora he recommendations nyingi muno iria turaheanite, no basically recommendations icio cia rehanagwo nigetha tugeria ku make sure that the new Constitution ni iku implementwo, tondu angikirwo magoti ni corrupt, an magoti mena andu matari competent, na magoti mena andu matari independent mararuta wira on the for the interest of politicians, then Constitution ndingihota kuruta wira wega. So I think I will stop it here for now, negitha andu morie ciuria.

Eliud Kariuki: Aca ngukinyitie haha uguo. Ni Councillor. Nitukumakite tukuonaga ta tutekwaria ni wega nituona nitukwaria.

John Kiboro Njuguna: My names are John Kiboro Njuguna and I represent the Catholic, Justice and Peace Commission Murang'a diocese. One, I must say to my former teacher there ati; draft iyo yandikitwo nii ningoretwo ndi incharge upto Nyeri, na Gatanga. Draft iyo yandikitwo ni uria akristiano a Catholic moigite. Kwoguo ndi sure tondu ndina draft iyo yothe uria moigite ati maoni maria akristiano maheanire nimo mwandikire na ni asante sana. Iyo ni decision njega. Undu uria ngwendaga kuongerera tu no umwe tu, wigie youth, the youth. Nithomete Katiba iyo wega ngarora muno ngona hatiri na youth. We only talk of a child, na child is fourteen years and below. What about fourteen years to kindu twenty-four? Mundu still uteri arahota kwiyethera ni murutwo, e Secondary, e Primary, what about the rights of that child? The right to vote, the right to education, the right to shelter, the right to food, all those rights you have left them out. Iyo ingi ngwendaga ku-emphasize uhoro wa farmers. Ni nii ndaheanete point iyo haha ya arimi na nindirona no ingire in the constitution.

Tondu uhoro wa arimi niukoretwo na thina muno in Kenya. Ta kuirwo atiriri the Government nigu-cushion the people including the farmers in times of calamity and we believe bad prices are part of the calamity. Ngiciiria hindi iyo murimi niekuhota guteithikira hau as part of the Katiba. Tondu nimuaritie uhoro wa labour, I don't know how you can put it in the Katiba also about taxpayers main practices. Ta uhoro uyu wa import cia sugar na whatever. Ta riu macungwa marutagwo S. Africa na ki na

guku Kenya niturakuria, na igoti ria Kenya ni so high. So that andu a Kenya matingihota kwendia ni thina. Kwoguo, how do you protect the farmers from that? I think you didn't say about that. He suggestion ingi yatumitwo overwhelmingly ati Councillor kana what we are calling council executives na councillor administrator in the constitution.

Nikueritwo andu acio makorwo na minimum standard of education na iyo ni mu leave it out completely. I don't know why. Ona gutuika kwiragwo, mundu no akorwo atathiite cukuru no technicalities iria ciikuo cia maundu ma mathomo na mabuku na kwandika na minutes, no nginya ikorwo na mundu wina minimum education ona korwo no Standard eight na agicoke akorwo oi guthoma na kwandika na githungu na githwairi kwoguo hau ningwenda ikirwo hau. Finally, my other two points ni constitutional conference hindi iria turari mucemano wa NGO's wa Ufungamano. Niturarorire turona, $\frac{3}{4}$ ya andu aria magathii constitutional conference ni politicians na politicians including me, you cannot trust on equality. Tond 222 magakorwo me parliamentarians. The other 210 magathurwo ni kanju.

Na rimwe ungira andu uhoro wa kanju, andu aria mathuritwo ni kanju nimaruaraga ni uria monete. Kwoguo 435 out of 600 magakorwo me politicians with upper limit. Kwoguo we are wondering as NGO's sector na tukiona uria tungika ni na ithui tukorwo na parallel constitutional conference ya civil society. Nigetha tuka-monitage iria ikuri thiini na uria andu moiga na ithui tukoiga na guku. Mundu uria woiga uru na ithui tukera andu nioiga uru, something like that. Lastly, we as opinion leaders should give the direction. Uhoro uria andu maroria kana Moi angibunja rucio bunge kana umuthi, what happens. We had an opinion, we had a practical solution and I want to give mine now; One, ni tu borrow from Kandara county council. Andu aya a Kandara urona haha, tutirihaga igoti, ni tuaregire kuriha kanju itaratuhe services. Kwoguo thirikari wona yarega Katiba njeru, na ithui twitie boycott ya magoti including ma kanju. Twike toria twikaga Kandara, Kandara tutirihaga na turi o muoyo. Kwoguo ona Kenyans ni maroigite uguo. Two, tu-support the MP, uguo maroiga matikahitukie finance bill nigetha thirikari ndigakorwo na any authority towards any matters of action.

Ma MPs, ma-supportage kuria, matikahitukie financial bill nigetha tumu-clip hau. Three, ni uguo twatukanite, ithuothe tuthondekete mahoya kwa Moi kuria State House. Two days walk. Twanjie guku ithui, muthenya wa mbere tukome Thika, tuhoere kuu. Wa keru ithuothe twi ta bururi republic tuthii kwa Moi, tumwire without it, it is enough. Iyo it is another way. The final one iria tuageretie gwika Ufungamano hindi iria inyui muathuragwo. Wona macio mothe marema, na ithui tuhingure thirikari iitu parallel. Tuthondeke Electoral Commission itu na tuthondeke mathanduku maitu na tuthondekete kura ciitu. Tuthurane na Katiba njeru nake athurane na tukorwo nake. Thank you very much.

