Undu ucio ungi uria turaririe ni Chapter two. Uhoro wa national holidays. Madaraka day iyo nituroigire ni njega, Jamhuri nituroigire ni njega no muthenya wa gatatu uyu uretwe Katiba day tura suggestire kana turarecommend witwo national heroes day. Muthenya ucio ukorwo uri muthenya wa kuririkana andu aria mekiire Kenya maundu ma bata ta Kimathi, a Ghama Pinto, a Jomo Kenyatta, a Jaramogi, a Professor Yash Pal Ghai na Commissioners ake okorwo nimekuhota gucenjia Katiba na njira iria yagiriire. Andu acio nio tureciririe ati muthenya ucio wa Katiba tusembua witwo national heroes day.

Uhoro wigie fundamental human rights. Turoigire githomo na uhoro wa thibitari icio ni human rights, na tukoiga ati lugha iria ihuthiritwo hari the last Constitution, muhuthire lugha igu-force thirikari gu-provide services icio kuri andu.

Chapter eight on Executive, hari Article 156 (B) iria iraria uhoro wa miaka iria mundu agiriirwo ni guthurwo atuike President. Ithui nituraregana na clause iria yugite ati mundu akinyitie miaka seventy ndangirugama atuike President. Angikorwo andu a Kenya na ugi wao nimona mundu ati ucio niwe wagiriire na andu a Kenya mamwitikira. Hatiri na gitumi kiiganu gia kumugiria athurwo ona ari na miaka igana angikorwo ni andu a Kenya metikira.

Undu uria ungi turaririe niundu wa University degree iri requirement ya mundu gutuika President. Nituroigire ati, nitui kuri na andu aingi a Kenya matari degree na ni successful in their parts, na turacoka turarikana kinya mundu wetagwo Sir Wilson Churchill wa kuria Britain uria wageririe gwika kigeranio kia Form four maita matatu akiguaga. Wathani wake wari wathani mweka hari uthii wa mbere wa Ngeretha.

Kwoguo ithui niturenda kuuga, andu a Kenya mangiona mundu niagiriire. Hatikagie na uhoro wa kuuga ati mundu ndari na degree. Undu uria ungi turaririe ni uhoro wa Prime Minister. Turoiga Prime Minister tondu akiri na executive powers, turoranagia atiriri, I tungikorwo na Prime Minister uri na kiongo kihuu na President uri na kiongo kihuu. Githi to mature macindanaga thirikariini. Kwoguo tukona handu hau nihekubataru gukorwo na very serious separation of power. The issue about the youth has not been addressed in the draft Constitution of Kenya. Yet the same youth who form the majority of Kenyans are jobless, landless, despite the fact that they are the most active people in the society trying to develop family units.

Kindu kiria gia keru ndona giti address wega ni uhoro wa health, the issue of medical health here has not been properly defined in the draft Constitution. The Constitution should provide and advocate for free medical care for all. Issue iria ingi ni uhoro wa planning. Planning for public social amenities like building of schools, dispensaries, towns are not addressed in the draft Constitution and therefore they should be addressed.

Issue iria ingi ni uhoro wa languages. Kenyans should be allowed in the new Constitution to develop their own official language. Instead of (inaudible) of foreign languages. This will go a long way in a system that Kenyan society maintain and preserve their cultural values. Ya muico ni education. The new Constitution should provide for free education upto secondary level. At the same time, quota system should be abolished and clearly defined. Macio nimo ndageria kuona.