Clapping from the audience.

Eliud Kariuki: Eliud Kariuki: Ambotige guikia guoko riu. Twambe tunengere Commissioner cabi acokie ciuria icio tucoke tucagure andu angi aria mekuria. Thank you.

Com. Kabira: Thank you. Ngwiciria ningucokia ringi na ihenya nigetha tugie na opportunity ya kuigua andu uria maroiga. Tonduni nituge ni draft, ndigutinda ngi-defend what I don't need to defend. Undu uria ngwika ni ku-prepare the report nigetha maundu macio mathii for further discussion. Kwoguo iria nguga ni tua-take note, tonduni Wachira niarandika report na nitura-record on the cassette. Having said that ninguambiriria na national days na njuge uhoro wa national days, freedom day tonduni ona thirikari, district yotha in the constituencies. Icio niirandikirwo na nindirerwo ni I-raise itwo elsewhere. Kwoguo uria tugwika ni ku-recommend. But also nindirona he kindu ki miss ite haha. Ate kuuga Madaraka day na Jamhuri day ni national days and then Katiba day. Ti kuuga we should not have any other national day, what we needed to add there ni ati Parliament will enact watho wa ku-declare any other national days. No gitumi kiria gitumite tuikire icio ni kuuga ati itagiirwo ni kueherio ni anybody na tutiretigira Parliament I-decide kana Jamhuri nigukorwo kuu kana ndigukorwo kuu as a national day. I want to say that we want to recommend uhoro wa freedom day kana Kenyatta day kana Freedom day ikorwo I one of the days that we are putting in the Constitution. Again andu aingi ni mara argue ati, nigetha turirikanage history, tutikae gu-take aga maundu for granted. Nituaririkanio uhoro wa Katiba, the rules to where we are today ati bara eyo yenjirwo tene ni andu aingi na aingi mathiite maki-walkaga on the same route upto where we are today. So, I think national day is something we will take into consideration. Now, citizenship.....gu(inaudible) you know watho naguo niku-explain. What are the conditions iria igutuma uheo kiria citizenship after those three years na gwi kundu kumwe ungikiuga ati, there are procedures iria ikurumirwo nigetha mundu aheo citizenship.

But if you think nituagiriirwo ni guikara miaka itatu kana ina kana itano, ona gutuika atumia to o mangihenio. At present arume nio mari na right ya confer citizenship kuri atumia aria mahikitie. Matuikage automatic citizens angikorwo ni mahikio ni Kenyan men. So, mutige gwicirio ati atumia no mekuhenio ona arume maturaga mena right iyo na matihenagio. I am not sure whether it is fair. Niuria agikuyu moigaga ati atumia me ngoro huthu. Riu ona ni arume aingi marahikio ni atumia mena indo. Githi tigo? Onao nomahenio kana ti guo? Ngwiciria tuhenagio ithuotha. But, niwega gwiciria kana miaka itatu ni miiganu ya kumenya maundu maria mothe mundu arenda kumenya. O bururi uri mawatho maguo tonduni ona America ta riu uguo, ungi-join Army ya America, after kihinda kiigana una no utuikie citizen tonduni ni wa serve bururi wao. Ofcourse unghika, kana ni mundurume kana ni mutumia, unghikira an America citizen, you automatically become a citizen either wi mutumia kana wi mundurume. Now, pensions for the constitutional offices ngwiciria kiria gitumite tuge uhoro wa pension for the constitutional offices niundu wa gukorwo ati turoiga those offices, ta riu obici ya Attorney General, ofici ya Controller of budget kana ofici ya Auditor General kana turoiga ni constitutional office ino ya Central Bank, the Governor of Central Bank. Those offices, ni offices ciikoragwo na a lot of power na ni offices na ni offices nacio ikoragwo na mawira maritu muno.

Nikio turoiga atiriri, angikorwo Attorney General arithuragwo na powers, ndari na independence. It will be very difficult for us. Arikoragwo akihuthirwo ni politicians depending on the powers(inaudible). Na nikio turoiga ta riu maundu mao ma pensions and so on, magiirwo ni gu-take into consideration. But that doesn't say ati bodies cia andu aya aingi othe, they are not going to be taken into consideration. One of the bodies iria irarora uhoro wa pensions and salaries ni Salaries and Remuneration Committee that we have suggested. So, uhoro wa separation of powers ngwiciria nitugeretie but the reason kiria kiratuma

tu-discuss nigetha tu-improve those separation of power to uria ngugaga uhoro wa Prime Minister na uhoro wa the Executive and I think gitumi kiria kiratuma tuuge ta riu ona akorwo na Upper House na Lower House na how you appoint the Judges na Judges mara-account to who. Turageria ku make sure ati Judiciary is independent na niukuruta wira wayo independently without interfering na Parliament ta uria mareka riu. Tariu matiagiriirwo ni gutuara Commission to court tondu Commission iyo by the way I-establish itwo ni Parliament. So, they are likely doing a job which is not their job.

The question nitugeretie tondu may be we can continue refining those relationships. Independence of the Judiciary ngwiciria ni tuaritie uhoro wayo na one of the things tureka ringi, we are bringing in the Supreme court na nituroiga ati the Judiciary itself manner in which mathuragwo. By the way you know ta riu Attorney General uria wetagwo, etagwo atia uria muikamba. Justice Muli. Justice Muli we mwene, athire akieheria tenure, security yake aki-propose yeherio, ofcourse under political pressure.

Ona akiuga ati, gutuika independent for me is not good. Obviously again because it was happening during the one party State it was easier for the Judge to be pushed or the Chief Justice, for the AG to be pushed nigetha a-recommend that kind of change in the Constitution, and the Constitution was changed within two hours. Na tukieheria tenure yake, so I think we are trying to make sure that the Judiciary is independent but what we have suggested is that there are things that we need to improve on.

No ugituire mwarimu. Now, Kadhi's court. Uhoro wa igoti riri ria aithiramu. It is not the first time, it is already there na one of the promises that Kenyatta made iria aheanire hindi ya independence to the Sultan of Zanzibar ni ati Kadhi's court niigukorwo I part of our old Constitution. Ucio ni uhoro wa agree irwo tene, some of the people who are here matari aciare na uria tuikite hahari no ku-make sure ati provincial level mena igoti riu. Na igoti riu ritira deal na maundu mothe rira deal na personal law. Mwanake uria uigire.

The part of law in relation to marriage. Uria mekaga ati. Niui tariu Ithiramu niritikiritie kuhikia atumia ana na nimetikiritio ku-divorce. Na ni mari process iria ma-divorce atumia acio na ningi uhoro wa inheritance. Ta riu akorwo ni muthuri e % iria agayagira nyina na akagaira mutumia wake na muiiritu wake na muriu na ciana ciao.

Kwoguo ni mari system ya aithiramu iria magayaga indo miciini na icio nicio turoiga ati ungikorwo ta riu nimuragaya indo na muri ithiramu muri inyue eri ti we wika. Angikorwo ta riu mutumia na muthuri ni ithiramu, no magathii igotini riu ria Kadhis court akorwo marena kugaya indo icio kuringana na sheria ya ithiramu. No mangienda guthii magotiini maya mangi no okay. Uhoro wa divorce naguo, mangienda ku-divorce nomagithie Kadhi's court nigetha Kadhi ama divorce and then uhoro wa uhiki, uhoro wa kuhikania, according to the Muslim's law. Otherwise maundu macio mangi, ta riu ndangiuraga mundu, umutuare Kadhis court. Maundu macio mangi marathii magotiini maya mangi no macio ni tondu...na ta riu atumia nimoigite, atumia niku-agree itwo atumia a ithiramu tondu nituraria uhoro wa equality ya atumia.

No riu ungirora Bill of Rights, ithiramu maroiga ati nimekwenda limitations ya atumia ya aithiramu nigetha marumirire watho wa

ithiramu. When it comes to inheritance, makoiga ati nimaraheo inheritance. Nimaragaya indo kuringana na uhoro wa ithiramu, na ithiramu riti discriminataga. Samuel Mbugua, protection of the farmers ngwiciria mheshimiwa niekuaria uhoro ucio. David nake, uhoro wa currency na Kenyatta, ngwiciria ni andu aingi meritwo uhoro ucio particularly Central province. Amwe moigaga, Central Province tweragwo tuikire Kenyatta, angi moigaga tuikire Mt. Kenya.

Kuri angi moigaga tuikire kahuwa and the other persons in the country nao ni ma makaga their own recommendations uhoro wa currency. But I want to say I am not sure because we did not deal with it. Kwoguo ni issue tungi-raise ringi. So, we did not say anything about it. Uhoro wa borithi nitugeretie ungirora in the document, uria turekire ni kuuga of course prisoners are allowed to vote. Isn't that true? They have a right to vote even if they are in prison.

They don't have a right to vote? They were not allowed. I know we have allowed them to vote. Na kwanja aria makoretwo ona kurugama gwike nikuo magiritwo. It is not the voting in this Constitution ni kurugama particularly ungitkorwo wina miaka iigana una. I will check when we are moving on. Prisoners nimagiriire ni kuvote. I think there could be no good reason to keep them from voting. To make a decision about what type of a Councillor they want. I think they are allowed to vote and I think it appears somewhere but I will check. Uhoro wa supporting farmers, this is John Njuguna, I think he will deal with that. To go back to the police, what we had done ngwiciria, what we have done nikuuga ati the Commissioner of the Police is now a Constitutional office. Kwoguo riu Commissioner ucio like the Chief Justice egukorwo na the same independence nigetha agatigaga guthurwo kuringana na nuu uratongoria kana kuringana na nia urenda mahinyiririo. So, egukorwo na tenure of office ya miaka ikumi na ndangieherio ni the President. So, what I have tried to do ni ku make sure that there is an independence of the police and we have said there are no police force anymore. We are calling them police service. We have also introduced Police Service Commission nigetha that Police Service Commission I-deal na hiring ya borithi na uhoro wa michara yao and pensions and so on. So that we have a police service itari so poor kuri riu o maikaraga o ene. Matukana riu na mikora na andu aria angi othe tondu onao mari ona thina. Instead of protecting you, they add to the fighting.

Ta riu kundu ta Busia tweragwo tu-legalize local brews, manyuaga o uria mekwenda tondu borithi, the only reason why there are police ni kuharass andu tondu nimaranyua. Otherwise gutiri wira ungi. So, na tondu andu nimaroiga ati matiagiriirwo ni kugirwo manyue kiria marendu kunyua. Kwoguo wona ya legalize gutigikigia na role ya police. Kwoguo riu borithi nayo nigugithira in Busia tondu gutiri wira ungi mekaga tiga guthii ku-harass andu. Namakoiga ati marathii kuma-harass tondu ni maranyua no mathii kuo mathiaga magacaria njohi kinya rungu wa mattresses wa ikondoro. Tondu nimamenyaga kuu nikuo mundu ahithaga igana riake.

Riu maka pretend ati ni njohi maretha no ni mbeca. Riu makiuma kuu magakorwo nimaiya mbeca ciothe kuuma nyumba iyo. So, we are saying that tondu police they are a very important force niundu wa ku-maintain security na turoiga security is one of the basic needs iria turoiga Kenyans no muhaka makorwo mena security. Na ta riu nimui ati, maybe I am sure that some of you know.

Ta riu Nairobi is one of the worst cities. Not only in this part of the region but in the world. Kundu ta Khartoum na nituiguaga kwi mbara Sudan, ni ugukora andu makiendia, magika business ciao thaa mugunjwa cia utuku. No riu wi Nairobi gugikinyia thaa igiri , thaa ithatu na ta riu riria turandikaga Katiba tondu nituraikaraga Kencom kinya thaa mugunjwa cia utuku. Between riu the time andu mambiriria kuinuka thaa imwe kana thaa igiri, uthii ukiiguaga atumia matengeretio na kuu, nduramenya kana maratengerio ni streetboys kana ni mikora kana ni borithi. Akorwo ti mukora uragutengeria ni borithi urakuria wathii ku na ni thaa igiri cia utuku. So, we are saying that security nayo ni id-determinaga kana ni tugukura in terms of the economy kana economy niigukara kana ndigukura. Kwoguo ni very important to improve on the police force and make sure that thigari they are well looked after and one of the things of doing that ni ku make sure that twina police commissioner who is independent unghahota kuruta wira miaka iyo ikumi. But we are saying nake niegu sign code of conduct iyo twaririe uhoro wayo mbere, a-declare wealth yake na maundu macio mothe tugite. Na akorwo mundu ara declare wealth. Uku-declare utonga waku wothe na wa ciana ciaku iria below 18 and they are not married. Tondu kuu nikuo riu ningi andu mahithaga utonga wao, na ciana iria I below miaka eighteen. No tukoiga ati nigetha tugie na leadership culture ya andu makahota ku make sure that okorwo ni muborithi ni a protect andu. Okorwo ni thigari ciake nacio ti corrupt tondu kuna police service commission, and all their needs are looked after.

Uhoro wa...ukuragia whether it is possible to reduce the powers of the President and we are saying that in the next Constitution powers cia President ni nyandike hau na ningi the Parliament we are also trying to strengthen Parliament. Na Parliament by the way ni improve ite muno. The last Parliament, in terms of getting power for itself. You know trying to strengthen its own capacity. He heretio uhoro wa kwiyongerera mbeba. Nigeretie ta riu gukorwo na Parliamentary Service Commission, nigeretie gu-strengthen committees ciayo. Ringi ngwiciria nimurona ta riu o korwo ni committee ya Public Accounts Committee, ni irahota gwita PS na the people responsible magoka ku-account you know to the public uria mekite na mbeba. So, what we are trying to say ni ati, ndangihota ku-get those powers any more angikorwo riu powers icio ni I-reduce itwo igatwarwo kwi Parliament. So, we may not have to retain position ya guthii back to where we are now. Ta riu uguo ndari hindi angirahotire ku-dissolve Parliament.

The current Constitution had said here that he should not dissolve Parliament. Mr. Njuguna, I want to convince you that it is true, section ya youth ndiri ho na ni raise itwo ringi. So, we will speak on that for further discussions. (inaudible) support, I think I am going to leave to Mheshimiwa Karege including the importation of sugar. Constitutional conference being dominated by politicians. I think...ngwiciria ni ma that constitutional conference, although tuthiite kuringana na watho uria wahitukirwo Parliament. You will remember uguo Mheshimiwa Karege oiga ati twari na two parallel processes. What we called the Peoples Commission iria ya Ufungamano and the Select Committee, Parliamentary Commission. Na riu Parliamentary Commission, ni wira warutirwo through Safari Park, Bomas, then Safari Park then Ufungamano and so on. But I think what happened ni ati the Select Committee which worked on this Bill and the people who negotiated the Bill came up with the law that we have now and therefore the Commission is not making any decisions about composition of the constitutional conference.

Turaria kuringana na watho uria wahitukirio wa ku make sure that the national constitutional conference is constituted according to the law. But I want to agree with you that twenty five percent of the national constitutional conference niyo ina religious organizations na the civil society. That was one of the negotiating point for the civil society to make sure that we have at least twenty five percent of the national constitutional conference ikorwo I ya civil society and that is what is happening now. But we agreed that it is true that there are more politicians than any other section. I will ask Mheshimiwa to inform you.

Gachamba: Ha maritwa njitagwo Robert Kang'ethe Gachamba. Kiuria giakwa ni giki. Niki kiratuma district ino ya Maragua ithui turi akuria a indo ta matunda na nitukoretwo na problem ya matunda maitu muno. Tondu mekuo bururiini na market nigiaga arimi muno. Nangwiciria haha nokorwo no andu ta atano matari matunda macio aria mari aguku. I don't know what you are saying about that. Hihi maundu ta macio ma take into consideration. That is question number one. Hihi no mututeithiririe thiini wa Constitution gukorwo na andu marihotaga wira na proper marketability ya indo icio kundu ta Ruraya. Tondu riu the people benefit in the areas, andu ta KAG they are multi billionaires. Ni andu atongu muno and the first time you came here they had nothing. Nii personally nindamatuaragira that was way back 1978. Nindamatuaragira namakarega na matiari mbeca. No today riu turaria uguo, andu acio nomagure ona Maragua ino I yothe. They are so rich. Ngugiciria hau no mukihote gukimenya what we could do nigetha arimi mone kindu mangiteithika niki mwena ucio wa farming.

O toria gukuaritia uhoro wa kindu ta kahuwa. The second issue ni mai. Mai is a natural resource itu thiini wa district ino ya Maragua na Gatanga tondu mai mena guku Ndakaini. Eliud Kariuki: Number five oima haha.

John Njau Karanja: Ritwa ni John Njau Karanja na nii ngwendaga kuria ciuria ithatu. Wa mbere, Chapter three A, B, and C. It is talking about life dependency na ndarora nyamu iyo nindirona niroiga wa mbere ati; a person has a right not to harm. (inaudible). Niundu wa atongoria aria tukoretwo nao. Tondū it is so that, right from the grassroot i.e. village level to national level kwina andu aingi muno makoretwo maki rule indo cia muingi. That is one question.

The second question. Ngwaragia uhoro wa Chapter five, 43, A, B, and C. It is talking about right to privacy. In this right, it is telling us that; a person has a right not to have the possession(inaudible) and property. So my question was; Tigukiuga andu aya aria maiyite indo cia muingi, right from the grassroot i.e. village level, national level, they are protected by this law.

Second one, how does the Constitution guarantee that there will be no power struggle between Prime Minister and the President tondū ino nayo ironania andu aya eri nomakorwo makioya powers. Kana umwe niekwenda gukorwo aki overshadow uria ungi. Iyo ingi yuma on the freedom of religion. Ikugaga ati mundu ena right. Haha ndina kiugo kimwe tu ndirenda kuhuthira; practise. Tukigweta uhoro wa devil worshipping. But apart from devil worshipping there are other religions that have some practices iria ironeka niirathii igakira. Igathii ikahutia basic human rights. Ta riu mundu nieguserve this; it is my religion which has that opinion. That is my question.

Riu ri kinya hau umuthi ri, maciaaro maria mothe maroneka bururi uyu na maria matumite tuikare haha ni kiugo kiu gietirwo Mau Mau miaka mugwanja. Na mundu ungi egwiciria atiriri ati nake mundu uria wina haria Githumo ri ekuga onake niaruire.

Uguo tiguu angiuga tondu mwaria ma ariho. Muthungu oi bururi uyu uria wamuigire na uria waukomborire ni matura matatu. Na akimahe marua, Gikuyu, Embu na Meru. Na nioo maneirwo marua macio metagwo bathi buku ati ndangiuma haha oime location ino athii iria ingi atari na bathi buku. No omuthi andu acio ri nimariganiire. Angikorwo matingiririkanwo thiini wa Parliament ini iria I yao ri kana bururi wao ri makaririkanirwo ku?

Reke njuge riu without reference policy iyo as an example ri, uria toroiga niati turenda thirikari, policy ici ciao ikoragwo igicekwo ni different people for instance, of course ta iria ikiritwo ni thirikari igakorwo niya function ni Parliament, uguo niguu toroiga, tondu Parliament niyo ira represent andu naniyo ina the will of the people nigetha Parliament yo nyene which is the policy making body ika make decision, no turoiga ino ni very important tondu ona tariu uhoro wa budget uria thirikari igayanagia mbeca, Parliament ndikoretwo ina power ya kuuga riu niugucenjia budget kana ni iku decide priority mwaka uyu niki no riu nituroiga in the new Constitution at Parliament no muhaka ikoragwo iki-participate ona ku-prepare budget, which is a policy iria iramuona ati riu for the rest of the year ri turenda kuhoya mbeca ni undu wa uu, no uu no uu, turenda gucihuthira an njira ino ona turoiga Parliament the relevant committee ika participate in preparation of that budget now ona Parliament iheo rutha rwa gucunjia ta riu uguo distribution ya mbeca. In other words nituroiga ati policy cia thirikari-ri ciatiagiriirwo nigukoragwo ci-implementwo citegucokwo ni the Lower house and the upper house.

Mari oika now no ngwiciragia hili Kenyans nigukienda thayu kana kuuga hatiri undu kwi maundu mangi mekagwo matekikaga mabururi mangi, ta riu gukorwo riu Kenyans riu twi hakuhi mweri gukorwo twi on strike, but ota uria ngugite mbere riu ndirenda tugacokia ciuria ciothe nigetha at least to make sure ati problem iria turarehe niturecira turama address atia in the new Constitution definition riria tuoga the new Constitution. Nani ngucokerete ati uria turageria gwika ni ku make sure ati teachers that the Teachers Service Commission ni independent nigetha ona aya onangorwo ni ta riu salaries cia arimu cigatigaga gukorwo ati its such an agreement between the

Riu uria kuhana at present niati iyo yari agreement ona thirikari no thirikari niyugite ndiku obey that agreement. But let me also say something else ati nugukorwo gutari mbeca if I may put it that way, niati tondũ Kenya nithini, nitondũ wa corruption ni tondũ wa priorities citu ta uria tugaga ta riu uguo Ministers andu magakorwo mena ngari ciroima millions it is not necessary. Gugatuika akorwo ni Judge araeo ngiri magana kenda nake mwarimu ngiri inya mbeca icio ciothe cia judge umwe mweri umwe nicirihe arimu a Division ino yothe. Kuuguo priorities citu-ri, ona uria turihaga micara-ri there is something wrong, niguo turoiga ati tungikorwo twina thirikari ira deal ona corruption tukorwo twina thirikari iraria uhoro wa devolution of power nigetha tutige gutuika ati Nairobi niya decide arimu othe in the whole country matikurihwo tondũ riu kurwo nituroiga uguo District igakorwo ina mbeca cia kuriha arimu ao-ri, tungikiri arimu aria mangiragoma ni aria matararihwo, kana tiguu, no riu tukoretwo ati aria mara-control the past aria mara control no mara make decision ya arimu matikurihwo ri, that power ikoretwo at the center, nanikio turoiga atiriri tondũ niingoria tugwika atia niguo turoiga Katiba njeru niroiga ati kura nomuhaka icokerio kuri andu nigetha gutige gutuika ati Nairobi arimu matikurihwo, matikurihwo those decisions cirri mikagirwo at the District level. Nano turoiga ati Katiba ino niironania hena provisions nyingi muno cia uria tungi deal ona corruption nigetha ona uria tungi deal ona equitable distribution kugayania utonga kwina njira njega nigetha tutige gukorwo uria tuhana riu tondũ Kenya uria ndiramiona niati we are among the top in terms of the differences between the rich and the poor o uria JM oigire ati we have 10 million paupers and ten millionaires niguo? Ati ti utonga tutakoragwo twinaguo, ni policies citu njuru niuria tuheanaga micara twikaga uru ona corruption iria tumaga tariu tu misuse a lot of resources. Nanikio turoiga ati ona andu aria megukorwo magitongoria thirikari-ri, nimeguthii through the ethics and integrity code, nigetha tugakorwo twina leaders mara take sorry first of all matari corrupt and so on.

He mundu uria ungi uma number ithatu ikuritie uhoro niki kiragiria tukorwo twina thitima in this area nangwiciria uguo noguo tukwaritie mbere ati uhoro wa District priority, tariu thitima kana tariu ati taguku turi gukorwo kwina thitima, ti undu tungi deal naguo in the Constitution, no information o ino yothe ona recommendation uria ciokire kuma guku nicira appear report-ini iyo ngwaritie uhoro wa cio, nani turoiga ningi power ingiuka District andu nimukohota ku-priorotize ona ma take thitima as a priority.

Nake Kinyungu niekwaritie uhoro wa land ceiling nani ngwaritie land ceiling hanini rucini riria twambiririe, ngoiga ati tukiaria uhoro wa migunda no muhaka twarie uhoro uria ikuhuthirwo wega uria ugukorwo ina equitable distribution ona uria tugukorwo ona productivity touria turoiga tariu Central Province tumigunda twagayanirwo muno niundu wa migunda kunyiha, ona tukarimwo muno, in such a way ati migunda iyo ndihurukaga in a way kuguo agathii, hinya wa mugunda naguo ugathii ukinyihaga ugakora kuria mbembe yakoragwo I mbembe nene muno ati riu mbembe iyo iraruta minyura iya feet igiri. Naniguo turoiga ati riu kuguo uhoro wa migunda ona uhoro wa kana mundu niagiriirwo ni nuthu acre, kana ni acre imwe kana ni ngiri igana, ucio niguo tugire ati nigetha twicirie uhoro equal distribution, ona efficiency ya kurutira migunda iyo wira, ona migunda ituike productive ona icoke itwike sustainable I tugakorwo tariu niirahota kuruta iri umuthi naniarahuruka, ona ikarimwo ringi tukoiga ati iyo ni area turecira I dealwo nayo ni the land Commission iyo tu-proposite in the document.

Nake Stephen Mwangi nikwaragia uhoro wa globalization, privatization kana policies ici nicirahota gututeithia kana globalization and structuring, privatization tariu ici nicirahota gututeithia. No tondu nitwoiga ni economy itu irathii, gutironeka ta tuhotete gwiteithia, with all these policies, nagwiciria kiuria kiu no ngutigira mheshimiwa nake a respond to, tondu nikiuria kina bata muno tukiuria niki kira tuma ati o mwaka tukorwo no guthina, turathina, riu according to government statistics 60% of Kenyans ni athini below ti athini me rungu rwa uthini they live below poverty line. Akorwo athini me hahari 60% me below thina ucio, kuoguo me minus mathinite nakuo gwitu tugaga mathinite ta athini aka ngoya I makiria. Icio ni statistics cia thirikari niki kiratuma ati policy iria tukoragwo nacio no igoti norirarutwo, tukorwo ati no guthina turathina ona issues I am sure nikurespondwo mheshimiwa uhoro uria tura-manage uria tura manage onangorwo ni those parastatal tariu ungirora parastatals nyingi andu maraheo tundu ma belongite to another tribe aria angi makabutwo tondu they belong to the wrong tribe. Uhoro wa corruption uhoro wa 10% ona maundu maingi but I live that to Mheshimiwa to deal with.

Now Maina wa Njoroge on public holidays reke njuge, ugire niatia tureka nigetha to make sure ati andu othe, andu mena irio muthenya ucio wa public holiday. Ngwendaga kuuga ati Katiba ino ya keru iroiga atiriri, ati thirikari I make sure every Kenyan ena irio, to muthenya wa holiday, everyday, including muthenya ucio wa holiday. But I also know something at least ninyonete kundu ta Netherlands ugathii kuo ugakora kwi hindi andu makoragwo mena muthenya wa kuririkana aria matari ona indo, no uria mekaga nia ati tariu okorwo ni micii ona town, andu makaruta indo-ini icio ciothe mena cio, kwanza aria matari ona nyingi iria uramenya ati nduhuthagira nandu, nao aria matari nacio magoka makiguraga, no mundu aguraga riu ringi ukagura ciringi ithano ukagura thaburia cigana una, ukagura cookers ciringi ikumi, ukagura nguo ciringi ithano, nariu although ta riu iyo ni policy ya thirikari ya Netherlands, ika make sure ati gutiri mundu okoragwo atari ari nguo kuoguo andu acio nimakoragwo ona winter uguo nguo ni very important, tondu winter no ikurage, ungitokorwo utari nguo. Kuoguo I am sure riu policies ta icio no igateithania, no ningi turoiga atiriri no muhaka tukorwo twina thirikari iku make sure ati we have food every Kenyan family has food, not only on holidays but everyday.

Now Joseph uhoro wa street children nitwandikite iho under section iria kugwetaga ya ciana, the last paragraph iroiga ati we must take responsibility ya homeless children twa decidire kumita handu ha kumita street children nitwaritie uhoro wa cio ona ethic and integrity ningugite hena Commission iretwe Ethics and Integrity Commission nayo iyo niya ku make sure that atongoria othe they are going to be free of corruption, atongoria othe nimegukorwo mena people of integrity and it is also a way of helping usm curb corruption and so on.

Now David Chege uhoro wa migunda ngwiciria nitukwaritie twa suggest ati maybe nitu ku-need ku-improve section iria ya land nigetha tu make sure that nitwoiga grabbed land although ndingi appear in the mean time, nono I appear in the transitional position ati migunda iria ikoretwo itunyanitwo kwanza public land, ta research land tariu okorwo ni ya KARI and other areas ADC and so no icokio noningi no twaririe uhoro how difficult it is to deal with land, tondu ringi mugunda wa grabbirwo 20 years ago, ukienderio mheshimiwa nake akinyenderia, nanii ngienderia Wachira, and that is why we are saying it will take a bit

of time ringi some of this grabbed land, to be taken on board but I think under Human rights and Administrative Justice, we should add grabbed ngwiciria uguo nitukugite nituku pick on.

Uhoru wa unemployed no David ukirite uhoro ucio, uhoro wa unemployed ngwiciria once again nituroiga atiriri, proper utilization ya resources tungithondeka resources citu wega tucoke to devolve power to the District level ona tu get people to participate more, nimekuhota ku deal ona employment, but I think ungirora Constitution I yothe, ni ira deal maybe not specifically with un employment although it should be one of the basic needs that we have talked about.

He Kiuria kiuririo ni George, on elections and I am living that to mheshimiwa Karenga. Now Samuel niekwaritie uhoro support ya thibitari, no iyo niyo tukugite ati that twina People Protector Commission natwina Basic Needs Commission naniguo tukugaga ati ni very important under the new Constitution acio nimekuhota ku-monitor ku-make sure that andu aria matangihota kuriha thibitari, they are taken care of, and their basic needs are met.

No riu angikorwo that is going to happen nigugukorwo ati akorwo mundu waku akiri thibitari ta Kenyatta, probably not in private in hospital, but private hospitals nacio ititekiritie according to the new Constitution kurega ku-admitt mundu uroka with emergency needs.

Current curreny to be covered, ucio nake Mr. Gacheru niwe ukuritie kana mbeca nicigucokio, that one ni ira appear in the recommendations in the main report tondu ni kindu very temporary but it appeared in the report as a recommendations, and all these recommendations in the policy recommendation are also going to be submitted from government to Parliament.

Now wa Mwangi niekwaritie uhoro wa thibitari ona drugs no uhoro ucio gwiciria nitukwaritie kabere hanini tukoiga ati nitura recommend thiini wa new Constitution that basic health needs uhoro wa health ona uhoro wa drugs thibitari ikorwo cii a Constitutional rights for every Kenyan, and therefore nitwagiriirwo thirikari niyagirirwo ni ku make sure it happens.

Uhoru wa njohi, nanginguwetete hanini we could not put it in the Constitution, notariu uguo ngwiciria nimui ngwiciria ona ni Murang'a andu makuite nikunyua ni kumi, kumi,? Ona aria angi makiure or they became blind ona aria angi, aria makuire last year andu hakuhi magana meri niundu wa kunyua kumi, kumi. Kiuria kiu ningugite gikuritie uria tutekaga and I think ningutuika inefficient although it is also recommendations are in the report, ati nitwagiriirwo nigukorwo twina standard bureu of standards, itagwo atia burue Kenya bureau of standards, igakorwo iki-monitor maundu ta macio to make sure ati kiria kirendio, gitingi harm andu.

But tariu Uganda has dealt with it in a different way. Uganda uria mekire nikuga ati okorwo niwathondeka njohi riu ona chang'aa wee ndukwendia, ikugurwo ni Brewery lets say the equivalent ya Uganda brewery. Wona magura riu nio meku monitor ati ndiri ona ini chemicals, ndiri ona any problem ndingi course harm to the members of the community the once who are drinking.

No riu we ukumenderia nao ma make sure ndikiri njuru, o magacoka makendia, no nduri ona rutha ona kwendia, tondu ona kaingi njohi icio kuria cithondekagirwo, ona ungira andu maciendie, macithondeke wega, they are also prepared sometimes in an unhealthy situation, kuuguo ngwiciria iyo ni area riu ndungiuga andu manyue, tondu ona mungienda kwiuraga, Constitution ndingimuhe rutha, rwa kwiuraga, kana tiguu? Ndungiuga ati tuheo rutha rwa kunyua kumi, kumi twenda gukua tukue, the Constitution cannot guarantee the rights to kill yourself. We know that ona ungigeria kwi ita, githu to unyitwo ona utwarwo borithi. You do not have to do that, kwoguo ngwiciria niati what we are recommending, niati it is important kuuga ati local brews niciagirirwo ni ku-encouragwo and of course with a certain age, tariu nitweragwo akorwo ni Busia mwana wa 18 years ndedagirio, ona atumia aingi nimoigaga tariu mwena ucio wa Luhya land ati andu matikiagirirwo ni kunyuuga nginya ona ndungimanya njira, ya kuria urathii and so on. But what we are saying nia ti thirikari ndiagirirwo ni guki ban njohi traditional brew muratina naki, but thirikari also ndingiuga ati heane ati bracket Commission ati anything irathondekwo no inyuo, because we also have to take care of the health of the nation. Kuuguo ngwiciria but that will not appear in the Constitution that but it appeared in the recommendation.

There is somebody who talked about the corruption of the police a young man on this side, and I was saying that ngwiciria ningwaritie uhoro wa uria turageria gutua Police Commission an independent Commission sorry Police Service an independent service and we are trying to make Police Commissioner we mwene a Constitutional office nigetha akorwo ena independent ona ahote security ya andu. We are also saying they should not matiagirirwo police force, magirirwo nigwitwo police service tondu ungiona borithi guku, mundu abaga kwihitha tondu ndoi niki egukuria, either ona no akurie urathii kuu naniguo tweragwo ni andu aingi kwanja Western Kenya ona Nyanza ati mundu tondu ni mugeni agakora sub-location yaku arakuria uma ku nawathii kuu, no wi mucii you are not going anywhere and you are not coming from anywhere, wi mucii. So a lot of people makoiga ati police force I hana, it creates terror among Kenyans, nakuma harass handu ha ku ma-protect. Mabururi ukiona borithi ukorwo wina problem uguthii kwi borithi, nakuo guku ungiona borithi ugu take njira ingi tondu ndui megukuria ki, ona no ukora utehitie, so we are saying that police service needs to be independent tondu onayo no irithiaga through the Ethics and Integrity Committee, just to make sure that people are in good conduct.

Uhoro uyu wa igoti ria itharimu-ri I want to report again ati, igoti riri rira deal ona uhoro wa marriage, inheritance and divorce, and only when both of them are muslims, riu family ya itharamu. Kuguo gutiri undu ungi ira deal nanguo only on marriage, property inheritance and divorce. Kuguo riu ona itharamu rio riene maundu maya mangi mothe, kana ni nyumba ara kwenderia kana ni matatu yake uragurire, kana ni mundu uroragire an niaguthitanga, maundu macio mangi mothe marathii kuri igoti general, nanigetha tugerie ku avoid the possibility, ngwiciria he mundu waririe uhoro ucio, the possibility of ngwiciria ni Kamau ukugite uhoro ucio the possibility ati any time, nitugakorwo twina sharia law, tondu iyo niyo fear. We have stated clearly in the Constitution the same and religion, are separate kuguo gutiri hindi kungitwika ati riu religion itu ithuothe ni itharamu, ona ithui gutiri hindi tungiuga ati religion itu ya bururi ni Christianity kuguo itharamu ritiku –follow their own religion. So it is important tugerie may be ku understand that.

Now ngwiciria uhoro wa ningugite ati ino ni agreement ya maketwo with Kenyatta and Sultan just before independence and the question is kai tutangimicokera why can't we you now revise them, but what about if the muslims themselves, it is in the religion of the muslim it was made in the interest of the muslim, it will be very difficult kuuga ati tumi revivis. All these things are on the table for the National Conference, I know the person of the death penalty Kamau niekuritie, and I would say that death penalty does not fall into the jurisdiction ya itharamu, is that correct so kuguo matingitwira in the Kadhi's court, ndingi decide ati mutumia uyu niekuragwo toria mara decidire in Nigeria, ndiri ona that jurisdiction, ndiri ona power ya ku-decide ati mutumia niegutwirwo the death or anybody else for that matter. The question iria ukuragia ni why not handle it the customary law. Because maybe customary law are not really religious laws. There are some cases where noturoiga ati customarily law, it still remains one of the laws cia bururi but a local people have said been operating with both customary law, the common law.

Mr. Mwangi nake niekuritie how government is going to be dissolved and I will live that to mheshimiwa and even about the currency because we have talked about it. Now Magadi Soda, somebody said mbecha cia Magadi ithiaga ruraya, ngwiciria mheshimiwa nioi uhoro ucio niegutwira.
